Action Deferred—ON PROPOSED ORDINANCE TO AMEND CHAPTER 21 OF THE MUNICIPAL CODE BY INSERTING NEW SECTIONS 21-5 THROUGH 21-16 CONCERNING FAIR RENT COMMISSION.
(Adverse Committee Recommendation).

The Committee on Buildings and Zoning submitted the following report which was on motion of Alderman Roti and Alderman Barnett *Deferred* and ordered published:

CHICAGO, June 12, 1980.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed ordinance (referred September 12, 1979) to amend Chapter 21 of the Municipal Code by inserting new Sections 21-5 through 21-16 concerning Creation of Fair Rent Commission, begs leave to recommend that Your Honorable Body *Do Not Pass* said proposed ordinance attached herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.

(Signed) FRED B. ROTI,
Vice-Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Be It Ordained by the City Council of the City of Chicago:

Section 1. That Chapter 21 of the Municipal Code of Chicago is hereby amended by inserting therein, in their proper numerical sequence, the following new sections, in Italics to be entitled "Fair Rent Commission", to be numbered Sections 21-5 through 21-16, and to read as follows:

Fair Rent Commission

21-5. Findings

The City Council hereby finds:

1. There is a shortage of decent, safe and sanitary housing in the City of Chicago resulting in a critically low vacancy factor.

2. There are significant numbers of rentors in Chicago paying over 25% of their income for rent.

3. Condominium conversions have accelerated recently and further depleted the rental housing stock.

4. Tenants displaced as a result of their inability to pay increased rents must relocate, but as a result of such housing shortage, are unable to find decent safe and sanitary housing at affordable rent levels. Aware of the difficulty in finding decent housing, some tenants attempt to pay requested rent, but as a consequence must expend less money on other necessities of life. This situation has had a deterimental effect on substantial numbers of rentors in Chicago, especially creating hardships on senior citizens, persons on fixed incomes and low and moderate income families.

5. *In order to alleviate the above problems, a Fair Rent Commission is established by this ordinance to safeguard tenants from excessive rent while assuring landlords fair and adequate rents.*

21-6. Definitions

(a) Capital Improvements. *Those improvements which materially add to the value of the property, appreciably prolong its useful life, or adapt it to new uses, and which may be amortized over the useful life of the improvement of the building, in accordance with the Internal Revenue Code and regulations pursuant thereto.*

(b) Commission. *The Fair Rent Commission of the City of Chicago.*

(c) Excessive Rent or Rent Increase. *Such rent or rent increase as is unfair or inequitable under all facts and circumstances.*

(d) Hearing Officer. *A person designated by the Commission to arbitrate rental increase disputes.*

(e) Housing Services. *Services provided by the landlord connected with the use or occupancy of a rental unit, including, but not limited to, repairs, replacement, maintenance, painting, light, heat, water, elevators, laundry facilities and privileges, janitor service, refuse removal, furnishings, telephone, parking and any other benefits, privileges, or services.*

(f) Landlord. *An owner, lessor, or sublessor who receives or is entitled to receive rent for the use and occupancy of any residential rental unit or portion thereof in the City of Chicago, and the agent, representative or successor of any of the foregoing.*

(g) Rehabilitation Work. *Any rehabilitation or repair work done by the landlord with regard to a rental unit, or to the common areas of the structure containing the rental units, which work was done in order to be in compliance with state or local law, or was done to repair damage resulting from fire, other casualty or natural disaster.*

(h) Rent. *The consideration, including any bonus, benefits, or gratuity, demanded or received by a landlord for or in connection with the use or occupancy of a rental unit, or the assignment of a lease for such a unit, including but not limited to monies demanded or paid for housing services, food service or subletting.*

(i) Rent Increase. *Any additional monies demanded or paid for rent as defined above in item (h), or any reduction in housing services without a corresponding reduction in the monies demanded or paid for rent; provided, however, that where the landlord has been paying the tenant's utilities, and cost of those utilities increases, the landlord's passing through of such increased cost to the tenant does not constitute a rent increase.*

(j) Rental Units. *All residential dwelling units in the City of Chicago together with the land and buildings appurtenant thereto, and all housing services, privileges, furnishing and facilities supplied in connection with the use or occupancy thereof. The term shall not include:*

(1) institutional units as defined in Section 48-3 of the Municipal Code.

(2) dwelling units whose rents are controlled or regulated by any government unit, agency or authority.

(3) dwelling units in non-profit cooperatives owned, occupied, and controlled by a majority of the residents.

(k) Tenant. *A person entitled by written or oral agreement, or by suffrance, to occupy a residential dwelling unit to the exclusion of others.*

(c) Hearing shall be held within 45 days of the filing of the complaint or petition. There shall be no decrease in housing services during this pendency of the complaint or petition. The tenant shall continue to pay the rent in effect at the time of the filing of the complaint or petition during its pendency, except as provided in section 21-13 (c).

(d) All proceedings shall continue regardless of the fact, that a tenant may quit the rental unit in question and notwithstanding any attempt, successful or not, to evict the tenant. No sale, assignment, or transfer of the rental unit in question shall be cause for discontinuing the proceedings, nor shall it affect the rights, powers, and duties of the Commission and the parties.

(e) The hearing shall be conducted by a hearing officer designated by the Commission. Both parties may offer such documents, testimony, written declarations or other evidence as may be pertinent to the proceedings. (1) Increases or decreases in operating and maintenance expenses, including, but not limited to, real estate taxes, sewer service charges, janitorial service, refuse removal, elevator service, security systems and debt service.

(2) The past history of rent increases for the unit.

(3) The comparison of the rent for the unit with the rents for comparable units in the same general area.

(4) Costs of capital improvements and rehabilitation work, which shall be amortized over a fair and reasonable period consistent with the incentive for landlords to maintain, improve, and renovate their properties while protecting tenants from excessive rent or rent increases.

(5) Failure to perform ordinary repair, replacement and maintenance in compliance with applicable state and local law.

(6) Tax deductions and depreciation allowances claimed by the landlord in relation to the building.

(7) Any other such relevant factors as the Commission shall specify by rule.

(d) Determinations resulting in altered rent obligations retroactive to the filing date of the complaint or petition shall be complied with by the parties either in cash or prospective adjustments in the rent until the retroactive portion is satisfied.

(e) The determination of the hearing officer is final unless the Commission vacates it on appeal.

21-11.4 Appeals

(a) An appeal to the Commission from the determination of the hearing officer may be made within fifteen (15) days of the mailing of the determination. The appeal shall be in writing and shall set forth the appellant's grounds for either error or abuse of discretion by the hearing officer. The filing of the appeal shall not stay the effect of the determination.

(b) Upon receipt of an appeal the entire administrative record shall be filed with the Commission.

(c) The Commission shall hear appeals in its discretion. In deciding whether or not to hear an appeal, the Commission shall consider, among other factors, fairness to the parties, hardship to either party, promotion of the purposes of the ordinance, and any written comments submitted by the hearing officer who made the determination. A vote of four (4) members of the Commission shall be required to hear an appeal. In its discretion, the Commission may order a de novo *hearing where there are serious questions of fact, or it may review the record before it. In either case, the Commission shall exercise its discretion in reviewing facts.*

(d) Appeals the Commission decides to hear shall be heard within thirty (30) days of the filing of the appeal. Within that time, the parties shall be notified in writing of the rejection or acceptance of the appeal, and if accepted, the notice shall include the time and place of the hearing ten (10) days prior thereto.

(e) The Commission may, upon hearing the appeal, affirm, reverse, or modify the determination, or it may remand the case to the hearing officer with instructions for further proceedings. The Commission must mail its decision to the parties within forty-five (45) days of hearing and appeal. Such notice shall state that the decision is final.

21-12. Eviction

(a) No landlord shall bring any action to recover possession of a rental unit unless:

(1) The tenant has failed to pay the rent to which the landlord is lawfully entitled under the oral or written agreement between the tenant and landlord, or habitually pays the rent late or give checks which are frequently returned because there were insufficient funds in the checking account, except when said tenant is in the process of conducting a lawful rent strike, and is depositing his rent in an escrow account, pending repair of his rental unit, or building in which the unit is located, or return of service required of the landlord by law; or

(2) The tenant has violated a lawful obligation or covenant of tenancy other than the obligation to surrender possession upon proper notice and failed to cure such violation after having received written notice thereof from the landlord; or

(3) The tenant is committing or permitting to exist a nuisance in, or is causing substantial damage to, the rental unit, or is creating a substantial interference with the comfort, safety or enjoyment of the landlord or other tenants in the building; or

(5) The tenant has refused the landlord reasonable access to the rental unit for the purpose of making necessary repairs or improvements required by State or Local Law, or for the purpose of inspection as permitted or required by the oral or written agreement, or for the purpose of showing the rental unit to any prospective time purchaser or mortgagee; or

(6) The tenant holding the end of the term of the oral or written agreement is a subtenant not approved by the landlord; or

(7) The landlord seeks to recover possession in good faith for use and occupancy of the landlord, the children, parents, grandparents, grandchildren, brothers or sisters of the landlord or his or her spouse or the spouses of such relations; or

(8) The landlord seeks to recover possession in good faith in order to sell the unit in accordance with a condominium conversion which complies with applicable law; or

(9) The landlord seeks to recover possession in good faith in order to demolish or to otherwise permanently remove the rental unit from the housing market; or

(10) The landlord seeks to remove, in good faith, the unit from the housing market in order to be able to carry out capital improvements or rehabilitation work. Any tenant so evicted shall have the right to reoccupy the unit at the prior rent, adjusted in accordance with the provisions of this ordinance.

(b) In any action for the eviction of a tenant for non-payment of rent, it shall be absolute defense that the tenant has paid such fair and equitable rent as has been determined by the Commission.

(c) Nothing in this ordinance shall be construed to alter the procedural requisites for or defenses to eviction cases presently applicable under federal state or local law.

21-13. Retaliatory Actions

(b) It shall be prima facie *retaliatory action for a landlord to refuse to renew the lease or other rental agreement of any tenant, or demand a rent increase from any tenant, or decrease the housing services to which any tenant has been entitled within six (6) months after the tenant has exercised any rights under this ordinance.*

(c) Any complaint or petition filed with the Commission alleging a prima facie *retaliatory action shall operate to stay such action pending the disposition of such complaint or petition by a hearing officer.*

(d) A complaint or petition alleging any retaliatory action shall, during its pendency, operate to extend any lease or rental agreement which expires during such pendency.

21-14. Violations

Any person who shall violate any order of rent reduction or rent suspension by demanding, accepting or receiving an amount in excess thereof while such order remains in effect, or the provision herein contained prohibiting retaliatory action, or any other provision of Section 21-5 through 21-13 inclusive, or any person who shall refuse to obey any order or direction of the Commission pursuant thereto, shall be fined not less than $25 nor more than $100 for each such offense. If such offense continues for more than five days, it shall constitute a new offense for each day it continues to exist thereafter. No action shall be taken on any such violation by the prosecuting authorities of the city except upon written complaint of the chairperson of the Commission or his or her designee.

21-15. Other Rights

The exercise by a tenant of any rights specified herein shall not bar or be a condition precedent to the exercise of any other available rights.

21-16. Severability

If any clause or provision of this ordinance or the application thereof to any person or circumstance is held to be unconstitutional or to be otherwise invalid by any court of competent jurisdiction, such invalidity shall not effect other provisions, and clauses of this ordinance are declared to be severable.

Chapter 25.1 of Municipal Code Amended Authorizing Elimination of Filing Fees for Examinations.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 25.1, Section 25.1-5 of the Municipal Code of the City of Chicago is hereby amended by deleting the language contained in brackets as follows:

25.1-5. The Director of Personnel shall issue personnel rules with the approval of the Personnel Board. Prior to the effective date of such rules, the Director of Personnel shall give public notice in one or more newspapers of general circulation, and in no case shall such publication be less than ten (10) days before the effective date of the proposed rule or amendment to the rule. Such public notice shall include information concerning where the rules can be reviewed and where comments may be directed. Nothing contained herein shall prohibit the Director of Personnel from giving any additional public notice that he may deem appropriate. The rules shall provide:

(1) For the preparation, maintenance and revision of a position classification plan for all positions in the career service, based upon similarity of duties performed and responsibilities assigned, so that the same qualifications may reasonably be required for and the same schedule of pay may equitably be applied to all positions in the same class.

(2) For the annual submission of a pay plan to the Mayor.

(3) For the recruitment and selection of persons in the city career service on the basis of their relative fitness.

(4) For the establishment of eligible lists for appointment and promotion, upon which lists shall be placed the names of successful candidates in order of their relative excellence in the respective examinations. The Director may substitute rankings such as excellent, well-qualified and qualified for numerical ratings and establish eligible lists accordingly. Such rules may provide for lists by area or location, by department or other agency, for removal of those not available for or refusing employment, for minimum and maximum duration of such lists, and for such other provisions as may be necessary to provide rapid and satisfactory service to the operating agencies. The rules may authorize removal of eligibles from lists if those eligibles fail to furnish evidence of availability upon forms sent to them by the Director.

[Every applicant who desires to take any career service examination will be required at the time of making application to pay a fee of $5.00 to defray the expenses of such examination.]

(5) For the certification to an appointing authority of the names (a) of the five highest persons available on the appropriate eligible list to fill each vacancy, or (b) from the highest ranking group if the list is by rankings instead of numerical ratings.

(6) For promotions which shall give appropriate considerations to the applicant's qualifications, record of performance and ability.

(7) For probationary periods after original appointment not to exceed one year.

(8) For emergency employment for not more than 90 days with the consent of the Director and for provisional employment when there is no appropriate eligible list available. No such provisional appointment shall continue longer than nine months, nor shall successive provisional appointments be allowed except during the first two years after the effective date of this ordinance.

(9) For keeping records of performance of all employees in the career service, which performance records shall be considered in determining salary increments or increases for meritorious services; as a factor in promotions; as a factor in reinstatements; and as a factor in discharges and transfers.

(10) For lay-offs by reason of lack of funds or work, or abolition of a position, or material change in duties or organization, and for reemployment of employees so laid off.

(11) For establishment of a plan for resolving employee grievances and complaints.

(12) For the establishment of disciplinary measures such as suspension, demotion in rank or grade, or discharge. Such measures shall provide for presentation of charges, hearing rights, and appeals for all permanent employees in the career service, consistent with the requirements of due process in law.

(13) For development and operation of programs to improve work effectiveness, including training, education, safety, health, welfare, counseling, recreation and employee relations.

(14) For such other policies and administrative regulations, not inconsistent with this law as may be proper and necessary for its enforcement.

SECTION 2. This ordinance shall be in full force and effect from and after its passage.

Failed to Pass—PROPOSED ORDINANCE TO AMEND CHAPTER 21 OF MUNICIPAL CODE BY INSERTING NEW SECTIONS 21-5 THROUGH 21-16 CONCERNING FAIR RENT COMMISSION.

On motion of Alderman Vrdolyak the City Council took up for consideration the following report of the Committee on Buildings and Zoning, deferred and published in the Journal of Proceedings of June 13, 1980, pages 3210-3214 which reads as follows:

CHICAGO, June 12, 1980.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed ordinance (referred September 12, 1979) to amend Chapter 21 of the Municipal Code by inserting new Sections 21-5 through 21-16 concerning creation of Fair Rent Commission, begs leave to recommend that Your Honorable Body *Do Not Pass* said proposed ordinance attached herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) EDWARD R. VRDOLYAK,
Chairman.

(Signed) FRED B. ROTI,
Vice-Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Be It Ordained by the City Council of the City of Chicago:

Section 1. That Chapter 21 of the Municipal Code of Chicago is hereby amended by inserting therein, in their proper numerical sequence, the following new sections, in Italics to be entitled "Fair Rent Commission", to be numbered Sections 21-5 through 21-16, and to read as follows:

Fair Rent Commission

21-5. Findings

The City Council hereby finds:

1. There is a shortage of decent, safe and sanitary housing in the City of Chicago resulting in a critically low vacancy factor.

2. There are significant numbers of rentors in Chicago paying over 25% of their income for rent.

3. Condominium conversions have accelerated recently and further depleted the rental housing stock.

4. Tenants displaced as a result of their inability to pay increased rents must relocate, but as a result of such housing shortage, are unable to find decent safe and sanitary housing at affordable rent levels. Aware of the difficulty in finding decent housing, some tenants attempt to pay requested rent, but as a consequence must expend less money on other necessities of life. This situation has had a deterimental effect on substantial numbers of rentors in Chicago, especially creating hardships on senior citizens, persons on fixed incomes and low and moderate income families.

5. In order to alleviate the above problems, a Fair Rent Commission is established by this ordinance to safeguard tenants from excessive rent while assuring landlords fair and adequate rents.

21-6. Definitions

(a) Capital Improvements. Those improvements which materially add to the value of the property, appreciably prolong its useful life, or adapt it to new uses, and which may be amortized over the useful life of the improvement of the building, in accordance with the Internal Revenue Code and regulations pursuant thereto.

(b) Commission. The Fair Rent Commission of the City of Chicago.

(c) Excessive Rent or Rent Increase. Such rent or rent increase as is unfair or inequitable under all facts and circumstances.

(d) Hearing Officer. A person designated by the Commission to arbitrate rental increase disputes.

(e) Housing Services. Services provided by the landlord connected with the use or occupancy of a rental unit, including, but not limited to, repairs, replacement, maintenance, painting, light, heat, water, elevators, laundry facilities and privileges, janitor service, refuse removal, furnishings, telephone, parking and any other benefits, privileges, or services.

(f) Landlord. An owner, lessor, or sublessor who receives or is entitled to receive rent for the use and occupancy of any residential rental unit or portion thereof in the City of Chicago, and the agent, representative or successor of any of the foregoing.

(g) Rehabilitation Work. Any rehabilitation or repair work done by the landlord with regard to a rental unit, or to the common areas of the structure containing the rental units, which work was done in order to be in compliance with state or local law, or was done to repair damage resulting from fire, other casualty or natural disaster.

(h) Rent. The consideration, including any bonus, benefits, or gratuity, demanded or received by a landlord for or in connection with the use or occupancy of a rental unit, or the assignment of a lease for such a unit, including but not limited to monies demanded or paid for housing services, food service or subletting.

(i) Rent Increase. Any additional monies demanded or paid for rent as defined above in item (h), or any reduction in housing services without a corresponding reduction in the monies demanded or paid for rent; provided, however, that where the landlord has been paying the tenant's utilities, and cost of those utilities increases, the landlord's passing through of such increased cost to the tenant does not constitute a rent increase.

(j) Rental Units. All residential dwelling units in the City of Chicago together with the land and buildings appurtenant thereto, and all housing services, privileges, furnishing and facilities supplied in connection with the use or occupancy thereof. The term shall not include:

(1) institutional units as defined in Section 48-3 of the Municipal Code.

(2) dwelling units whose rents are controlled or regulated by any government unit, agency or authority.

(3) dwelling units in non-profit cooperatives owned, occupied, and controlled by a majority of the residents.

The tenant shall continue to pay the rent in effect at the time of the filing of the complaint or petition during its pendency, except as provided in section 21-13 (c).

(d) All proceedings shall continue regardless of the fact, that a tenant may quit the rental unit in question and notwithstanding any attempt, successful or not, to evict the tenant. No sale, assignment, or transfer of the rental unit in question shall be cause for discontinuing the proceedings, nor shall it affect the rights, powers, and duties of the Commission and the parties.

(e) The hearing shall be conducted by a hearing officer designated by the Commission. (1) Increases or decreases in operating and maintenance expenses, including, but not limited to, real estate taxes, sewer service charges, janitorial service, refuse removal, elevator service, security systems and debt service.

(2) The past history of rent increases for the unit.

(3) The comparison of the rent for the unit with the rents for comparable units in the same general area.

(4) Costs of capital improvements and rehabilitation work, which shall be amortized over a fair and reasonable period consistent with the incentive for landlords to maintain, improve, and renovate their properties while protecting tenants from excessive rent or rent increases.

(5) Failure to perform ordinary repair, replacement and maintenance in compliance with applicable state and local law.

(6) Tax deductions and depreciation allowances claimed by the landlord in relation to the building.

(7) Any other such relevant factors as the Commission shall specify by rule.

(d) Determinations resulting in altered rent obligations retroactive to the filing date of the complaint or petition shall be complied with by the parties either in cash or prospective adjustments in the rent until the retroactive portion is satisfied.

(e) The determination of the hearing officer is final unless the Commission vacates it on appeal.

21-11.4 Appeals

(a) An appeal to the Commission from the determination of the hearing officer may be made within fifteen (15) days of the mailing of the determination. The appeal shall be in writing and shall set forth the appellant's grounds for either error or abuse of discretion by the hearing officer. The filing of the appeal shall not stay the effect of the determination.

(b) Upon receipt of an appeal the entire administrative record shall be filed with the Commission.

(c) The Commission shall hear appeals in its discretion. In deciding whether or not to hear an appeal, the Commission shall consider, among other factors, fairness to the parties, hardship to either party, promotion of the purposes of the ordinance, and any written comments submitted by the hearing officer who made the determination. A vote of four (4) members of the Commis-

sion shall be required to hear an appeal. In its discretion, the Commission may order a de novo *hearing where there are serious questions of fact, or it may review the record before it. In either case, the Commission shall exercise its discretion in reviewing facts.*

Within that time, the parties shall be notified in writing of the rejection or acceptance of the appeal, and if accepted, the notice shall include the time and place of the hearing ten (10) days prior thereto.

(e) The Commission may, upon hearing the appeal, affirm, reverse, or modify the determination, or it may remand the case to the hearing officer with instructions for further proceedings. The Commission must mail its decision to the parties within forty-five (45) days of hearing and appeal. Such notice shall state that the decision is final.

SECTION 2. *Additional Levy for Deficiencies.* The taxes which are levied by this Ordinance (the "1980 Series B Tax Levy Ordinance") include the additional sums provided in this Section, which are in addition to the dollar amounts specifically set forth in Section 1 of this Ordinance. For paying principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the debt service reserve fund (the "Reserve Fund") established by the Bond Resolution for the Bonds pursuant to the Act, there is levied and there shall be collected a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, sufficient to produce the sums specified in this Section. The additional amount levied for each such year pursuant to this Section is the sum sufficient to produce the amount, if any, by which:

(i) the cumulative total principal amounts due on the 1980 Series B Bonds at maturity or on sinking fund installment dates and interest on the 1980 Series B Bonds as it fell due, in each case through December 1 of such levy year, less an amount equal to the interest paid from the 1980 Series B Capitalized Interest Account (all as provided in the Bond Resolution and the 1980 Series B Resolution) shall have exceeded

No later than December 31 of each year, beginning in 1981, the Trustee under the Bond Resolution shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of that Trustee, of the amount of the additional taxes which are included in the levy for that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts levied by this Section, all as provided in this Section.

SECTION 3. *Filing of Ordinance.* After the adoption of this 1980 Series B Tax Levy Ordinance, the City Clerk of the City is directed to cause copies of this 1980 Series B Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and of the county tax collectors of each county in which any taxable property in the City is located. Upon the filing of such copies of this 1980 Series B Tax Levy Ordinance with the county clerks, it shall be the duty of those county clerks to extend the taxes so levied for the 1980 Series B Bonds, all as provided in the Act, this 1980 Series B Tax Levy Ordinance, the Bond Resolution and the 1980 Series B Resolution. Except as specifically provided in the Bond Resolution, the 1980 Series B Resolution or this 1980 Series B Tax Levy Ordinance, the taxes levied as provided in this 1980 Series B Tax Levy Ordinance shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series B Tax Levy Ordinance shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the amounts so specified and provided for. No further action of this City Council shall be required for the levy of taxes as provided in this 1980 Series B Tax Levy Ordinance or for their extension and collection by the appropriate county officers.

SECTION 4. *Tax for Sole Benefit of Bondholders; Payment to Trustee.*

(a) As provided by the Act and the Bond Resolution, while any Bonds remain outstanding and unpaid, the taxes levied by this 1980 Series B Tax Levy Ordinance shall be for the sole benefit of the holders of the outstanding Bonds and the coupons pertaining to the outstanding Bonds. The Act and the Bond Resolution provide that such holders of Bonds and coupons shall have a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to the levy and all present and future proceeds of the levy and that the security interest in and lien upon those rights, claims and interests is valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any claims, if any, of all other parties having claims of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(b) As provided by the Act and the Bond Resolution, all proceeds of the levy of taxes made by this 1980 Series B Tax Levy Ordinance shall be deposited by the county collectors of each county in which any taxable property in the City shall be located directly in the Debt Service Fund established with the Trustee by the Bond Resolution. The Bond Resolution provides that such amounts shall be applied solely for the payment and discharge of principal of the Bonds (at maturity or on sinking fund installment dates) and of interest on the Bonds as it falls due, or for redemption or purchase of Bonds as provided by the Bond Resolution, or for transfer to the Reserve Fund as provided by the Bond Resolution, and shall not be used for any other purpose.

SECTION 5. *Tax in Addition to and Separate from Other Taxes.* As provided by the Act, the taxes levied as provided in this 1980 Series B Tax Levy Ordinance shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council is now, or may hereafter be, authorized constitutionally or by law to levy for any and all school (or any other) purposes. The taxes so levied by this 1980 Series B Tax Levy Ordinance shall be separate and apart from all other taxes of the Authority, the Board and the City.

SECTION 6. *Bonds Not Obligations of City.* This 1980 Series B Tax Levy Ordinance is adopted in order to carry out the functions of the City Council as specified in the Act and the 1980 Series B Bonds shall not be deemed to constitute a debt or liability of the City, within the meaning of the Constitution and law of the State, or a pledge of the full faith and credit of the City. The issuance of the 1980 Series B Bonds shall not directly, indirectly or contingently obligate the City to levy any form of taxation for the 1980 Series B Bonds or to make any appropriation for payment of the 1980 Series B Bonds, provided that this sentence does not affect the obligations of the City Council under the Act, the Bond Resolution, the 1980 Series B Resolution and this 1980 Series B Tax Levy Ordinance. The City shall not in any event be liable for the payment of principal, Redemption Price or interest on the 1980 Series B Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the City or any charge upon its general credit or against its taxing power.

SECTION 7. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* The Act, the Bond Resolution and the 1980 Series B Resolution provide that in extending the taxes levied by this 1980 Series B Tax Levy Ordinance, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied as is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and the 1980 Series B Resolution. The 1980 Series B Resolution initially determines amounts to be so included in the extension of the taxes levied by this 1980 Series B Tax Levy Ordinance. The Bond Resolution and the 1980 Series B Resolution provide for those determinations to be modified by the Authority as provided in those Resolutions. No action of this City Council shall be required with respect to any such determination or modification of the determination of the allowance for loss and cost of collection and anticipated deferred collections for taxes to be extended in any year.

SECTION 8. *Covenants.* It is covenanted and agreed with the Holders (as defined in the Bond Resolution) of all Bonds issued under the Bond Resolution as follows:

(a) The City Council will not take any action to repeal, abate or reduce the taxes levied by this 1980 Series B Tax Levy Ordinance, or otherwise to restrict the extension and collection of those taxes, except upon the direction of the Authority to the extent expressly permitted by the Bond Resolution.

(b) Without limiting any provisions of this 1980 Series B Tax Levy Ordinance, the City Council will take any or all additional steps, make any or all additional directions and cause to be filed any or all additional documents as may be or may become necessary to cause to be levied and extended for collection a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, sufficient to pay and discharge the principal of the 1980 Series B Bonds, at maturity or on sinking fund installment dates, and interest on the 1980 Series B Bonds as it falls due.

SECTION 9. *Conflict.* All ordinances, resolutions or rules of the City Council, if any, in conflict with this 1980 Series B Tax Levy Ordinance or its adoption are repealed to the extent of such conflict.

SECTION 10. *Effectiveness.* This 1980 Series B Tax Levy Ordinance shall be effective and in force immediately upon its adoption.

102. *Findings.* It is found and declared as follows:

(a) The Authority has been established by the Act as a body politic and corporate and as a unit of local government for the purposes of exercising financial control over the Board and of furnishing financial assistance to the Board, in each case so that the Board can provide public education within the City while permitting the Board to meet its obligations to its creditors and the holders of its bonds and notes.

(b) It is necessary and in the best interests of the Authority and the public for the Authority to establish by this Resolution an issue of its General Obligation School Assistance Bonds and to provide for the issuance from time to time of those Bonds.

103. *Authority for this Resolution.* This Resolution is adopted pursuant to the provisions of the Act.

104. *Resolution and Series Resolutions Constitute Contract.* In consideration of the purchase and acceptance of any and all of the Bonds issued under this Resolution by those who shall hold the same from time to time, this Resolution shall be deemed to be and shall constitute a contract between the Authority and the Holders of the Bonds and coupons. Each Series Resolution shall be deemed to be and shall constitute a contract between the Authority and the Holders of the Bonds and of the coupons pertaining to the Bonds. Article II

Authorization and Issuance of Bonds

201. *Authorization of Bonds.* There is established and created an issue of Bonds of the Authority to be known and designated as "General Obligation School Assistance Bonds". The Bonds may be issued as provided in this Resolution without limitation as to principal amount except as provided in this Resolution or as may be limited by law. All the Bonds are payable from the sources and are secured as provided in this Resolution. The Bonds shall be general obligations of the Authority. To the payment as it falls due of the interest on the Bonds and of the principal of the Bonds at maturity or on Sinking Fund Installment dates, the full faith and credit of the Authority are irrevocably pledged. The principal, Redemption Price and interest on Bonds are payable solely from the taxes levied as provided by this Resolution, and from the Debt Service Fund and the Reserve Fund, including from deposits in those Funds of proceeds from the sale of Bonds, and from investment earnings on those Funds, all as provided in this Resolution and the various Series Resolution; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for any such payment of Bonds of any funds which lawfully may be used for that purpose.

202. *Bonds Not Obligations of State, City or Board.* The Bonds shall not be deemed to constitute a debt or liability of the State, the City or the Board or of any other political subdivision of the State (other than the Authority) within the meaning of the Constitution of the State or any State law, or a pledge of the full faith and credit of the State, the City or the Board or any other political subdivision of the State (other than the Authority). The issuance of the Bonds shall not directly, indirectly or contingently obligate the State, the City or the Board, or any political subdivision of the State (other than the Authority) to levy any form of taxation for the Bonds (except as explicitly provided in the Act, this Resolution, the various Series Resolutions and the various Tax Levy Ordinances) or to make any appropriation for payment of the Bonds. The State, the City and the Board shall not in any event be liable for the payment of principal, Redemption Price or interest on the Bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach of any such pledge, obligation or agreement may impose any liability upon the State, the City or the Board or any charge upon their general credit or against their taxing power. The Bonds shall state on their face that they are payable solely from the funds and revenues provided for their payment in accordance with this Resolution and the various Series Resolutions; provided, however, nothing in this Resolution or in any Series Resolution shall prohibit the use for such payment of Bonds of any funds which lawfully may be used for that purpose.

203. *Pledge of State.* By the Act, the State pledges to and agrees with the Holders of the Bonds that the State will not limit or alter the rights and powers vested in the Authority by the Act so as to impair the terms of the contract made by this Resolution, the various Series Resolutions or the various Tax Levy Ordinances with the Holders of the Bonds and of the coupons pertaining to the Bonds or so as in any way to impair the rights and remedies of the Holders of the Bonds and of the coupons pertaining to the Bonds until the Bonds are paid in full as to both principal and interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the Holders of the Bonds and of the coupons pertaining to the Bonds are fully met and discharged or provision is made for their payment.

204. *Provisions for Issuance of Bonds.* The Bonds may be issued in one or more Series. The issuance of the Bonds shall be authorized by one or more Series Resolutions of the Authority adopted subsequent to this Resolution. The Bonds of each Series shall, in addition to the title "General Obligation School Assistance Bonds", contain an appropriate Series designation.

The Bonds of each Series shall be executed by the Authority for issuance under the Resolution and delivered to the Trustee, authenticated by the Trustee, if authentication is required by the Series Resolution, and delivered by the Trustee to the Authority or upon its order, but only upon the receipt by the Trustee of:

(1) A Counsel's Opinion of nationally recognized bond counsel to the effect that (a) the Authority has the legal right and power to adopt the Resolution and the Series Resolution pertaining to that Series of Bonds, and the Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and is valid and binding upon the Authority, (b) the Series Resolution and the Tax Levy Ordinance pertaining to the Series of Bonds being issued have been duly and lawfully adopted, are in full force and effect and are valid and binding and conform to the requirements of this Resolution for such Series Resolutions and Tax Levy Ordinances, and (c) the Bonds of such Series are valid and binding obligations of the Authority as provided in the Resolution and entitled to the benefits of

the Resolution and of the Act as amended to the date of such Counsel's Opinion, and that such Bonds have been duly and validly authorized and issued in accordance with law, including the Act as amended to the date of such Counsel's Opinion, and in accordance with the Resolution.

(2) A written order as to the delivery of such Series of Bonds, signed by an Authorized Officer of the Authority.

(j) The manner in which the Bonds of such Series are to be executed, including any provision for authentication of such Series of Bonds; and

(k) The amount and due date of each Sinking Fund Installment for Term Bonds of such Series of Bonds, if any.

Each Series Resolution shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of such Series as provided in Section 906 of this Resolution. Each Series Resolution shall determine an allowance for loss and cost of collection of taxes and anticipated deferred collections of those taxes in accordance with the provisions of Section 906 of this Resolution. Bonds of a Series may be either Serial Bonds or Term Bonds, or a combination of Serial and Term Bonds. Each Series Resolution shall provide for principal maturities or Sinking Fund Installments, or both, as the case may be. All Bonds of each such Series of like maturity shall be identical in all respects, except as to denominations, numbers and letters, and except that they may be in either coupon or fully registered form.

(4) The amount, if any, necessary to deposit in the Reserve Fund so that the value of the Reserve Fund shall at least equal the Reserve Requirement calculated immediately after the delivery of such Series of Bonds on all Bonds then to be Outstanding.

Article III

General Terms and Provisions of Bonds

301. *Medium of Payment; Form and Date.* (1) Principal, interest and the Redemption Price on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The Bonds are authorized to be issued in the form of coupon bonds, registrable as to principal only, or in the form of fully registered bonds without coupons, or in both such forms. Bonds in coupon form shall each be exchangeable for Bonds in fully registered form and Bonds in fully registered form shall be exchangeable for Bonds in coupon form, all as provided in this Resolution.

(2) Bonds of each Series in coupon form shall be dated as of the date specified in the Series Resolution authorizing their issuance. Bonds of each Series in fully registered form issued before the first interest payment date for that Series shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form. Bonds in fully registered form issued on or after that first interest payment date shall be dated as of their date of issue if issued on June 1 or December 1, or if not issued on such a date, shall be dated as of the June 1 or December 1 next preceding their date of issue. However, notwithstanding the previous sentence, if the interest on Bonds shall be in default, as shown by the records of the Trustee, Bonds issued in fully registered form in exchange or transfer for Bonds in default shall be dated as of the date specified in the Series Resolution for Bonds of that Series in coupon form, or the date to which interest has been paid in full on the Bonds surrendered, whichever date is later. The Bonds shall bear interest from their date. All Bonds of each Series shall mature and each Sinking Fund Installment shall fall due on June 1 of the years as specified by the related Series Resolution. Interest on all Bonds of each Series shall be payable semiannually on June 1 and December 1 of each year as specified by a Series Resolution. The first interest payment date on the Bonds of a Series shall be such date as the Authority shall specify by the related Series Resolution.

302. *Interchangeability of Bonds.* Bonds in coupon form, upon their surrender at the corporate trust office of the Trustee with all unmatured coupons attached, may, at the option of their Holder, be exchanged for an equal aggregate principal amount of Bonds in fully registered form of the same Series and maturity of any authorized denomination. Bonds in fully registered form, upon their surrender at the principal trust office of the Trustee may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds in coupon form of the

same Series and maturity with appropriate coupons attached, or of Bonds in fully registered form of the same Series and maturity of any other authorized denomination or denominations.

303. *Negotiability, Transfer and Registry.* All the Bonds issued under this Resolution shall, as provided in the Act, be negotiable, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain outstanding, the Authority shall maintain and keep, at the corporate trust office of the Trustee, books for the registration and transfer of Bonds. Upon presentation of any Bond for registration and transfer at that office, the Authority shall register or cause to be registered in those books, and shall permit to be transferred on those books, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain Outstanding, the Authority shall make all necessary provisions to permit the transfer and exchange of Bonds pursuant to this Resolution at the corporate trust office of the Trustee. The Trustee is appointed Bond Registrar for the Bonds.

304. *Transfer and Registration of Bonds in Coupon Form.* (1) All Bonds in coupon form shall pass by delivery, unless registered as to principal other than to bearer in the manner provided in this Section. Any Bond in coupon form may be registered as to principal on the books of the Authority at the corporate trust office of the Trustee, upon presentation of the Bond at that office and the payment of a charge sufficient to reimburse the Authority or the Trustee for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such registration, and such registration shall be noted on such Bond. No other charge shall be made by the Authority or the Trustee as a condition precedent to such registration. After that registration no transfer shall be valid unless made on the books of the Trustee by the registered owner in person or by the registered owner's attorney duly authorized in writing, and similarly noted on such Bond. Such a Bond may be discharged from registration by being in like manner registered to bearer after which it shall again become transferable by delivery. Thereafter such Bond may again, from time to time, be registered or discharged from registration in the same manner. Registration of any Bond in coupon form as to principal, however, shall not affect the negotiability by delivery of the coupons pertaining to such Bond, but each such coupon shall continue to pass by delivery and shall remain payable to bearer.

(2) As to any Bond in coupon form registered as to principal (other than to bearer), the person in whose name the Bond shall be registered upon the books of the Authority may be deemed and regarded as the absolute owner of the Bond, whether such Bond shall be overdue or not, for all purposes, except for the purpose of receiving payment of coupons. Payment of, or on account of, the principal or Redemption Price, if any, of such Bond shall be made only to, or upon the order of, such registered owner, but such registration may be changed as provided in this Article. All such payments shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Authority, the Trustee and any Paying Agent may treat the bearer of any coupon as the absolute owner of the coupon, whether the coupon shall be overdue or not, for the purpose of receiving payment of the coupon and for all other purposes whatsoever, and may treat the bearer of any Bond in coupon form which shall not at the time be registered as to principal other than to bearer, as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal or Redemption Price of that Bond and for all other purposes whatsoever except for the purpose of receiving payment of coupons, and neither the Authority, nor the Trustee nor any Paying Agent shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee and each Paying Agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such bearer or registered owner.

305. *Transfer of Bonds in Fully Registered Form.* (1) Each Bond in fully registered form shall be transferable only upon the books of the Authority, which shall be kept for that purpose at the corporate trust office of the Trustee. Such a transfer may be made by the registered owner of the Bond in person or by such owner's attorney duly authorized in writing, upon surrender of the Bond together with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or such owner's duly authorized attorney. Upon the transfer of any such Bond in fully registered form, the Authority shall issue (and cause to be authenticated by the Trustee) new Bond or Bonds in fully registered form registered as directed by the instrument of transfer, or, at the option of the transferee, Bonds in coupon form, with appropriate coupons attached, of the same Series, aggregate principal amount and maturity as the surrendered Bonds.

(2) The Authority and the Trustee may deem and treat the person in whose name any outstanding Bond in fully registered form shall be registered upon the books of the Authority as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner of upon such owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority, nor the Trustee shall be affected by any notice to the contrary. The Authority agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence under this Resolution, in so treating such registered owner.

306. *Regulations with Respect to Exchange and Transfer.* In all cases in which the privilege of exchanging Bonds or transferring registered Bonds is exercised, the Authority shall execute and cause to be authenticated and the Trustee shall deliver Bonds in accordance with the provisions of this Resolution. All Bonds in fully registered form surrendered in any such exchanges or transfers shall forthwith be cancelled by the Trustee. All Bonds in coupon form, and the coupons pertaining to such Bonds surrendered in any such exchange or transfer shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges. The Trustee, prior to reissuance of any such Bonds in coupon form, shall detach and cancel all matured coupons (as to dates as to which interest on Bonds of that Series have been paid) from those Bonds. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge, other than one imposed by the Authority, required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made by the Authority or the Trustee as a condition precedent to such exchange or transfer. The cost of preparing each new Bond in coupon form or Bond in fully registered form upon each exchange or transfer, and any other expenses of the Authority or the Trustee incurred in connection with the exchange or transfer (except any applicable tax, fee or other governmental charge, other than one imposed by the

Authority), shall be paid by the Authority. The Authority shall not be obliged to make any such exchange or transfer of Bonds of any Series during the ten (10) days next preceding an interest payment date on the Bonds of that Series or, to make any such exchange or transfer in the case of any Bond proposed to be redeemed, after the first publication of notice of such redemption.

307. *Bonds Mutilated, Destroyed, Stolen or Lost.* In the case any Bonds of any Series shall become mutilated or be destroyed, stolen or lost, the Authority shall execute, cause to be authenticated by the Trustee, if authentication is required by the Series Resolution authorizing the Bonds of that Series, and deliver new Bonds (with appropriate coupons attached in the case of coupon Bonds) of like Series, maturity and principal amount as the Bonds and attached coupons, if any, so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bonds, upon surrender and cancellation of such mutilated Bonds and attached coupons, if any, or in lieu of and substitution for the Bonds and coupons, if any, destroyed, stolen or lost, upon filing with the Authority of evidence satisfactory to the Authority and the Trustee that such Bonds and attached coupons, if any, have been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Authority with indemnity satisfactory to it and complying with such other reasonable regulations as the Authority may prescribe and paying such expenses as the Authority may incur. All Bonds and coupons so surrendered to the Authority shall be cancelled by it. An Authorized Officer shall advise the Trustee and Paying Agents of the issuance of substitute Bonds or coupons.

308. *Preparation of Definitive Bonds; Temporary Bonds.* Until definitive Bonds of any Series are prepared, the Authority may execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) in the same manner as is provided in this Resolution, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions, as the definitive coupon Bonds (except as to the denominations and as to exchangeability for registered Bonds) one or more temporary Bonds (which may be registrable as to principal and interest), substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without coupons, in denominations of $5 000 of any integral multiples of that amount authorized by the Authority, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the Coupons pertaining to those Bonds or, if no coupons for such interest are attached, then only upon presentation of such temporary Bonds for notation on those Bonds of the payment of such interest. The Chairman or other Authorized Officer is authorized to enter into such agreements as may be necessary or desirable with the purchasers of any Series of Bonds for issuance of such temporary Bonds. The Authority at its own expense shall prepare, execute and cause to be authenticated by the Trustee (if authentication is required by the Series Resolution authorizing the Bonds of that Series) and, upon the surrender of such temporary Bonds, with there being attached all unmatured coupons and all matured coupons for which no payment or only partial payment has been provided, for exchange and the cancellation of such surrendered temporary Bonds and coupons, without charge to the Holder of such Bonds and coupons, deliver in exchange, at the corporate trust office of the Trustee, definitive Bonds. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall then be promptly cancelled by the Trustee.

Article IV

Redemption of Bonds

401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to the provisions of a Series Resolution shall be redeemable, upon published notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Series Resolution authorizing such Series.

402. *Redemption at the Election of the Authority.* In the case of any redemption of Bonds at the option of the Authority, an Authorized Officer shall give written notice to the Trustee of the Authority's election so to redeem such Bonds, of the redemption date, of the Series, of the principal amounts of the Bonds of each maturity of such Series so to be redeemed (the Series, maturities and principal amounts of the Bonds to be redeemed to be determined by the Authority, subject to the limitations with respect to such determination contained in this Resolution and any Series Resolution) and of the monies to be applied to the payment of the Redemption Price and the interest accrued and unpaid on the principal amount of the Bonds to be redeemed to the redemption date. That notice shall be given at least sixty (60) days prior to the redemption date or such shorter period (not less than thirty (30) days) as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as provided in Section 405 of this Resolution, the Trustee shall, if it holds the monies to be applied to the payment of the Redemption Price and the interest to the redemption date accrued and unpaid on the principal amount of the Bonds to be redeemed or otherwise the Authority shall, prior to the redemption date, pay to the Trustee and the appropriate Paying Agents an amount in cash which, together with other monies, if any, available for that payment held by the Trustee and those Paying Agents, will be sufficient to redeem all of the Bonds to be redeemed, on the redemption date and at the Redemption Price for those Bonds together with accrued and unpaid interest on those Bonds to the redemption date. The Authority shall promptly notify the Trustee in writing of all such payments made by the Authority to a Paying Agent other than the Trustee.

403. *Redemption Otherwise Than at Authority's Election.* Whenever by the terms of this Resolution and any Series Resolution the Authority is required to redeem Bonds pursuant to Sinking Fund Installments or otherwise, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out the Redemption Price and interest accrued and unpaid to the redemption date on those Bonds to itself and the appropriate Paying Agents in accordance with the terms of this Article IV in order to effect such redemption.

404. *Selection of Bonds to Be Redeemed by Lot.* In the event of redemption of less than all of the outstanding Bonds of any Series and maturity, the Trustee shall assign to each Outstanding Bond in fully registered form of the Series and maturity to be redeemed a distinctive number for each $5,000 of the principal amount of such Bond. The Trustee shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers of all such Bonds in coupon form of such maturity and the numbers assigned to those Bonds in fully registered form as many numbers as, at $5,000 for each number, shall equal the principal amount of such Bonds of such Series and maturity to be redeemed. The Bonds to be redeemed shall be the Bonds in coupon form of the denomination of $5.000 bearing the numbers so selected and the Bonds in fully registered form to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond in fully registered form of a denomination of more than $5,000 shall be redeemed as shall equal $5,000 for each number assigned to it and so selected.

405. *Notice of Redemption.* When the Trustee shall receive notice from an Authorized Officer of the Authority's election to redeem Bonds pursuant to Section 402 of this Resolution, or when redemption of Bonds is required by this Resolution pursuant to Section 403 of this Resolution, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds. The notice shall specify the Series and maturities of the Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any series and maturity are to be redeemed, the letters and numbers of such Bonds so to be redeemed. In the case of Bonds in fully registered form to be redeemed in part only, the notice shall also specify the respective portions of the principal amount to be redeemed. The notice shall further state that on the redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price, or in case of Bonds in fully registered form the Redemption Price of the specified portions of the principal to be redeemed, together with unpaid interest accrued to the redemption date on the principal of the Bonds to be redeemed, and that from and after that date interest on such principal amount shall cease to accrue and be payable. The notice shall be given by publication once a week for at least two (2) successive weeks in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York, the first such publication to be not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. The Trustee shall also mail a copy of such notice, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the registered owners of any Bonds or portions of Bonds which are to be redeemed at their last addresses, if any, appearing upon the registry books, but such mailing shall not be a condition precedent to such redemption and failure so to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds.

406. *Payment of Redeemed Bonds.* Notice having been given by publication in the manner provided in Section 405 of this Resolution, the Bonds or portions of Bonds so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date on the principal of the Bonds to be redeemed, and, upon presentation and surrender of such Bonds at the offices specified in such notice, together with, in the case of Bonds registered other than to bearer presented by other than the registered owner, a written instrument of transfer duly executed by the registered owner or that owner's duly authorized attorney, and, in the case of Bonds in coupon form, all coupons pertaining to those Bonds maturing subsequent to the redemption date, such Bonds, or portions thereof, as the case may be, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date on the Bonds to be redeemed to the extent that such interest is not represented by coupons for matured interest installments. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons. If there shall be selected for redemption less than all of the principal amount of a Bond in fully registered form, the Authority shall execute and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed portion of the principal amount of the registered Bond so surrendered, at the option of the owner thereof, either Bonds in coupon form or Bonds in fully registered form of like Series and maturity in any of the authorized denominations. If, on the redemption date, monies for the redemption of all the Bonds or portions thereof of any Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Trustee and Paying Agents so as to be available for that redemption on that date and if notice of redemption shall have been published as provided in this Article, then, from and after the redemption date, interest on the Bonds or portions of Bonds of such Series and maturity so called for redemption shall cease to accrue and become payable, and the coupons for interest pertaining to those Bonds maturing subsequent to the redemption date shall be void. If those monies shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Article V

Custody and Application of Certain Proceeds of Bonds

501. *Establishment of and Deposits in School Assistance Fund.* There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Fund". To the credit of this Fund deposits shall be made as required in this Section. All proceeds of any Series of Bonds which are designated by the Series Resolution authorizing the issuance of that Series of Bonds to be used to provide financial assistance to the Board (including, without limitation, providing it with money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities, and other operational needs of the Board) shall be deposited in the School Assistance Fund. In addition, there shall be deposited in the School Assistance Fund amounts required to be paid to and deposited in that Fund as provided in Section 503 of this Resolution. However, the portion of the proceeds of any Series of Bonds which is to be used to refund any Bonds or other notes and bonds of the Authority or is to be used to pay any debt obligations of the Board or of the City issued to provide financing for the Board shall be used and applied as provided in the Series Resolution authorizing the issuance of that Series of Bonds and may be applied by the Authority directly to such purposes without being deposited in the School Assistance Fund.

502. *Application of School Assistance Fund.* The amounts in the School Assistance Fund shall be paid by the Trustee from time to time to the Board upon the filing with the Trustee of a requisition of the Chairman or other Authorized Officer so authorizing the Trustee to pay amounts in that Fund. The Chairman or other Authorized Officer is authorized and directed so to file from time to time with the Trustee requisitions to pay amounts deposited in the School Assistance Fund to the Board if the Chairman or such other Authorized Officer shall find that such amounts are then required by the Board for the purposes for which the Series Resolution authorizing the issuance of such Series of Bonds provides such amounts are to be used, all in accordance with the Board's budget or revised budget then in effect as approved by the Authority. The Chairman or other Authorized Officer and the Trustee shall not be responsible for the use or application of any amounts paid to the Board from the School Assistance Fund. Should there remain any amounts in the School Assistance Fund on June 1, 1985, the Trustee shall pay and deposit all such amounts to the Debt Service Fund to the credit of the Principal and Interest Account, and the School Assistance Fund shall then be closed.

503. *Establishment of Cost of Issuance Accounts.* There is created and established a series of separate and distinct accounts to be maintained by the Trustee, and designated collectively as "School Assistance Bonds Cost of Issuance Accounts." Upon the issuance, sale and delivery of any Series of Bonds pursuant to this Resolution, the Series Resolution authorizing such Series of Bonds may (but is not required to) establish a separate account designated "Series . . . Cost of Issuance Account" (inserting in the title the appropriate Series and

any other necessary designation). The Series Resolution shall provide for the payment into the related Cost of Issuance Account of the amount of the proceeds from the sale of such Series of Bonds designated by that Series Resolution to be used to pay the Costs of Issuance of that Series of Bonds. That amount shall be expended for Costs of Issuance of that Series of Bonds upon a requisition signed by an Authorized Officer stating the amount and purpose of any such payment. Upon receipt by the Trustee of a certificate of an Authorized Officer stating that all Costs of Issuance for a Series of Bonds have been paid and that amounts remaining in the related Cost of Issuance Account are no longer needed for the payment of Costs of Issuance of that Series of Bonds, the Trustee shall pay such remaining amounts in that Account to and deposit them in the School Assistance Fund, or if it has been closed, then to the Debt Service Fund to the credit of the Principal and Interest Account. In any event, on the first business day of the twelfth month following the last date of delivery of a Series of Bonds, the Trustee shall pay any amounts remaining in the Cost of Issuance Account for that Series of Bonds to and deposit them in the School Assistance Fund, or if it has been closed then to the Debt Service Fund to the credit of the Principal and Interest Account. When all amounts in any Cost of Issuance Account have been expended or transferred as provided in this Section, that Account shall be closed.

504. *Separate Funds and Accounts.* Each Cost of Issuance Account and the School Assistance Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in any Cost of Issuance Account or the School Assistance Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

Article VI

Establishment and Application of Funds and Accounts for Payment of Bonds

601. *Debt Service Fund.* (1) There is created and established a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Fund" (the "Debt Service Fund"). There are created and established in the Debt Service Fund as separate and distinct accounts to be maintained by the Trustee an account entitled "Principal and Interest Account," an account entitled "Redemption Account" and a series of accounts entitled collectively the "Capitalized Interest Accounts." Each Series Resolution authorizing the issuance of a Series of Bonds interest on which is required to be paid from a Capitalized Interest Account pursuant to Section 909 of this Resolution shall create and establish such an account entitled "Series . . . Capitalized Interest Account" (inserting in the title the appropriate Series and any other necessary designation).

(2) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Principal and Interest Account:

(a) all collections of taxes to be levied as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances;

(b) all amounts required to be transferred and credited to the Principal and Interest Account from the Redemption Account as provided in paragraph (11) of this Section;

(c) all amounts required to be paid and deposited in the Debt Service Fund from the Reserve Fund as provided in Section 602 of this Resolution;

(d) all amounts transferred to the Principal and Interest Account from a Capitalized Interest Account as provided in paragraph (8) of this Section; and

(e) all amounts transferred to the Principal and Interest Account pursuant to Article V of this Resolution.

(3) Amounts in the Principal and Interest Account shall be applied by the Trustee to the payment of the interest on the Bonds as it falls due (other than interest paid from a Capitalized Interest Account as provided in paragraph (8) of this Section), and the principal of the Bonds at maturity or on Sinking Fund Installment dates. Prior to June 1 and December 1 of each year (but not more than 5 days prior to such dates), beginning with December 1, 1981, the Trustee shall pay out of the amounts in the Principal and Interest Account to itself and the appropriate Paying Agents, the amounts required for the payment by it and the Paying Agents of the Debt Service Requirements then coming due on the Bonds (other than interest to be paid from a Capitalized Interest Account as provided in paragraph (8) of this Section).

(4) In December of each year, after paying all interest due on the Bonds on December 1 of that year, the Trustee shall transfer from the Principal and Interest Account to the Reserve Fund the amount, if any, by which the value of the Reserve Fund is less than the Reserve Requirement, but only to the extent that amounts in the Principal and Interest Account are in excess of the Debt Service Requirements on the Bonds for the next June 1.

(5) In December of each year (beginning in 1981), upon receipt of the Trustee's Annual Report and after all transfers required from the Principal and Interest Account to the Reserve Fund, as provided by paragraph (4) of this Section, have been made and after the transfers of amounts from the Reserve Fund to the Principal and Interest Account as provided by paragraph (5) of Section 602 of this Resolution have been made, the Authority (i) may by resolution direct the Trustee to transfer amounts from the Principal and Interest Account to the Redemption Account, (ii) may by resolution determine to abate the amount of taxes levied with respect to that year (and provided to be collected in the next calendar year) for payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates and of interest on Bonds as it falls due, or (iii) may so direct and determine a combination of such transfers and abatements. Upon a certified copy of such a resolution being filed with the Trustee directing such a transfer to the Redemption Account, the Trustee shall promptly make such a transfer. The total amount of any such abatement and transfer so directed and determined by resolution of the Authority in any year shall not exceed the amount, if any, by which the value of the Principal and Interest Account, after the transfers between the Principal and Interest Account and the Reserve Fund referred to in the first sentence of this paragraph, exceeds the sum of:

(a) the Debt Service Requirements for the next June 1, plus

(b) the amount, if any, by which all taxes levied pursuant to all Tax Levy Ordinances and received by the Trustee through December 1 of each year exceeds the sum of (i) the amount of principal of Bonds due at maturity or on Sinking Fund Installment dates, and of the interest due on the Bonds, through such December 1 (other than interest which was paid from a Capitalized Interest Account) plus (ii) the Debt Service Requirements for the next June 1.

(6) At any time after any December 1, the Trustee, in its sole discretion, may, and upon direction of an Authorized Officer shall, withdraw moneys from the Principal and Interest Account and purchase Bonds or portions of Bonds, which Bonds mature or are subject to mandatory redemption pursuant to Sinking Fund Installments on the next June 1. The principal amount of Bonds so purchased within any period after any December 1 and prior to the next June 1 shall not exceed the

sum of the Sinking Fund Installments on Term Bonds due on that June 1 and the principal amount of Serial Bonds maturing on that June 1. The principal amount of Term Bonds so purchased shall be a credit against and reduction of the amount of the Sinking Fund Installments on those Bonds on the next June 1. No purchase of Bonds shall be made after notice of redemption of those Bonds shall have been given as provided in this Resolution. No such purchase shall be made at a price in excess of the principal amount of the Bonds purchased plus accrued and unpaid interest on those Bonds to the date of purchase.

(7) The Authority shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds the amount from proceeds of that Series of Bonds provided in the Series Resolution for that Series of Bonds. The Trustee shall pay to and deposit in the Capitalized Interest Account for each Series of Bonds all amounts required to be paid to such Account from the Reserve Fund as provided in paragraph (4) of Section 602 of this Resolution. A Series Resolution may provide for the temporary deposit of proceeds of a Series of Bonds in the Capitalized Interest Account for a Series of Bonds until the exact amount of the deposit required is ascertained and may provide for any excess amounts then to be deposited, as if the deposit were a deposit directly from proceeds of the sale of that Series of Bonds, in the School Assistance Fund, or for the use of such excess amounts for other purposes for which Bonds may be or may then be issued.

(8) Amounts in a Capitalized Interest Account for any Series of Bonds shall be used to pay interest on that Series of Bonds coming due on the dates specified in the Series Resolution for that Series of Bonds. After all interest to be paid from a Capitalized Interest Account for a Series of Bonds has been paid in full (or the payment of that interest has been provided for) any remaining amounts in that Account shall be transferred by the Trustee to the Principal and Interest Account. Prior to any interest payment date on Bonds of any Series for which interest is so to be paid from a Capitalized Interest Account, the Trustee shall pay out of the amounts in that Account to itself and the Paying Agents for that Series of Bonds the amounts required then to pay that interest on the Bonds of that Series then coming due.

(9) There shall be deposited by the Trustee in the Debt Service Fund to the credit of the Redemption Account all amounts transferred to the Redemption Account from the Principal and Interest Account pursuant to paragraph (5) of this Section.

(10) Amounts at any time in the Redemption Account may be used by the Trustee at the direction of an Authorized Officer to redeem Bonds or to purchase Bonds. No purchase of Bonds shall be at a price in excess of the Redemption Price of the Bonds for an optional redemption at the next optional redemption date, plus accrued and unpaid interest on the principal of the Bonds to be redeemed to the date of redemption. An Authorized Officer may direct the Trustee as to the method of making any such purchase. No purchase of any Bonds from the Redemption Account shall be made by the Trustee within the period of forty-five (45) days next preceding a date on which those Bonds are subject to redemption. The Series Resolution authorizing a Series of Bonds which includes Term Bonds may provide for such redemption or purchase of Term Bonds pursuant to this paragraph (10) to be a credit against and reduction of such Sinking Fund Installments as is determined by that Series Resolution.

(11) If at any time the amounts in the Principal and Interest Account are insufficient to pay interest on the Bonds as it falls due and to pay principal on Bonds at maturity or on Sinking Fund Installment dates, the Trustee shall transfer to the Principal and Interest Account moneys from the Redemption Account which, when added to funds in the Principal and Interest Account, shall be sufficient to make such payments. If, after that transfer, the amounts in the Principal and Interest Account remain insufficient to make such payments, the Trustee shall transfer amounts from the Reserve Fund to the Principal and Interest Account sufficient to make such payments.

(12) As long as any of the Bonds remain outstanding and unpaid as to either principal or interest, in whole or in part, all amounts in the Debt Service Fund shall be held in trust by the Trustee for the sole benefit of the Holders of Bonds or coupons and shall be applied solely for the payment, redemption or purchase of the Bonds or coupons, all as provided in this Section, and shall not be used for any other purpose.

(13) The Debt Service Fund and each Account in it shall be separate and segregated from all other funds and accounts of the Authority of the Board. Cash funds and investments in the Debt Service Fund and each Account in it shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

602. *Reserve Fund.* (1) There is established and created a separate and distinct fund to be maintained by the Trustee and entitled the "School Assistance Bonds Debt Service Reserve Fund" (the "Reserve Fund"). The Authority shall pay to the Trustee for deposit in the Reserve Fund that portion of the proceeds of the sale of any Series of Bonds as shall be provided by the Series Resolution authorizing that Series of Bonds. The Trustee shall pay to and deposit in the Reserve Fund all amounts provided to be transferred to the Reserve Fund from the Principal and Interest Account pursuant to paragraph (4) of Section 601 of this Resolution.

(2) All amounts on deposit in the Reserve Fund shall be held in trust for the sole benefit of the Holders of the Bonds and coupons as provided in this Resolution and shall be applied and use solely for the payment of principal of the Bonds, at maturity or on Sinking Fund Installment dates, and for the payment of interest on the Bonds as it falls due, or for transfer to the Principal and Interest Account for application as provided by this Resolution, and shall not be used for any other purpose.

(3) Amounts in the Reserve Fund shall be transferred by the Trustee to the Debt Service Fund to the credit of the Principal and Interest Account at the times and in the amounts as required by paragraph (11) of Section 601 of this Resolution, in order to pay principal of the Bonds at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due.

(4) On or prior to December 1, 1980, and on or prior to June 1, 1981, the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Capitalized Interest Account for each Series of Bonds for which interest on those dates is provided by the Series Resolutions for those Series of Bonds to be paid from such an Account, all interest or investment earnings, if any, received through those dates on the Investment Obligations purchased from amounts deposited from proceeds of that Series of Bonds in the Reserve Fund pursuant to Section 909 of this Resolution.

(5) On December 1 of each year beginning in 1981 the Trustee shall pay to and deposit in the Debt Service Fund to the credit of the Principal and Interest Account all amounts in the Reserve Fund to the extent the value of the Reserve Fund is in excess of the Reserve Requirement.

(6) Whenever the Trustee shall determine that the total amount in the Reserve Fund, together with all amounts in the Debt Service Fund, will be sufficient to pay or to redeem or to provide for the payment or redemption of all the Outstanding Bonds, the Trustee shall pay to and deposit in the

Debt Service Fund to the credit of the Redemption Account such remaining amounts in the Reserve Fund.

(7) The Reserve Fund shall be separate and segregated from all other funds and accounts of the Authority or the Board. Cash funds and investments in the Reserve Fund shall never be commingled with other funds or accounts of the Authority or the Board for any purpose whatsoever.

603. *Lien and Security Interest in Debt Service Fund and Reserve Fund.* The Debt Service Fund, including all its accounts, and the Reserve Fund shall be funds held in trust for the Holders of the Bonds and coupons as provided in this Resolution. The Holders of the Bonds and coupons shall have and are granted a security interest in and lien upon all cash and investments of such Funds, and such Funds shall be applied solely as provided in this Resolution, except that only the Holders of Bonds and coupons of a particular Series shall have and are granted such a security interest in and lien upon amounts in the Capitalized Interest Account for that Series of Bonds. The security interests and liens described in this Section are valid and binding from the date the Bonds are issued, without any physical delivery or further action, and shall be valid and binding as against, and prior to any claim of all other parties having claims of any kind in tort, contract or otherwise against the State, the Authority, the Board, the City, or any other person, irrespective of whether such other parties have notice of the lien or security interest.

604. *Disposition of Bonds and Coupons Upon Payment.* All Bonds paid and redeemed, or purchased by the Trustee, under the provisions of this Resolution, either at or before maturity, together with all unmatured coupons, if any, pertaining to those Bonds, shall be cancelled when such payment, redemption or purchase is made, and such Bonds and coupons, unless then held by the Trustee, shall be delivered to the Trustee. All interest coupons shall be cancelled upon their payment and delivered to the Trustee. All cancelled Bonds and coupons shall from time to time, upon direction of an Authorized Officer, be cremated or otherwise destroyed by the Trustee. The Trustee shall execute a certificate of cremation or other destruction in duplicate describing the Bonds and coupons so cremated or otherwise destroyed, listing their numbers, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

Article VII

Security for Deposits and Investment of Funds

701. *Security for Deposits.* All moneys held under this Resolution by the Trustee or any Paying Agent shall be continuously and fully secured for the benefit of the Authority and the Holders of the Bonds and the coupons, as their respective interests may appear, by Investment Obligations of a market value equal at all times to the amount of the deposit so held by the Trustee. However, it shall not be necessary for the Trustee or any Paying Agent to give security for such amount of moneys as is insured by Federal deposit insurance, for the Trustee to give security for any moneys which shall be represented by Investment Obligations purchased under the provisions of this Resolution as an investment of such monies, or for any Paying Agent to give security for the deposit of any moneys held by it in trust for the Holders of Bonds and coupons.

702. *Investment of Funds and Accounts Held by the Trustee.* (1) Upon direction of an Authorized Officer, moneys in the Funds and Accounts established by this Resolution shall be invested by the Trustee in Investment Obligations so that the maturity date or date of redemption at the option of the holder of such Investment Obligations shall coincide, as nearly as practicable, with the times at which moneys in these Funds and Accounts will be required for the purposes provided in this Resolution.

(2) Moneys in the Reserve Fund shall be invested by the Trustee upon direction of an Authorized Officer, in Investment Obligations the maximum maturity of which shall not be more than ten (10) years from the date of such investment; provided, however, that at least 25% of the moneys in the Reserve Fund shall from time to time be invested in Investment Obligations the average maturity of which shall not be more than two (2) years from the date of any investment.

(3) Obligations purchased as an investment of moneys in any Fund or Account held by the Trustee under the provisions of this Resolution shall be deemed at all times to be a part of such Fund or Account and the income or interest earned by a Fund or Account due to the investment thereof shall be deposited in and credited to such Fund or Account.

(4) In computing the value of any Fund or Account held by the Trustee under the provisions of this Resolution, except the Reserve Fund, obligations purchased as an investment of moneys therein shall be valued at the cost or market price thereof, whichever is lower, exclusive of accrued interest. In computing the value of the Reserve Fund, obligations, purchased as an investment of moneys therein shall be valued at par, or if purchased at less than par, at their cost to the Authority.

(5) The Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made. The Trustee shall advise the Authority in writing, on or before the last day of each calendar month, of the details of all investments held for the credit of each Fund and Account in its custody under the provisions of this Resolution as of the end of the preceding month.

(6) The Trustee shall continuously invest all amounts deposited in a Capitalized Interest Account for a Series of Bonds in such Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution, as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution, until all the interest to be paid from the Account has been paid. The Trustee shall continuously invest all amounts deposited in the Reserve Fund from proceeds of any Series of Bonds for which interest is payable from a Capitalized Interest Account on December 1, 1980, or June 1, 1981, in Investment Obligations referred to in subparagraphs (a) or (d) of the definition of Investment Obligations in Section 101 of this Resolution as directed in writing by an Authorized Officer pursuant to Section 909 of this Resolution.

703. *Liability of Trustee for Investments.* The Authority shall authorize, direct and confirm in writing by an Authorized Officer, all investments by the Trustee. If the Authority fails to direct investments, the Trustee shall invest such amount at its discretion in such Investment Obligations as is permitted by this Resolution. The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions of this Article, in the manner provided in this Section, or for any loss resulting from any such investment so made, except for its own gross negligence or willful default.

Article VIII

The Trustee and Paying Agents

801. *Trustee; Appointment and Acceptance of Duties.* The First National Bank of Chicago, Chicago, Illinois is appointed Trustee under this Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed on it by this Resolution by a written instrument of acceptance deposited with the Authority prior to issuance of the first Series of Bonds.

802. *Paying Agents; Appointment and Acceptance of Duties.* (1) The Authority shall appoint one or more Paying Agents for the Bonds of any Series in the Series Resolution authorizing such Bonds, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 811 of this Resolution for the appointment of a successor Paying Agent. The Trustee may be appointed to act as Paying Agent notwithstanding that it may then be acting in the capacity of the Trustee. Moneys paid to Paying Agents pursuant to this Resolution shall be held in trust for the Holders of the Bonds and coupons and any risk of loss of such amounts shall be the risk of such Holders and not the Authority.

(2) Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by written instrument of acceptance deposited with the Authority and the Trustee.

(3) The corporate trust offices of the Paying Agents are designated as the respective agencies of the Authority for the payment of the interest and principal and Redemption Price of the Bonds, except that interest, principal and Redemption Price of all Bonds in fully registered form and principal and Redemption Price of all Bonds in coupon form registered as to principal (other than to bearer) shall be payable at the corporate trust office of the Trustee. Interest on Bonds in fully registered form shall be payable by check mailed by the Trustee to the Holders of those Bonds at their address as shown on the registry books of the Authority maintained at the Trustee.

803. *Responsibilities of Trustee and Paying Agents.* The recitals of fact in this Resolution, the Series Resolutions, the Tax Levy Ordinances and the Bonds shall be taken as the statements of the Authority (or the City Council in the case of the Tax Levy Ordinances), and neither the Trustee nor any Paying Agent assumes any responsibility for their correctness. Except as explicitly provided in this Resolution, neither the Trustee nor any Paying Agent shall be deemed to make any representations as to the validity or sufficiency of this Resolution, the Series Resolutions, the Tax Levy Ordinances or the Bonds or in respect of the security afforded by such documents. Except as explicitly provided in this Resolution, neither the Trustee nor the Paying Agent shall have any responsibility or duty with respect to the issuance of the Bonds or the application of the proceeds of the Bonds or the application of any moneys paid to the Board. Neither the Trustee nor any Paying Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of its duties and obligations under this Resolution, or to advance any of its own moneys unless properly indemnified to its reasonable satisfaction. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of its duties and obligations under this Resolution except for its own gross negligence or willful default or breach of trust. Neither the Trustee nor any Paying Agent shall have any responsibility or duty with respect to the application of any moneys paid by any of them to any other.

804. *Evidence on Which Trustee and Paying Agents May Act.* The Trustee and any Paying Agent may act upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties and shall not be liable for any such action. The trustee and any Paying Agent may consult with counsel of recognized competency in such matters who may or may not be counsel to the Authority, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee or any Paying Agent under this Resolution in good faith and in accordance with such opinion or advice. Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Resolution, any Series Resolution, or any Tax Levy Ordinance, such matter (unless other evidence is specifically prescribed by such document) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer of the Authority, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of such document, but in its discretion the Trustee or any Paying Agent may in lieu of such certificate accept other evidence of such fact or matter or may require such further or additional evidence as may seem reasonable to it. Except as otherwise expressly provided in this Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Resolution by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer.

805. *Compensation.* The Authority shall pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents and employees, incurred in the performance of their powers and duties under this Resolution. The Authority further agrees to defend, indemnify and save the Trustee or any Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under this Resolution, and which are not due to the Trustee's gross negligence or willful default. Such payment of fees and indemnification of the Trustee and each Paying Agent shall be from available funds of the Authority. The Trustee and the Paying Agents shall have no right to use any amounts in the Debt Service Fund or the Reserve Fund or to have any set-off, lien or other right to any such amounts for such purposes.

806. *Permitted Acts and Functions.* The Trustee and any Paying Agent may buy, own, hold and sell (including acting as an underwriter in respect of) any Bonds or other bonds or notes of the Authority; and may engage or be interested in any financial or other transaction with the Authority with the like effect and with the same rights as if it were not such Trustee or Paying Agent.

807. *Resignation or Removal of Trustee.* (1) The Trustee may at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal on any Bonds at maturity or on Sinking Fund Installment dates or to pay interest on any Bond as it comes due, resign and be discharged of the duties and obligations created by this Resolution by giving not less than sixty (60) days' written notice to the Authority and publishing notice of the resignation, specifying the date when such resignation shall take effect, once in a daily newspaper of general circulation in the City. Such resignation shall take effect upon the day specified in such notice unless

previously a successor shall have been appointed, as provided in Section 808 of this Resolution, in which event such resignation shall take effect immediately on the appointment of the successor.

(2) The Trustee shall be removed by the Authority if at any time the Authority is so requested by an instrument or concurrent instruments in writing filed with the Trustee and the Authority, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. The Authority may remove the Trustee at any time, except during such time as the Authority shall have failed to pay (and shall continue to fail to pay) principal of any Bond (at maturity or on Sinking Fund Installment dates) or to pay interest on any Bond as it falls due, for such cause as shall be determined by the Authority by filing with the Trustee an instrument of removal signed by an Authorized Officer of the Authority.

808. *Appointment of Successor Trustee.* In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Authority covenants and agrees that it will then by resolution appoint a successor Trustee. The Authority shall publish notice of any such appointment made by it in a daily newspaper of general circulation in the City, such publication in each case to be made within twenty (20) days after such appointment. The Authority shall also promptly give notice as to the appointment of the successor Trustee to the county collector of each county in which any taxable property in the City is located. If appointment of a successor Trustee shall not be made as required by the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Authority written notice, as provided in Section 807 of this Resolution, or after a vacancy in the office of the Trustee shall have otherwise occurred, the Trustee or any Holder of the Bonds may apply to any court of competent jurisdiction to appoint a successor Trustee. That court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee. A copy of the order of court so appointing successor Trustee shall be given promptly by an Authorized Officer to the county collector of each county in which any taxable property in the City is located. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company organized under the laws of the State of Illinois or a national banking association doing business and having its principal office in the City of Chicago, State of Illinois, and having a capital and undivided surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution.

809. *Transfer of Rights and Property to Successor Trustee.* Any successor Trustee appointed under this Resolution shall execute, acknowledge and deliver to its predecessor as Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property or right held by it under this Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in this Resolution. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Chairman or other Authorized Officer. Any successor Trustee shall promptly notify the Paying Agents of its appointment.

810. *Merger, Conversion or Consolidation.* Any company into which the Trustee or any Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee or any Paying Agent may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee or Paying Agent without the execution or filing of any paper or the performance of any further act, provided with respect to the Trustee that such company shall be a bank or trust company organized under the laws of the State, and otherwise qualifying under Section 808 of this Resolution for appointment as a Trustee and shall be authorized by law to perform all the duties imposed upon it by this Resolution.

811. *Resignation or Removal of Paying Agents and Appointment of Successors.* Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least sixty (60) days' written notice to the Authority and the Trustee. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Authority. Any successor Paying Agent shall be appointed by the Authority and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having a capital and surplus aggregating at least Twenty Million Dollars ($20,000,000), and willing and able to accept the office of Paying Agent or reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any monies held by it as Paying Agent to its successor, or if there be no successor then appointed, to the Trustee until such successor is appointed. At all times at least one Paying Agent shall be a bank or trust company which maintains its corporate trust office in the City. The Authority shall notify the Trustee as to the appointment of a successor Paying Agent.

812. *Powers of Bondholder or Trustee to Enforce Compliance.* The Trustee shall have all the rights duties and powers as provided in other sections of this Resolution. In addition, the Trustee shall have power, in its sole discretion, but shall not be obligated, to bring any legal proceedings on behalf of any Holders of the Bonds to enforce the provisions of the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance or any security for the Bonds or coupon as provided by such documents, but this provision shall not exclude any Holder of the Bonds from bringing any such legal proceedings in his or her own name. The Trustee and any Holder of the Bonds may bring any legal proceedings to compel the performance by any person of the obligations, duties and responsibilities imposed under the Act, the Resolution, any Series Resolution or any Tax Levy Ordinance or the Bonds. Those legal proceedings may include, without limitation, actions for injunctive or other equitable relief or for a writ or writs of mandamus.

It shall not be necessary in order for any such proceeding to be brought that Bonds have not then been paid as to principal due either at maturity or on Sinking Fund Installment dates or as to interest then due.

813. *Trustee's Annual Valuation of Funds and Report and Tax Levy Certificates.* As promptly as practicable after December 1 in each year (beginning in 1981) but in any event or on prior to December 15 of such year, the Trustee shall determine the value of the cash and investments in the Principal and Interest Account and the Reserve Fund and shall prepare and submit to the Authority a Trustee's Annual Report. The Trustee's Annual Report shall contain a full and complete report on all receipts and expenditures of all Funds and Accounts established under this Resolution and of all transfers between such Funds and Accounts for the year ending the previous November 30. The report shall also include all expenditures and transfers to be made in December of the year of the Report pursuant to paragraphs (4) and (11) of Section 601 and paragraph (5) of Section 602 of this Resolution. In addition, the Report shall state:

(a) The value of the Principal and Interest Account as of such December 1, after payment of the interest then due on the Bonds and after giving effect to any transfer in that December pursuant to paragraph (4) of Section 601 or to paragraph (5) of Section 602 of this Resolution.

(b) The value of the Reserve Fund as of such December 1 after giving effect to any transfer pursuant to paragraph (4) of Section 601 or paragraph (5) of Section 602 of this Resolution.

(c) The total amount of taxes received by the Trustee in all years prior to the date of the Report, shown by year of receipt.

(d) The total amount, if any, of all taxes required to be collected in the next calendar year pursuant to paragraph (3) of Section 906 of this Resolution.

904. *Security Interests and Liens.* It will not assign, pledge or grant a security interest in or lien upon any of its rights, claims or interests arising pursuant to any levy of taxes made pursuant to this Resolution with respect to the Bonds or in any present or future proceeds of such levies or in any Fund or Account created or established by this Resolution or any Series Resolution except as provided by this Resolution, for the payment of principal, Redemption Price or interest on the Bonds.

905. *Issuance of Additional Obligations.* (1) The Authority shall not create or permit the creation of or issue any obligations or create any indebtedness which will be secured by a lien upon or security interest in any rights, claims or interests of the Authority to any levy of taxes for payment of Bonds or in any present or future proceeds of those levies or by a lien upon or security interest in any Funds or Accounts created or established by or pursuant to Article VI of this Resolution, or which will be payable from the Debt Service Fund or the Reserve Fund, except that Series of Bonds may be issued from time to time pursuant to a Series Resolution under this Resolution on a parity with the Outstanding Bonds and secured by an equal and ratable charge and payable equally and ratably from the Debt Service Fund and Reserve Fund for any lawful purposes (except that Capitalized Interest Accounts shall be established for paying interest solely on particular Series of Bonds).

(2) No Series of Bonds shall be issued under this Resolution unless

(a) the principal amount of the Bonds then to be issued, together with the principal amount of the obligations of the Authority theretofore issued and outstanding, will not exceed in aggregate principal amount any limitation imposed by law;

(b) there is at the time of the issuance of such additional Bonds no deficiency in the amounts required by this Resolution or any Series Resolution to be paid into the Capitalized Interest Account for such additional Series of Bonds (as provided in Section 909 of this Resolution);

(c) the value of the Reserve Fund, upon the issuance and delivery of such additional Bonds and the depositing in the Reserve Fund of any amount provided so to be deposited by the Series Resolution authorizing the issuance of such additional Bonds, shall not be less than the Reserve Requirement;

(d) the Series Resolution authorizing the issuance of such Series of Bonds shall demand and direct the City Council of the City to levy taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution;

(e) the City Council of the City shall have duly adopted a Tax Levy Ordinance levying taxes sufficient to pay the Bonds of that Series as provided in Section 906 of this Resolution which Tax Levy Ordinance shall include as Exhibits a copy of this Resolution and a copy of the related Series Resolution (exhibits to a Series Resolution may be deleted from the copy attached to the Tax Levy Ordinance);

(f) certified copies of the Tax Levy Ordinance shall have been duly filed in the offices of the clerks and the collectors of each county in which any taxable property in the City is located;

(g) the various requirements specified in Section 204 for issuance of Bonds under this Resolution shall have been made with respect to such additional Bonds; and

(h) there shall be no maturity of any Serial Bonds or any Sinking Fund Installments on any Term Bonds of any Series on any date as to which interest on Bonds of that Series is to be paid from a Capitalized Interest Account.

(3) No Bonds, except Bonds issued to pay principal or interest on Bonds or to redeem Bonds (whether issued at or before the time of payment or redemption), to provide deposits to the Reserve Fund, or to pay costs of issuance, shall be issued after 1984.

906. *Levy of Taxes.* (1) Prior to the issuance of any Series of Bonds, the Authority shall by the Series Resolution authorizing that Series of Bonds, demand and direct the City Council of the City to provide by ordinance (the "Tax Levy Ordinance") for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named the Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of Bonds of that Series, at maturity or on Sinking Fund Installment dates, and to pay interest on Bonds of that Series as it falls due, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out or described in paragraphs (2) and (3) of this Section. Prior to the issuance of any such Series of Bonds, the City Council shall have adopted such a Tax Levy Ordinance with respect to such Series of Bonds.

(2) The Series Resolution and the Tax Levy Ordinance for such Series of Bonds shall specify the amounts of taxes to be levied for each year for the purpose of providing for the payment of the principal of Bonds at maturity or on Sinking Fund Installment dates, and for payment of interest on Bonds as it falls due. The amount of the tax which shall be so specified for the levy provided for each year shall be an amount (which dollar amount shall be stated in the Series Resolution and the related Tax Levy Ordinance) sufficient to produce a sum equal to the Debt Service Requirements on that Series of Bonds on December 1 of the year following the year of levy and on June 1 of the next succeeding year. No tax need be levied to pay any interest on any Bonds, which interest is to be paid from a Capitalized Interest Account as provided in Section 909 of this Resolution.

(3) The taxes which the Series Resolution shall provide to be collected and which the Tax Levy Ordinance shall levy for the purpose of paying and discharging the principal of the Bonds at maturity or on Sinking Fund Installment dates and paying interest on the Bonds as it falls due, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional sums provded in this paragraph (3). These amounts shall be in addition to the dollar amounts specifically required by paragraph (2) of this Section to be set forth. The additional amounts provided in this paragraph shall be collected in each year while any of the Bonds are outstanding and unpaid, either as to principal or interest, beginning with the tax levy for 1981. The additional amount required by this paragraph (3) to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on that Series of Bonds authorized by that Series Resolution through December 1 of such levy year, less an amount equal to the interest paid from a Capitalized Interest Account shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the Tax Levy Ordinance with respect to that Series of Bonds (including taxes levied pursuant to this paragraph) for all years up to and through December 1 of such levy year.

Section 813 of this Resolution provides for the Trustee to file statements in December of each year (beginning in 1981) as to the amount of taxes to be included in the levy under this paragraph in the year of filing. The failure of the Trustee to file the certificate referred to in that Section 813 shall not affect the validity of the levy of taxes as provided for by this paragraph and whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City shall be located shall be directed by the Tax Levy Ordinances to cause to be extended and collected all the amounts provided to be collected in each year pursuant to this paragraph and the Tax Levy Ordinances.

(4) After the adoption and effectiveness of this Resolution, and each Series Resolution, the Secretary of the Authority shall cause to be filed a copy of each such resolution duly certified by or on behalf of the Secretary of the Authority with the City Clerk of the City. After the adoption and effectiveness of any Tax Levy Ordinance, the City Clerk of the City shall cause copies of that Tax Levy Ordinance, duly certified by or on behalf of that officer, to be filed in the offices of the county clerks and county collector of each county in which any taxable property in the City is located. Upon filing of such copies of the Tax Levy Ordinance with the offices of such county clerks, it shall be the duty of those county clerks to extend the taxes so levied by that Tax Levy Ordinance, all as provided in the Act, the Series Resolution, this Resolution and the Tax Levy Ordinance. Except as specifically provided in this Resolution, the taxes so to be levied as provided in this Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this Resolution, the Series Resolutions and Tax Levy Ordinances shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

(5) In extending the taxes provided by this Resolution and the Series Resolutions to be levied and the taxes levied by Tax Levy Ordinances, the county clerks of each county in which any taxable property in the City is located, shall include in each year an amount to cover loss and cost of collection

and anticipated deferred collections of the taxes so levied. Such amount shall be determined by the Authority pursuant to the Act, this Resolution and the Series Resolutions. The amount so determined by the Authority shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Act, this Resolution, the Series Resolutions and the Tax Levy Ordinances. Each Series Resolution shall determine the amounts so to be included in each extension year as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books, for such years. The amounts so determined shall be based on the actual recent experience of tax collections of levies of taxes in the City, as of the adoption of the Series Resolution giving account to the time in which levies for any year have been collected. The amounts as so determined by any Series Resolution for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of this Resolution.

(6) The taxes to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be in addition to and exclusive of the maximum of all other taxes which the Authority, the Board or the City Council of the City is now, or may hereafter be, authorized by law to levy for any and all school (or any other) purposes. The taxes so to be levied as provided in this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be separate and apart from all other taxes of the Authority, the Board and the City and shall be separately identified as such by the proper tax collectors for such taxes.

(7) While any Bonds remain Outstanding and unpaid, the tax levies to be made as provided by this Resolution, the Series Resolutions and the Tax Levy Ordinances shall be for the sole benefit of the Holders of the Outstanding Bonds and the coupons pertaining to such Bonds and such Holders shall have and are granted a security interest in, and a lien upon, all rights, claims and interests of the Authority arising pursuant to those levies and all present and future proceeds of such levies. The security interest in and lien upon those rights, claims and interests are valid and binding from the time the Bonds are issued, without any physical delivery or further act, and shall be valid and binding as against, and prior to any clams of, all other parties having claims, if any, of any kind in contract, tort or otherwise against the State, the Authority, the Board or the City, or any other person, irrespective of whether such other parties have notice of such lien or security interest.

(8) Upon all Bonds of any Series being paid in full as to both principal and interest, or provision having been made for such payment as provided in Section 1101 of this Resolution, the Trustee shall give notice of that fact to the country clerks of each county in which any taxable property of the City is located, and all further taxes levied pursuant to the Series Resolution and the Tax Levy Ordinance for that Series of Bonds shall then be abated. However, if any Series of Bonds are issued to refund any Outstanding Bonds, the Series Resolution and the Tax Levy Ordinance for that refunding Series of Bonds may provide that the taxes which have been levied pursuant to the Series Resolution and Tax Levy Ordinance for the Bonds being refunded for years prior to the year in which the Tax Levy Ordinance for the refunding Bonds is adopted and filed with the appropriate county clerks, will continue to be extended, collected and paid to the Trustee and deposited in the Debt Service Fund. The amount of any such levy in a prior year for Bonds being refunded which shall not be required to pay principal on those Bonds being refunded at maturity or on Sinking Fund Installment dates or interest on those Bonds being refunded as it falls due may reduce the required amounts of taxes to be levied for the refunded Bonds for those years.

(9) As to tax payments made with respect to estimated tax bills which are computed on the basis of a prior year's extension of taxes, the county collectors of taxes are directed to pay to the Trustee not less than the percentage of such tax receipts which the prior year's extension of levies for the Bonds was of all extensions of taxes of the Authority in that prior year.

(10) All proceeds from the levy of any taxes by any Tax Levy Ordinance shall be deposited by the County Collector of each county in which any taxable property in the City is located directly in the Debt Service Fund with the Trustee and shall be applied, as provided by this Resolution, solely for the payment and discharge of the Bonds (at maturity or on Sinking Fund Installment dates) and of interest on the Bonds as it falls due, or for the redemption of purchase of Bonds as provided by this Resolution or for transfer to the Reserve Fund as provided by this Resolution and shall not be used for any other purpose.

907. *Abatement of Taxes.* The Authority will not repeal, abate or reduce the taxes levied pursuant to the Act, this Resolution, any Series Resolution or any Tax Levy Ordinance, or otherwise take any action to restrict the extension and collection of those taxes, except that the Authority may take action to cause those taxes to be abated to the following extent:

(a) The Authority may abate any such taxes to the extent that taxes are levied to pay principal of or interest on Bonds which at the time of the abatement shall have been paid or redeemed in full as to both principal and interest or for the payment or redemption of which provision shall have been made as provided in Article XI of this Resolution;

(b) The Authority may abate any such taxes as provided pursuant to Section 601 of this Resolution.

908. *Allowance for Loss.* (1) Pursuant to Section 906 of this Resolution the Authority is required in each Series Resolution to determine an amount to be included in the extension of taxes levied by the related Series Tax Levy Ordinance, for an allowance for loss and cost of collection and anticipated deferred collections of those taxes. The allowance for such loss and cost of collection and anticipated deferred collections is to be expressed as a percentage of the taxes required to be produced in any year, all as provided in Section 906 of this Resolution.

(2) The Authority may, and when required by this Resolution shall, in accordance with this Section from time to time by resolution modify the determination of the allowance for loss and cost of collection and anticipated deferred collections made by a Series Resolution. In December of each year, beginning in 1981, the Authority shall by resolution determine whether to modify the allowance for loss and cost of collection and anticipated deferred collections for all those taxes to be extended in any future year or years. The Series Resolution may contain restrictions on the powers of the Authority to reduce the allowance as determined by that Series Resolution. A certified copy of any resolution of the Authority modifying the determination of the allowance for loss and cost of collection and anticipated deferred collections shall be filed by the Secretary of the Authority or an Authorized Officer in the offices of the county clerks of each county in which any taxable property in the City is located prior to December 31 of the year in which the resolution is adopted.

(3) The allowance for loss and cost of collection and anticipated deferred collections for any extension of taxes levied with respect to any Series of Bonds for any year shall not in any event be less than the percentage which would have been needed to be added to the total of all property taxes collected in the City for the second full

calendar year preceding the year of extension to equal the total of the gross property taxes in the City extended in such preceding calendar year. In any event, the Authority shall for each tax levy with respect to each Series of Bonds for each year determine an allowance for loss and cost of collection and anticipated deferred collections of taxes of an amount which the Authority shall by resolution find to be sufficient so that the amounts of taxes to be collected will produce the amounts required to be produced pursuant to this Resolution.

909. *Capitalized Interest.* (1) Each Series Resolution authorizing any Series of Bonds shall determine the interest payment dates on which interest from the Bonds of that Series shall be paid from a Capitalized Interest Account for that Series of Bonds. All interest payable on any interest payment date on or prior to the June 1 of the year succeeding the year of the first levy of taxes with respect to that Series of Bonds shall be paid from a Capitalized Interest Account (execpt, with respect to a Series of Bonds issued to refund Outstanding Bonds, to the extent that taxes levied for the Outstanding Bonds being refunded will be available for payment of interest on the refunding Bonds).

(2) Upon the issuance of any Series of Bonds there shall be deposited into the Capitalized Interest Account for that Series of Bonds, from the proceeds of that Series, an amount as shall be sufficient to purchase Investment Obligations of any types described in subparagraphs (a) or (d) of paragraph 15 of Section 101 of this Resolution as shall be designated in writing to the Trustee by an Authorized Officer, the principal of and interest on which, when due, will provide money which (when added to any money to be transferred to the Capitalized Interest Account for that Series from the Reserve Fund) will produce money sufficient to pay interest on the Bonds of that Series on the interest payment dates on which interest is to be paid from that Capitalized Interest Account. The amount of money which shall be treated as transferable from the Reserve Fund shall be calculated on the basis of the amount of interest and investment earnings to be received in time to make such transfer on Investment Obligatons to be purchased by the Trustee as designated in writing by an Authorized Officer from amounts deposited in the Reserve Fund from proceeds of such Bonds.

910. *Arbitrage.* The Authority will not use or invest any proceeds of the sale of any of the Bonds or any other funds in any manner which would cause any Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated under that Section.

911. *Application of Taxes, Funds and Accounts.* The Authority shall faithfully apply pursuant to the terms of this Resolution all proceeds of taxes levied with respect to the Bonds and all moneys and Investment Obligations in the Debt Service Fund and the Reserve Fund pursuant to this Resolution and the Series Resolution.

912. *Payment of Trustee and Paying Agents.* The Authority will promptly pay all amounts owed by it under this Resolution to the Trustee and the Paying Agents.

Article X

Series Resolutions and Supplemental Resolutions

1001. *Adoption and Filing.* The Authority may adopt at any time or from time to time Series Resolutions to provide for the issuance of a Series of Bonds in accordance with the provisions of this Resolution and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed. The Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes:

(1) To add additional covenants and agreements of the Authority for the purpose of further securing the payment of the Bonds, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Authority contained in this Resolution;

(2) To prescribe further limitations and restrictions upon the issuance of Bonds and the incurring of indebtedness by the Authority which are not contrary to or inconsistent with the limitations and restrictions on such issuance or incurring of indebtedness in effect prior to the adoption of such Supplemental Resolution;

(3) To surrender any right, power or privilege reserved to or conferred upon the Authority by the terms of this Resolution;

(4) To confirm as further assurance any covenant, lien or security interest created or recognized by the provisions of this Resolution;

(5) To take any further action necessary or desirable for the levy, collection and application of taxes sufficient to pay the Bonds as to principal at maturity or on Sinking Fund Installment dates and to pay interest on the Bonds as it falls due;

(6) With the consent of the Trustee, to correct any ambiguity or defect or inconsistent provisions in this Resolution or any Series Resolution or to insert such provisions clarifying matters or questions arising under this Resolution or any Series Resolution as are necessary or desirable in the event any such modifications are not contrary to or inconsistent with this Resolution or such Series Resolution as in effect prior to the adoption of any such Supplemental Resolution; or

(7) To create one or more sub-accounts within the Principal and Interest Account, to provide for the crediting of amounts in the Principal and Interest Account to the various sub-accounts and to provide for the order in which amounts in the various sub-accounts shall be applied for the purposes for which the Principal and Interest Account is to be applied as provided in this Resolution; provided, however, that a Supplemental Resolution adopted pursuant to this paragraph (7) shall not in any way affect the rights or duties of the Authority or the Trustee to pay amounts to, deposit in or credit them to the Principal and Interest Account or to apply amounts in that Account at the times, in the manner and for the purposes all as provided in this Resolution.

Any Series Resolution or Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy certified by an Authorized Officer.

1002. *General Provisions Relating to Series Resolutions and Supplemental Resolutions.* This Resolution shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article X. Nothing contained in this Article X shall affect or limit the right or obligation of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions of Section 903 of this Resolution or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in this Resolution provided or permitted to be delivered to the Trustee or any Paying Agent. A copy of every Supplemental Resolution adopted by the Authority when filed with the Trustee shall be accompanied by a Counsel's Opinion stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the Act as amended to the date of the Counsel's Opinion, is authorized or permitted by the Act as so amended and by this Resolution and is valid and binding upon the Authority. The Trustee is authorized to accept delivery of a certified copy of any Series Resolution or Supplemental Resolution permitted or authorized pursuant to the provisions of this Resolution and to make all further agreements and stipulations which may be contained in that Series Resolution or Supplemental Resolution. In taking such action, the Trustee shall be fully protected in relying on Counsel's Opinion that such Series Resolution or Supplemental Resolution is authorized or permitted by the provisions of this Resolution. No Series Resolution or Supplemental Resolution changing, amending or modifying any of the rights, duties or obligations of the Trustee or any Paying Agent may be adopted by the Authority without the written consent of the Trustee or Paying Agent affected by the Series Resolution or Supplemental Resolution.

Article XI

Defeasance

1101. *Defeasance.* (1) If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds and coupons then Outstanding, the principal and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated in the Bonds, the Bond Resolution and the Series Resolutions, then and in that event the covenants, agreements and other obligations of the Authority to the Holders of the Bonds and the coupons pertaining to the Bonds, shall be discharged and satisfied. In such event, the Trustee shall, upon request of the Authority, execute and deliver to the Authority all such instruments as may be desirable to evidence such release and discharge and the Trustee and the Paying Agent shall pay over or deliver to the Authority all monies or securities held by them pursuant to the Bond Resolution which are no longer required for the payment or redemption of Bonds or coupons not theretofore surrendered for such payment or redemption.

(2) Bonds or coupons for the payment or redemption of which monies shall have been set aside and shall be held in trust by the Trustee or any Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101. All Outstanding Bonds of any Series and all coupons pertaining to those Bonds shall, prior to their maturity or redemption date, be deemed to have been paid within the meaning and with the effect expressed in paragraph (1) of this Section 1101 if (a) there shall have been deposited with such Trustee or Paying Agents either monies in an amount which shall be sufficient, or Investment Obligations the principal of and interest on which when due will provide monies which, when added to the monies, if any, deposited with such Trustee or Paying Agents at the same time, shall be sufficient to pay the principal of those Bonds at maturity or on Sinking Fund Installment dates or the Redemption Price, if applicable, and interest due and to become due on those Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (b) in case any of the Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to publish as provided in Article IV of this Resolution notice of redemption on that date of such Bonds, and (c) in the event those Bonds are not by their terms subject to redemption and do not mature within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to publish, as soon as practicable, at least twice, at an interval of not less than seven days between publication, in a daily newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York a notice to the Holders of such Bonds and coupons that the deposit required by (b) above has been made with the Trustee and that those Bonds and coupons are deemed to have been paid in accordance with paragraph (1) of this Section 1101 and stating such maturity or redemption date upon which monies deposited with the Trustee pursuant to principal or Redemption Price, if applicable, on those Bonds. Neither Investment Obligations nor monies deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on those Bonds; provided that any cash received from such principal or interest payments on such Investment Obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Investment Obligations maturing at times and in principal amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on those Bonds on and prior to such redemption date or maturity date thereof, as the case may be.

(3) Anything in the Bond Resolution to the contrary notwithstanding, any moneys held by the Trustee or Paying Agents in trust for the payment and discharge of any of the Bonds or coupons which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or Paying Agents at such date, or for six years after the date of deposit of such moneys if deposited with the Trustee or Paying Agents after the date when the Bonds became due and payable, shall, at the written request of the Authority, be repaid by the Trustee or Paying Agents to the Authority, as its absolute property and free from trust, and the Trustee or Paying Agents shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Authority for the payment of such Bonds and coupons; provided, however, that before being required to make any such payment to the Authority, the Trustee or Paying Agents shall, at the expense of the Authority, cause to be published at least twice, at an interval of not less than seven days between publications, in a daily newspaper of general circulation in the City and in a financial newspaper of general circulation in the City of New York, a notice that those moneys remain unclaimed and that, after a date named in the notice, which date shall be not less than 30 days after the date of the first publication of the notice, the balance of such moneys then unclaimed will be returned to the Authority.

(4) For the purpose of this Section 1101 Investment Obligations shall mean only direct obligations of the United States of America.

103. *Findings.* It is found and declared as follows:

(a) The Board of Directors of the Authority, by the Bond Resolution, has created and established an issue of General Obligation School Assistance Bonds of the Authority.

(b) The Bond Resolution authorizes the issuance of General Obligation School Assistance Bonds in one or more Series pursuant to Series Resolutions authorizing Series of Bonds.

(c) It is necessary and required that the Authority issue at this time a Series of Bonds to be designated "General Obligation School Assistance Bonds, 1980 Series B" to provide moneys to carry out certain of the purposes of the Authority.

(d) The Bridge Notes have been issued by the City and remain outstanding. The proceeds of the Bridge Notes were advanced by the City to the Board to provide financing to the Board for various purposes. The Board Notes were issued by the Board to evidence the advance of proceeds of Bridge Notes to the Board, and the Board Notes remain outstanding. As security for the Bridge Notes, the City pledged and assigned the Board Notes to the Trustee for the Bridge Notes. The Board Notes and the Bridge Notes are each prepayable in whole or in part at any time. Contemporaneously with the receipt of any prepayment of Board Notes, the City must apply such amount to the prepayment of Bridge Notes. It is in the best interests of the Authority and the public that a portion of the Board Notes (and thereby an equal amount of the Bridge Notes) be prepaid. Notice of prepayment of portions of the Board Notes and the Bridge Notes have been given by the Board and the City, respectively.

(e) It is necessary and in the best interests of the Authority and the public for the Authority to borrow the sum of $150,000,000 and in evidence of its obligation to repay that borrowing to issue the Series B Bonds, as provided in this 1980 Series B Resolution, and for the Authority to use the amounts received from the sale of the 1980 Series B Bonds, all as provided in this 1980 Series B Resolution. The only previous issue of any notes or bonds of the Authority is its issue of $220,000,000 General Obligation School Assistance Bonds, 1980 Series A, issued under the Bond Resolution.

(f) The Chairman has notified the President of the Board of the intention of the Authority to issue the Series B Bonds as provided in this 1980 Series B Resolution. The President of the Board has delivered to the Authority a certificate stating that any proceeds of the Series B Bonds which are made available to the Board will be used by the Board only for the lawful purposes set forth in Section 34A-501 of The School Code, as amended. That certificate, which is on file with the Secretary of the Authority, is in a form acceptable to the Authority.

(g) The Authority has advertised for proposals to purchase the 1980 Series B Bonds. Those advertisements appeared, among other places, in *The Chicago Tribune*, a daily newspaper published in the City, and in *The State Journal-Register*, a daily newspaper published in the City of Springfield, Illinois. Each of those advertisements was published not less than ten days prior to the date of the opening of the bids for the 1980 Series B Bonds. In addition, the Authority has caused there to be distributed to prospective purchasers of the 1980 Series B Bonds, a Preliminary Official Statement and a Notice of Sale and Official Bid Form.

(h) The Authority has received .... sealed bids for the 1980 Series B Bonds. The bid of ...., a copy of which bid is attached as Exhibit A and is made a part of this 1980 Series B Resolution, is the highest and best bid. It is in the best interests of the Authority and the public for the Authority to accept that bid and to issue and deliver the 1980 Series B Bonds to the purchasers listed in that bid, all in accordance with the terms of the bid and with this 1980 Series B Resolution.

(i) It is necessary and in the best interests of the Authority and the public for the Authority to demand and direct the City Council of the City to provide by ordinance for the levy and collection of direct annual taxes sufficient to pay the principal of and interest on the 1980 Series B Bonds, all as provided in the Act, the Bond Resolution and this 1980 Series B Resolution, and for the Authority to determine an amount for loss and cost of collection of taxes and anticipated deferred collection of taxes, as extended on the collectors' books, all as provided in the Act, the Bond Resolution and this 1980 Series B Resolution.

Article III

Disposition of 1980 Series B Bond Proceeds

301. *Prepayment of Board Notes; School Assistance Fund.* Upon receipt of the proceeds of the sale of the 1980 Series B Bonds, the Authority shall apply all amounts available from those proceeds, other than amounts which are required by this Article to be deposited in other funds and accounts, to the prepayment of the greatest principal amount of Board Notes, together with interest accrued thereon to the date of prepayment, which can be prepaid with those proceeds (and thereby to prepay an equal principal amount of the Bridge Notes and interest accrued thereon to the date of prepayment). Such amounts shall be applied to the prepayment of the particular issues and maturities of Board Notes specified in the notice of prepayment thereof given by the Board. Any amount of such proceeds which are not required to be deposited in other funds and accounts, and which cannot be applied to prepayment of Board Notes as provided in the preceding sentence because of requirements that Board Notes and Bridge Notes be prepaid as to principal only in integral multiples of $1,000, shall be deposited in the School Assistance Fund and expended for paying to the Board money for ordinary and necessary expenditures for educational purposes, maintenance of school facilities and other operational needs of the Board, all as provided by Section 502 of the Bond Resolution.

302. *Reserve Fund.* Upon receipt of the proceeds of the sale of the 1980 Series B Bonds, the Authority shall deposit in the Reserve Fund the sum of $.................. derived from such proceeds.

303. *Cost of Issuance Account.* There is created and established a separate account to be deposited with and held by the Trustee, pursuant to Section 503 of the Bond Resolution, and designated the 1980 Series B Cost of Issuance Account. Upon receipt of the proceeds of sale of the 1980 Series B Bonds, the Authority shall deposit in the 1980 Series B Cost of Issuance Account the sum of $.................. derived from such proceeds to be used for the purpose of paying the Costs of Issuance of the 1980 Series B Bonds, all pursuant to Section 503 of the Bond Resolution.

304. *Capitalized Interest Account.* There is established and created a separate account in the Debt Service Fund pursuant to Section 601 of the Bond Resolution and designated the 1980 Series B Bond Capitalized Interest Account. Upon receipt of the proceeds of sale of the 1980 Series B Bonds, the Authority shall deposit in the Debt Service Fund to the credit of the 1980 Series B Capitalized Interest Account an amount derived from those proceeds which, when invested as provided in Section 305 of this 1980 Series B Resolution, shall be sufficient, together with interest and investment earnings to be received on investments of such amount and with amounts to be transferred to that Account from the Reserve Fund as provided in the Bond Resolution and Section 305 of this 1980 Series B Resolution, to pay the interest on the 1980 Series B Bonds as it falls due on December 1, 1980 and June 1, 1981.

305. *Investments of Capitalized Interest Account and Reserve Fund.* All amounts provided by this Article III to be deposited in the Reserve Fund and to be deposited in the Debt Service Fund to the credit of the 1980 Series B Capitalized Interest Account shall be invested by the Trustee in Investment Obligations of the type referred to in subparagraphs (a) and (d) of the definition of Investment Obligations in Section 101 of the Bond Resolutions as shall be stated in writing by an Authorized Officer to the Trustee at or prior to the Issuance of the 1980 Series B Bonds. Such amounts so to be invested shall be continuously invested only in those Investment Obligations through June 1, 1981, so that the amount of money available in the 1980 Series B Capitalized Interest Account (including interest and investment earnings to be received on amounts so invested in that Account and also including amounts transferred to that Account pursuant to Section 602 of the Bond Resolution from interest and investment earnings to be received on amounts deposited in the Reserve Fund) shall be sufficient to pay the interest on the 1980 Series B Bonds in full, as it comes due, on December 1, 1980 and June 1, 1981. At or prior to the issuance of the 1980 Series B Bonds, an Authorized Officer shall direct the Trustee to invest such amounts in the 1980 Series B Capitalized Interest Account and the Reserve Fund, and shall provide a schedule listing such investments and showing that the principal and interest coming due on the Investment Obligations so to be purchased from deposits in the 1980 Series B Capitalized Interest Account and the interest and investment earnings to be received on Investment Obligations to be purchased from the 1980 Series B Bonds proceeds deposited in the Reserve Fund will be sufficient, without further reinvestment, to pay interest on

the 1980 Series B Bonds as it falls due on December 1, 1980 and June 1, 1981 (together with a statement of a firm of independent certified public accountants retained by the Authority verifying the mathematical computations in the schedule).

Principal, redemption price, if any, and interest on this Bond are payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. The interest on this Bond and the principal and redemption price, if any, of this Bond, if not registered as to principal, are payable at the corporate trust office of The First National Bank of Chicago, in the City of Chicago, Illinois, or, at the option of the holder, at the corporate trust office of Morgan Guaranty Trust Company of New York, in the City of New York, New York, as Paying Agents. If this Bond is registered as to principal other than to bearer, the principal and redemption price, if any, of this Bond are payable at the corporate trust office of The First National Bank of Chicago, in the City of Chicago, Illinois, as Trustee.

This Bond is one of a duly authorized issue of bonds of the Authority designated "General Obligation School Assistance Bonds" (the "Bonds"), issued and to be issued in various series under and pursuant to the School Finance Authority Act of the State of Illinois (the "Act") and under and pursuant to the School Assistance Bond Resolution of the Authority duly adopted April 29, 1980 (the "Bond Resolution"), series resolutions authorizing each such series, and ordinances of the City Council of the City of Chicago levying taxes to pay principal of and interest on the Bonds.

This Bond is one of a series of Bonds designated "General Obligation School Assistance Bonds, 1980 Series B (the "1980 Series B Bonds"), issued in the aggregate principal amount of $150,000,000 under the Bond Resolution and a series resolution authorizing the issuance of such series (the "1980 Series B Resolution"). As provided in the Bond Resolution, the Bonds may be issued from time to time pursuant to series resolutions in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and, subject to the provisions of the Bond Resolution, may otherwise vary. The aggregate principal amount of Bonds which may be issued under the Bond Resolution is not limited except as provided in the Bond Resolution and the Act, as amended from time to time, and all Bonds issued and to be issued under the Bond Resolution are and will be equally and ratably secured by the covenants, liens and security interests made or provided for in the Bond Resolution (except as to Capitalized Interest Accounts which are for the purpose of paying interest on particular Series of Bonds).

The 1980 Series B Bonds are general obligations of the Authority. To the payment when due of the interest on the 1980 Series B Bonds and of the principal of the 1980 Series B Bonds, at stated maturity or on sinking fund installment dates, the full faith and credit of the Authority are irrevocably pledged. The 1980 Series B Bonds are not obligations of the City of Chicago (the "City"), the Board of Education of the City (the "Board"), the State of Illinois (the "State") or any other political subdivision of the State (other than the Authority) or any charge upon the general credit or against the taxing power of the City, the Board, the State or any other political subdivision of the State (other than the Authority).

The 1980 Series B Bonds are issued for the purpose of providing funds to be applied to the prepayment of a portion of the outstanding 9.75% General Obligation Notes of the Board, issued on February 1, 1980 (and thereby an equal amount of the outstanding 9.75% Special Obligation School Tax Anticipation Notes of the City, issued on February 1, 1980), for the purpose of paying interest on 1980 Series B Bonds, for the purpose of depositing in the debt service reserve fund established under the Bond Resolution an amount to secure the Bonds, and for the purpose of paying costs of issuance of the 1980 Series B Bonds, all as provided by the Act, the Bond Resolution and the 1980 Series B Resolution. The 1980 Series B Bonds have been issued by the Authority upon full payment for the 1980 Series B Bonds as provided in the 1980 Series B Resolution.

The City Council of the City has by duly adopted ordinances levied direct annual taxes upon all taxable property in the City sufficient to pay the interest on the outstanding Bonds issued under the Bond Resolution, including the 1980 Series B Bonds, as it falls due and to pay the principal of the outstanding Bonds, including the 1980 Series B Bonds, at maturity or on sinking fund installment dates. The 1980 Series B Bonds, together with the outstanding Bonds issued under the Bond Resolution and such additional Bonds which subsequently may be issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution or the 1980 Series B Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the 1980 Series B Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

1980 Series B Bonds maturing on or after June 1, 1991, are subject to redemption at the option of the Authority as a whole, or in part in the inverse order of maturity and by lot within a maturity, if less than a whole maturity is redeemed, on any interest payment date on or after June 1, 1990, at the respective redemption prices (expressed as percentages of the principal amounts of the 1980 Series B Bonds to be redeemed) on the dates, all as set forth below, plus interest accrued on such 1980 Series B Bonds to the date fixed for redemption:

Redemption Dates	*Redemption Prices*

On June 1 or December 1, 1994	101 %
On June 1 or December 1, 1995	100½%
On June 1, 1996 and each interest payment date thereafter	100 %

1980 Series B Bonds maturing on June 1, ..., are subject to mandatory redemption in part on June 1, ... and on each June 1 thereafter to and including June 1, ..., at their principal amount plus accrued interest, without premium, in the amounts of the sinking fund installments for each of such years as set forth in the 1980 Series B Resolution.

Notice of redemption of any of the 1980 Series B Bonds shall be published once a week for at least two successive weeks, in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York. The first such publication shall be made not less than thirty nor more than sixty days prior to the date fixed for redemption. When any of the 1980 Series B Bonds, including this Bond, shall have been called for redemption, and payment made or provided for, interest thereon shall cease to accrue from and after the date so specified.

It is certified and recited that all acts, conditions and things required to be done, to happen, or to be performed precedent to and in the issuance of this Bond, have been done, have happened and have been performed in regular and due form of law. The Authority covenants with the holder of this Bond that it will keep and perform all covenants and agreements contained in the Bond Resolution and the 1980 Series B Resolution.

This Bond is transferable by delivery except when registered as to principal otherwise than to bearer. It may be registered as to principal in the name of the owner on the books of the Authority kept for the purpose at the corporate trust office of the Trustee, such registration to be noted on this Bond, after which no transfer of this Bond shall be valid unless made on those books by the registered owner in person, or by such owner's attorney duly authorized in writing, and similarly noted on the Bond; but this Bond may be discharged from registration by being in like manner registered to bearer, after which it shall again become transferable by delivery; and this Bond may again and from time to time be registered or discharged from registration in the same manner. Registration of this Bond shall not affect the negotiability of the coupons, which shall continue to be payable to bearer and be transferable by delivery.

The 1980 Series B Bonds are issuable in coupon form, registrable as to principal only, in the denomination of $5,000, and in fully registered form without coupons in denominations of $5,000 and integral multiples thereof. Subject to the limitations and upon payment of the charges provided in the Bond Resolution, 1980 Series B Bonds in fully registered form without coupons may be exchanged for a like aggregate principal amount of 1980 Series B Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) or for a like aggregate principal amount of 1980 Series B Bonds in fully registered form without coupons of other authorized denominations, and 1980 Series B Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) may be exchanged for a like aggregate principal amount of 1980 Series B Bonds in fully registered form without coupons of authorized denominations.

This Bond and the coupons pertaining to it shall not be valid for any purpose until the certificate of authentication on this Bond shall have been executed by the Trustee.

In Witness Whereof, the Authority has caused this Bond to be executed by the facsimile signatures of its Chairman and Secretary, its corporate seal to be affixed hereto (or a facsimile thereof printed hereon), and the coupons hereto attached to be executed by the facsimile signatures of its Chairman and Secretary, this Bond being dated July 1, 1980.

To the payment when due of the interest on the 1980 Series B Bonds and of the principal of the 1980 Series B Bonds, at stated maturity or on sinking fund installment dates, the full faith and credit of the Authority are irrevocably pledged. The 1980 Series B Bonds are not obligations of the City of Chicago (the "City"), the Board of Education of the City (the "Board"), the State of Illinois (the "State") or any other political subdivision of the State (other than the Authority) or any charge upon the general credit or against the taxing power of the City, the Board, the State or any other political subdivision of the State (other than the Authority).

The 1980 Series B Bonds are issued for the purpose of providing funds to be applied to the prepayment of a portion of the outstanding 9.75% General Obligation Notes of the Board, issued on February 1, 1980 (and thereby an equal amount of the outstanding 9.75% Special Obligation School Tax Anticipation Notes of the City, issued on February 1, 1980), for the purpose of paying interest on 1980 Series B Bonds, for the purpose of depositing in the Debt Service fund established under the Bond Resolution an amount to secure the Bonds, and for the purpose of paying costs of issuance of the 1980 Series B Bonds, all as provided by the Act, the Bond Resolution and the 1980 Series B. Resolution. The 1980 Series B Bonds have been issued by the Authority upon full payment for the 1980 Series B Bonds as provided in the 1980 Series B Resolution.

The City Council of the City has by duly adopted ordinances levied direct annual taxes upon all taxable property in the City sufficient to pay interest on the outstanding Bonds issued under the Bond Resolution, including the 1980 Series B Bonds, as it falls due and to pay the principal of the outstanding Bonds, including the 1980 Series B Bonds, at maturity or on sinking fund installment dates. The 1980 Series B Bonds, together with the outstanding Bonds issued under the Bond Resolution and such additional Bonds which subsequently may be issued under the Bond Resolution, are payable solely from taxes levied or to be levied to pay the principal of and interest on such Bonds and from funds and revenues as provided in the Bond Resolution and the series resolutions. Nothing in this Bond or in the Bond Resolution or the 1980 Series B Resolution prohibits the use for such payment of any funds which lawfully may be used for that purpose.

The issuance by the Authority of the 1980 Series B Bonds will not cause the Authority to exceed or violate any applicable limitation or condition regarding the issuance of obligations of the Authority imposed by the Constitution or laws of the State.

1980 Series B Bonds maturing on or after June 1, 1991, are subject to redemption at the option of the Authority as a whole, or in part in the inverse order of maturity and by lot within a maturity, if less than a whole maturity is redeemed, on any interest payment date on or after June 1, 1990, at the respective redemption prices (expressed as percentages of the principal amounts of the 1980 Series

B Bonds to be redeemed) on the dates, all as set forth below, plus interest accrued on such 1980 Series B Bonds to the date fixed for redemption:

Redemption Dates	*Redemption Prices*

On June 1 or December 1, 1991	102½%
On June 1 or December 1, 1992	102 %
On June 1 or December 1, 1993	101½%
On June 1 or December 1, 1994	101 %
On June 1 or December 1, 1995	100½%
On June 1, 1996 and each interest payment date thereafter	100 %

1980 Series B Bonds maturing on June 1, ..., are subject to mandatory redemption in part on June 1, ... and on each each June 1 thereafter to and including June 1, ..., at their principal amount plus accrued interest, without premium, in the years and amounts of the sinking fund installments for each of such years as set forth in the 1980 Series B Resolution.

Notice of redemption of any of the 1980 Series B Bonds shall be published once a week for at least two successive weeks, in a daily newspaper of general circulation in the City of Chicago, Illinois, and in a financial newspaper of general circulation in the City of New York, New York. The first such publication shall be made not less than thirty days nor more than sixty days prior to the date fixed for redemption. When any of the 1980 Series B Bonds, including this Bond, shall have been called for redemption, and payment made or provided for, interest thereon shall cease to accrue from and after the date so specified.

It is certified and recited that all acts, conditions and things required to be done, to happen, or to be performed precedent to and in the issuance of this Bond, have been done, have happened and have been performed in regular and due form of law. The Authority covenants with the holder of this Bond that it will keep and perform all covenants and agreements contained in the Bond Resolution and the 1980 Series B Resolution.

This Bond is transferable by the registered owner of this Bond in person or by such owner's attorney duly authorized in writing at the principal office of The First National Bank of Chicago, as Bond Registrar, in Chicago, Illinois, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Resolution, and upon surrender and cancellation of this Bond.

The Authority, the Trustee and the Paying Agents may deem and treat the registered holder as the absolute owner of this Bond (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal of this Bond and the redemption price, if any, and interest due hereon and for all other purposes and neither the Authority, the Trustee nor the Paying Agents shall be affected by any notice to the contrary.

The 1980 Series B Bonds are issuable in coupon form, registrable as to principal only, in the denomination of $5,000, and in fully registered form without coupons in denominations of $5,000 and integral multiples thereof. Subject to the limitations and upon payment of the charges provided in the Bond Resolution, 1980 Series B Bonds in fully registered form without coupons may be exchanged for a like aggregate principal amount of 1980 Series B Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) or for a like aggregate principal amount of 1980 Series B Bonds in fully registered form without coupons of other authorized denominations, and 1980 Series B Bonds in coupon form bearing all unmatured coupons (and any matured coupons as to which interest is in default) may be exchanged for a like aggregate principal amount of 1980 Series B Bonds in fully registered form without coupons of authorized denominations.

502. *Additional Levy.* The taxes to be collected as provided in this Article V for the purpose of paying the principal of and interest on the Bonds, and for the purpose of providing money to be deposited in the Reserve Fund pursuant to the Act, shall include the additional amounts provided in this Section, in accordance with paragraph (3) of Section 906 of the Bond Resolution. These amounts shall be in addition to the dollar amounts specifically set forth in Section 501 of this 1980 Series B Resolution. The additional amounts provided in this Section shall be levied for each levy year, beginning with the tax levy for 1981, and shall be collected in each year while any of the 1980 Series B Bonds are outstanding and unpaid, either as to principal or interest. The additional amount to be levied for each such year shall be the sum sufficient to produce the amount, if any, by which

(a) the cumulative total of Debt Service Requirements on the 1980 Series B Bonds through December 1 of such levy year less an amount equal to the interest paid from the 1980 Series B Capitalized Interest Account shall have exceeded

(b) the cumulative total of the collections of all taxes levied as provided by the 1980 Series B Tax Levy Ordinance with respect to the 1980 Series B Bonds (including taxes levied pursuant to this Section) for all years up to and through December 1 of such levy year.

No later than December 31 of each year, beginning in 1981, the Trustee shall file in the offices of the county clerks of each county in which any taxable property in the City is located, a statement, certified by a corporate trust officer of the Trustee, of the amount of the taxes which are to be included in the levy in that year as provided in this Section. The failure of the Trustee to file the certificate referred to in the preceding sentence shall not affect the validity of the levy of taxes as provided in this Section and, whether or not the Trustee shall file the statement, the county clerks and collectors of each county in which any taxable property in the City is located are directed to cause to be extended and collected all the amounts provided to be collected in each year, pursuant to this Section.

503. *Direction and Demand to City Council.* Pursuant to the Act, demand is made upon the City Council of the City and the City Council is directed to provide by ordinance for the levy and collection of a direct annual tax upon all taxable property within the City, being the school district named Board of Education of the City of Chicago, without limitation as to rate or amount, sufficient to pay and discharge the principal of the 1980 Series B Bonds at maturity or on Sinking Fund Installment dates and to pay the interest on the 1980 Series B Bonds as it falls due and to make deposits in the Reserve Fund, and in particular, but not in limitation of the foregoing, sufficient to produce the amounts set out and described in Section 501 and 502 of this Article.

504. *Filing of Tax Levy Ordinance, Extension of Taxes.* After the adoption of this 1980 Series B Resolution, the Secretary of the Authority is authorized and directed to file a copy of it, duly certified by or on behalf of the Secretary, with the City Clerk of the City. After the adoption and effectiveness of the 1980 Series B Tax Levy Ordinance of the City Council levying the taxes described in this Article, the City Clerk of the City is directed to file copies of that 1980 Series B Tax Levy Ordinance, duly certified by or on behalf of that officer, in the office of the County Clerk of DuPage County, Illinois, and in the office of the County Clerk of Cook County, Illinois (which are all the counties in which any taxable property in the City is located) and in the offices of the County Collectors for those counties. Upon the filing of such copies of the 1980 Series B Tax Levy Ordinance with those County Clerks, it shall be the duty of those County Clerks to extend the taxes so levied for the 1980 Series B Bonds, all as provided in the Act, the 1980 Series B Tax Levy Ordinance, the Bond Resolution and this 1980 Series B Resolution. Except as specifically provided in the Bond Resolution, this 1980 Series B Resolution or the 1980 Series B Tax Levy Ordinance, the taxes levied as provided in this 1980 Series B Resolution shall be computed, extended and collected in the same manner as is now or may subsequently be provided for the computation, extension and collection of *ad valorem* property taxes in the City generally. The taxes to be levied as provided by this 1980 Series B Resolution shall be extended without limitation as to rate and shall be extended in amounts sufficient to produce the taxes as so levied.

505. *Allowance for Loss and Cost of Collection and Anticipated Deferred Collections.* In extending the taxes provided by this 1980 Series B Resolution and the 1980 Series B Tax Levy Ordinance to be levied, the county clerks of each county in which any taxable property in the City is located shall include in each year an amount to cover loss and cost of collection and anticipated deferred collections of the taxes so levied. Such amount is and shall be determined by the Authority pursuant to the Act, the Bond Resolution and this 1980 Series B Resolution. The amount so determined by the Authority is and shall be expressed as a percentage of the amounts of taxes required to be collected in such year as provided by the Bond Resolution, this 1980 Series B Resolution and the 1980 Series B Tax Levy Ordinance. It is determined that the amounts so to be included in extension for the following years of extension as an allowance which the Authority shall reasonably estimate to be needed to cover loss and cost of collection and anticipated deferred collections of such taxes as extended in the collectors' books are the following amounts:

Extension Year	*Allowance*
1981	7.0%
1982 (and each succeeding year)	4.5%

These amounts are based on the actual recent experience of tax collection of levies of taxes in the City giving account to the time in which levies for any year have been collected. The amounts as so determined are found to be presently sufficient so that the amounts of taxes to be levied and collected will produce the amounts required to be produced pursuant to this Article V. The amounts as so determined for inclusion in the taxes to be extended in any year shall be subject to change as provided in Section 908 of the Bond Resolution but not decrease of this allowance shall be made for extensions for the years 1981 or 1982.

In the event the Notes with respect to which such taxes have been levied are prepaid in whole or in part prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and Du Page Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Notes and shall indicate the amount of principal and interest thereon which, by reason of such prepayment, will not be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said respective County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other monies, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Notes for the year(s) such amounts are due, but, if for any such year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided herein and in the Agreement without any further action on the part of the City Council. In particular, but not in limitation of the foregoing, there is hereby appropriated from each fund of the City for which borrowings are made pursuant to this Ordinance amounts sufficient (a) to pay principal of and interest on the Notes evidencing such borrowings as and when the same become due and (b) to prepay the principal of such Notes in the event the City elects to prepay such Notes as provided in this Ordinance. The appropriate officers of the City are hereby ordered and directed to make such payments.

SECTION 8. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consumate the transactions contemplated by the Ordinance and the Agreement. All references in this Ordinance and the Agreement to any officer of the City who is appointed by the Mayor shall be deemed for all purposes to refer to such officer or to any temporary successor to such officer who shall have been appointed by the Mayor and shall then be acting as such successor.

SECTION 9. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided by law.

EXHIBIT "A"

This Agreement, dated as of June 15, 1980, is entered into among the City of Chicago in the State of Illinois, a home rule unit and a body politic and corporate (the "City"), the banks named on the signature pages hereof (the "Banks") and Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as Agent of the Banks (the "Agent");

WITNESSETH:

Whereas, the City is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the Constitution of the State of Illinois; and

Whereas, the City has determined that it is desirable and in the public interest for it to borrow money from the Banks from time to time in anticipation of revenues of the City in order to finance the City's short-term cash flow needs, and in evidence of its obligation to repay such loans to issue its general obligation notes (the Notes to be issued under this Agreement are referred to herein as the "Notes") in the maximum aggregate principal amount at any time outstanding of $25,000,000; and

Whereas, the Notes will be issued pursuant to this Agreement and an Ordinance (the "Ordinance") adopted by the City Council of the City (the "Council"), on ...., 1980, which ordinance authorizes the execution and delivery of this Agreement and the issuance, execution and delivery of the Notes upon the terms and conditions set forth in the Ordinance and this Agreement; and

Whereas, each Note issued pursuant to this Agreement shall mature not later than ninety-one (91) days after the date of issuance of such Note, unless extended as provided in this Agreement, and shall bear interest at a rate equal to 60% of the Prime Rate of the Agent as announced from time to time, and as further provided in this Agreement; and

Whereas, the Banks are willing to make loans to the City in the aggregate principal amount of not to exceed $25,000,000 at any time oustanding for such purposes on the basis of the terms and conditions set forth and the security provided for in this Agreement and the Ordinance and to accept the Notes as evidence of such loans; and

Whereas, the City has determined that the representations, agreements and covenants made or to be made by it in this Agreement, the Ordinance and the Notes are proper, desirable and necessary to obtain and secure payment of the loans under the Agreement and the Ordinance, to issue and sell the Notes and to carry out the City's obligations, powers and purposes under the Ordinance;

Now Therefore, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. *Representations and Warranties.* To induce the Banks to accept the Notes provided for herein, the City represents and warrants that:

(a) *Authority of the City.* The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6 of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement, (iv) to borrow money from the Banks for the purposes set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowings as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement and the Notes, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement and the Notes, and (vii) to perform its other obligations contemplated under the Ordinance, this Agreement and the Notes. The City has, with respect to the issuance of the Notes, complied with all applicable provisions of law, including the Ordinance, in all matters relating to the transactions contemplated hereby.

(b) *Validity of Ordinance, Agreement and Notes.* The Ordinance has been duly adopted by the City at a meeting of the City Council of the City which was duly called, noticed and held, and the Ordinance has not been altered or amended and is in full force and effect. The City has duly authorized (i) the execution, delivery and performance of this Agreement, (ii) the issuance, execution, sale, delivery and due performance of the Notes, and (iii) the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Notes and this Agreement. When duly executed and delivered by the City this Agreement and the Notes will constitute legal, valid and binding obligations of the City enforceable in accordance with their respective terms and the Banks will be entitled to the benefits and security of the Ordinance, the Notes and this Agreement.

(c) *Litigation.* Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry of investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 1(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the Notes or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement or the Notes and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes, or which in any way would materially and adversely affect the validity or enforceability of the Notes or the Agreement (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this Agreement) or the exemption of the interest on the Notes from Federal income taxation.

(d) *Legislation.* Except as stated in a certificate of the City Comptroller furnished to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and awaiting action by the Governor) or the Congress of the United States or ordinance pending before the City Council which would affect or limit the right, power or authority of the City to enter into this Agreement, to issue the Notes or to perform its obligations under the Ordinance, this Agreement or the Notes or which in any way would materially and adversely affect the validity of the Ordinance, the Notes or this Agreement (or any instrument required or contemplated for use in consummating the transactions contemplated hereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the City Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(e) *Permits and Approvals.* No approval, permit, consent, or authorization of, or registration or filing with, any governmental or pubilc agency, authority or body not already obtained or made is required on the part of the City in connection with the issuance and sale of the Notes or the execution and delivery by the City of this Agreement and the Notes or, except as contemplated herein, the performance of its obligations under the Ordinance, this Agreement and the Notes

(f) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement and the Notes, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(g) *No Defaults.* The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(h) *Financial Statements.* The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1978, audited by Bansley and Kiener, independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City of Chicago dated February 1, 1980 (the "Official Statement"). Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operations and changes in financial position for the periods covered thereby. Except as stated in a certificate provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1978. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended March 31, 1980 including statements of actual cash flow through April 30, 1980 and projected cash flow through December 31, 1980. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cash flow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(i) Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement a copy of which has previously been provided to the Banks did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

2. *General Conditions Concerning Loans and Notes.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend and relend to the City from time to time on or before December 1, 1981 its proportionate share equal to such Bank's Percentage of Aggregate Commitment as set forth on the signature pages hereof, of such amounts as the City may, from time to time, request be loaned under this Agreement. However, the total amount of borrowings outstanding at any time under this Agreement shall not exceed $25,000,000. The amounts requested by the City to be loaned from time to time shall each be in multiples of $100,000 and in a minimum amount of $100,000. The City shall give the Banks at least one business days' prior written notice of each proposed borrowing under this Agreement. Upon such notice and upon fulfillment of the conditions described in Section 3 of this Agreement and delivery to the Agent of a Note as provided in Section 4 of this Agreement, each Bank shall pay to the Agent funds equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, and the Agent shall thereupon pay or cause to be paid to the City the sum so to be borrowed, but, with respect to any Bank other than the Agent, the Agent shall be so obligated only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) The Agreement shall terminate on December 1, 1981, or at such time after such date when all Notes are paid in full as to both principal and interest, whichever date is later. No loans shall be made under this Agreement after December 1, 1981.

(c) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making from time to time of loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the first loan and the issuance of Note No. 1 pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loan:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iii) The opinion of the Corporation Counsel of the City, substantially the form of Exhibit B to this Agreement;

(iv) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) stating that the aggregate unpaid principal amount of all Notes then to be outstanding under this Agreement will not exceed the maximum amount of loans permitted by this Agreement; (C) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement or any certificate or other document required to be delivered pursuant to this Agreement; and (D) stating that no event of default, as defined in Section 9 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing.

(v) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel.

(vi) A certificate signed by the City Comptroller and the City Treasurer as required by Section 2 of the Ordinance.

(b) At the time of the making of each loan subsequent to the first loan and the concurrent issuance of a Note, the City shall deliver to the Agent properly executed certificates as of the date of the loan as to the matters referred to in Sections 3 (a) (iv), (v) and (vi) of this Agreement. The City shall also then deliver to the Agent the opinions of bond counsel and the Corporation Counsel of the City, each dated the date of such loan, with respect to the Note then to be issued. Those opinions shall be in the forms as required in sub-paragraphs (a) (ii) and (iii) of this Section and shall relate specifically to the Note then being issued.

(c) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 9 of this Agreement, or any event which, with lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

(d) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement so long as any Note which is not paid on or before the stated maturity date thereof remains outstanding and unpaid.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) Each borrowing under this Agreement by the City shall be evidenced by a Note of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the borrowing evidenced by such Note. The Notes shall be numbered consecutively from 1 in the chronological order of issuance. Each Note shall be payable to Continental Illinois National Bank and Trust Company of Chicago, as Agent, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Each Note shall mature not later than ninety-one (91) days after the date of issuance thereof, and in any event, not later than December 1, 1981, provided, however, that in certain circumstances the maturity of any such Note may be extended as provided in Section 8 (b) hereof. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) Each Note shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signature, shall be attested by the manual or facsimile signature of the (Deputy) City Clerk and shall be sealed with the Corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose; and (ii) in the event of an extension of maturity pursuant to Section 8 (b) hereof, from the proceeds of ad valorem taxes to be levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes.

(d) Upon payment in full of principal of and interest on any Note, the Note shall be cancelled and surrendered to the City. Prepayments of principal of each Note shall be noted on the back of the Note by the Agent.

5. *Interest.*

(a) The Notes shall bear interest from their respective dates until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on all the Notes shall be equal at all times until the stated maturity date to 60% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes), and the interest rate on any Note, the maturity of which has been extended pursuant to Section 8 (b) hereof, from its date of stated maturity until paid shall be equal to 70% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes); provided, however, that the interest rate on the Notes shall not at any time be greater than 11% per annum. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at the rates specified in this Agreement as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum announced by the Agent for 90-day unsecured commercial loans made at its banking house in Chicago, Illinois, to large corporate customers of the highest credit standing.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid with respect to any Bank shall be at a rate equal at all times to 11% for any period during which interest on any Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on the Note for the benefit of the Bank in respect of the period during which such interest is required to be included in the gross income of the Bank for Federal income tax purposes and (ii) interest on the Note for the benefit of the Bank in respect of such period at the rate equal to 11%.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on each Note shall be payable at maturity. Interest on any Note extended pursuant to Section 8 (b) hereof shall be payable after the stated maturity date on each subsequent October 1, January 1, April 1, and July 1 during the period such Note is outstanding and at the final maturity date as extended. Interest on each Note shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of such Note from time to time outstanding and unpaid.

6. *City's Right To Prepay Notes.*

The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks and without premium or penalty, and from any funds available to it prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of any Note shall be evidenced by notation on the back thereof by the Agent to indicate the date of such prepayment and the amount thereof. In the event of any prepayment each Bank agrees to relend an amount equal to its proportionate share of such prepayment as the City may, from time to time, request, as provided in Section 2 of this Agreement.

7. *Application of Payments.*

(a) Any prepayment of less than the total aggregate principal amount and accrued interest of all Notes outstanding shall be applied to the payment of Notes in the order of issuance. Prepayment of less than all of any Note shall be applied first to accrued interest on the principal amount being prepaid and then to the principal of that Note.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its interests in the Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Covenants.* The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4 (c) hereof at the dates set forth in this Agreement and the Notes. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that in the event that any Note is not paid on or before the stated maturity date thereof and remains outstanding, the City shall levy and collect ad varolem taxes for the year of the stated maturity date, without limitation as to rate or amount, against all taxable property situated within the City sufficient to pay when due the principal of and accrued interest on such note. The maturity of any Note may be extended at the option of the Banks to October 1 of the calendar year which next commences following the stated maturity of such Note pursuant to a request of the City delivered to the Banks in accordance with Section 3 of the Ordinance. If a Bank does not reject the City's request for an extension not later than 5:00 p.m. of the second business day following receipt of such request by the Banks, such Note shall be deemed extended as provided for in this Section. A tax levy ordinance shall be adopted not later than the third regular meeting of the City Council occurring after a date which is five business days after the extention is granted, deemed granted or denied. If such Note is thereafter paid from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 6 of the Ordinance.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) The levy of taxes for the Notes shall be for the sole benefit of the holders of interests in the Notes and the holders of interests in the Notes shall have a claim against such levy and the future proceeds of such levy to the extent of the indebtedness outstanding under this Agreement.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Bank's with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the City shall provide to the Banks a statement of the Mayor of the City as to whether the City Council has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year.

(f) The City will prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparison of actual and projected cash flow to the projections for the fiscal year 1980 provided to the Banks at the time of the initial loan hereunder, or with similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1981 for the calendar year 1981, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) Prior to the issuance or extension of any Note the City will also prepare and furnish to the Banks a statement summarizing the receipts and disbursements for the Corporate Fund and the opening and closing balances for each month ending more than 30 days prior to the date of such report and comparing them with the cash flow projections provided to the Banks at the time of the initial loan hereunder for the calendar year 1980 and with a similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1981 for the calendar year 1981.

(h) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Bank for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103 (c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(i) No borrowing or reborrowing under this Agreement shall be made for the purpose of refunding any outstanding borrowings or reborrowings hereunder.

(j) Prior to the collection of any taxes levied for payment of any Note as provided in Section 8 (b) hereof, the City will establish separate and segregated escrow accounts with third parties substantially similar to the scrow accounts established for payment of the obligations of the City incurred pursuant to the General Obligation Term Loan Agreement dated as of April 1, 1980 between the City, the Agent and certain banks.

(k) The City covenants and agrees that for a period of at least 30 consecutive days at any time during the term of this agreement following the date of the issuance of the first Note hereunder, which 30 consecutive day period shall be selected at the sole option of the City. No Notes shall be outstanding under this Agreement; provided, however, that this covenant shall be of no force or effect in the event the City shall have levied a tax pursuant to Section 8 (b) hereof, so long as such tax shall not have been abated within the period permitted by law.

(l) The City agrees to make available to the public upon request at the office of the City Clerk and financial report furnished to the Banks pursuant to Sections 8 (e), (f) and (g) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any such disclosure.

9. *Events of Default.*

(a) If one or more the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, any Note when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 8(e), (f) and (g) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(v) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this *Section 9(a)* and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

10. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys' fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligation of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes. The Agent shall conclusively deem each of the Banks to have continuing interests in the Notes until such time as the Agent shall have received written notice from such Bank that its interest in the Notes has been assigned as provided in Section 11(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advice of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 11(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

11. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of the Notes or any interest therein. Any Bank may assign its interests in this Agreement or the Notes (either in whole or in part) only to any other national or state Bank. The Bank assigning any interest in any Note shall promptly notify the City and the Agent and of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in any Note may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification shall be made in this Agreement, the Notes or the Ordinance which in any way affect the obligation of the City with respect to the Notes, this Agreement or the Ordinance without the prior written consent (except as otherwise provided in Section 9(e) of the City and Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under Illinois law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Notes or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) Each of the Banks severally represents that it is purchasing its interest in the Notes for its own account and with no present intention of distributing or reselling its interest in the Notes but subject, nevertheless, to the disposition of its interest in the Notes being at all times within its sole discretion and control.

(h) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the Agent or the Banks, to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

In the event City does not remedy such conditions within a reasonable time, Vendor may terminate this Agreement and vacate the Location without further obligation to City, provided it has complied with paragraph 6, 7, and 8 hereinabove.

18. *Notice.* All notices required to be given to City shall be in writing and sent by United States registered mail, postage prepaid, return receipt requested, addressed to Ms. Karen Conner, Department of Special Events, City of Chicago, Room 609, City Hall, Chicago, Illinois 60602. All notices may be hand delivered in lieu of the mailing provided for hereinabove.

19. *Additional City Representatives.* In addition to such control and authority of regular City officials as may otherwise be described in the Agreement, the parties agree that City may designate one or more supervisory officials (hereinafter referred to as "Supers"), each of whom will bear a readily identifiable indicia of authority; the function of the Supers shall be to patrol the entire ChicagoFest grounds to resolve disputes and handle complaints, remedy improper or unfair practices, assist or instruct in eliminating congestion or bottlenecks, or to remedy any other situation which in the judgment of such Supers is injurious to the image of ChicagoFest, is unfair or unsafe to its patrons, or restricts or inhibits the full enjoyment of the ChicagoFest program by the attending public. Vendor will designate to City one or more officials who will be available (at least one at all times) and upon demand of a Super that any activity or practice be ceased or modified in any way, or that an individual be terminated because of improper activities, Vendor will direct compliance with such demand by its designated official and take any action so required.

Information and Regulations ChicagoFest 1980.

The festival will run from August 1 to August 10 and August 13 to August 17, 1980, with the gates open from noon until midnight every day. Exhibitors are, however, required to have their booths fully operational until the final announcements are made each day.

Construction of all booths must be completed by 6:00 P.M., Thursday, July 30, 1980 with the exception of signs and other minor decorations. No vehicles will be permitted on the festival grounds from noon until closing, each day of the event.

Passes will be provided for each booth. These will be issued once, upon the vendor occupying the site. These passes will not be issued unless the final payment is made, and the certificate of insurance is on file. No other passes will be issued to any Market Place exhibitor for any reason, nor will lost or stolen passes be replaced.

Electrical Service

1. Each Market Place concessionaire will be provided with one 120 volt, 1500 watt maximum circuit. All electrical equipment must be UL approved and have grounded plugs. *Do not* bring in any lights or appliances that have two wire lamp cord or plugs. The City of Chicago, Bureau of Electrical Inspection will enforce this rule by having power to your space disconnected. Please cooperate.

2. Any Electrical equipment that requires more than 120 volts or 1500 watts will have to be requested separately using ChicagoFest Electrical Service Request Forms. State voltage, amperage or wattage and phase and list type of equipment. Charges for additional service are listed on Request Forms.

Physical Environment

An electrical outlet will be provided for each booth. The Building Inspector's office has informed us that service will be disconnected to those exhibitors using adaptors which allow several plugs to be plugged into the outlet. That practice is an electrical hazard, and ChicagoFest will assist the Building Inspector's office in vigorously enforcing the regulation. Each exhibitor must provide all tables, chairs, display counters, etc., for his or her booth. All displays must be free-standing, no attachments of any kind may be made to the Market Place structure.

Security

ChicagoFest will provide 24-hour security for the entire Festival grounds. In addition, guards will be on duty in the Market Place area overnight, and area will also be checked regularly during the show hours by ChicagoFest security and by members of the Chicago Police Department on their regular rounds. However, ChicagoFest is not liable for any loss that an exhibitor may incur. It is entirely up to the individual exhibitor to determine if all or a portion of his or her stock is left in the booth unattended.

Additional Information

Individual advertising for an exhibitor's goods may be distributed only in the exhibitor's booth. No food preparation, or cooking is allowed on the ChicagoFest grounds. ChicagoFest reserves the right to search any vehicle entering or leaving the ChicagoFest grounds. All electrical appliances must have grounded wires or will not be allowed during the Festival.

Nondiscrimination clause

Contractor in performing under this contract shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. AMUSEMENTS AGREEMENT.

This Agreement, made this .... day of ...., 1980 by and between the City of Chicago, a municipal corporation of the State of Illinois (Hereinafter referred to as the "City") and CCM Amusements, (hereinafter referred to as the "Permittee").

WITNESSETH:

Whereas, City intends to present its program known as ChicagoFest at Navy Pier in Chicago, Illinois, for approximately fifteen days in the month of August; and

Whereas, City desires to include within the ChicagoFest program a Midway attraction, consisting of recreational riding devices and entertainment shows; and

Whereas, Permittee is willing, able and qualified and desires to provide such riding devices and entertainment shows for the ChicagoFest program from August 1-10 and 13-17, 1980 inclusive;

Now, therefore, in consideration of the authority granted to Permittee by the City, as hereinafter stated, and the mutual covenants, the receipt and sufficiency of which is hereby acknowledged, City and Permittee agree as follows:

1. *Permit and Term.*

Permittee will provide a Midway, fully erected and ready to operate commencing the first day of City's selected schedule for ChicagoFest, and will continue operations of the same at the site designated until completion of said ChicagoFest. The Midway shall operate each day of ChicagoFest, commencing and terminating at times specified by the City through its duly designated representative.

2. *Rides and Shows.*

The Midway will consist of (a) approximately twenty (20) entertainment riding devices (hereinafter referred to as "Rides"), including at least fifteen (15) major Rides, and (b) approximately ten (10) entertainment shows (hereinafter referred to as "Shows"). Each of the Rides shall have been fully tested and certified for safety, both as to design and in-place construction, prior to commencement of operation thereof on the first day of the ChicagoFest program. The Shows will be of high quality for Midway performance and shall specifically exclude, without limitation by enumeration, those shows normally described in carnival parlance as "girl shows", "strip shows", "colored shows", and "posing shows".

3. *Compliance with Laws.*

Permittee agrees to comply with all valid laws and ordinances of the United States of America, and the State of Illinois, the County of Cook, and the City of Chicago, whenever applicable, and will permit inspection of the premises and the equipment used in the Midway by any lawful authority requesting such inspection.

Permittee shall also require persons obtaining concession and food stand rights in the Midway area to adhere to the aforesaid legal and inspection requirements. Permittee shall not conduct nor permit to be conducted any gambling concession or device, the sale or furnishing of any animal or birds to the public, the sale of any article of merchandise within any exhibit or show for which an admission fee is charged, or the collection of any fee or price which is not conspicuously posted and (if for an exhibit, a Ride, a game or a Show) is not collected prior to and as a condition of entrance or participation.

4. *Subcontracting.*

Permittee shall not subcontract any of its obligations as contained in this contract unless said subcontract (a) is in writing, (b) has received prior written approval from the City (c) contains a provision that the subcontractor will abide by all requirements imposed upon Permittee by the agreement to the extent reasonable applicable because of subcontracting, and (d) contains provisions for the same insurance coverage and certification hereafter required of Permittees to protect the City, the Public Building Commission of Chicago, Festivals, Inc., and any others herein required of the activities of Permittee. Subcontracting provisions shall pertain to all concessionaires.

5. *Site.*

Permittee shall erect the Midway on a specific site to be designated by the City's representative, said site to be property in the Navy Pier area of the City of Chicago. Permittee shall provide its own power for the operation of the Midway.

6. *Concessions.*

Permittee shall have concession and food stand rights (hereinafter collectively referred to as "concession stands") in the Midway area and shall pay to City for each such concession stand the sum of fifteen ($15.00) Dollars per front foot. Measurement of concession stands shall be accomplished on the first day of ChicagoFest by representatives of both parties and payment to City for said space shall be made in full at least two (2) days before conclusion of ChicagoFest.

7. *Charges for Midway and Concessions.*

Charges to the public imposed by Permittee for the Midway, as well as charges imposed by others at the concession stands, will be the normal charges to the public imposed by Permittee or such concession and food stand operators for like operations in the Midwestern area of the United States. A schedule of all of such charges shall be submitted to the City for approval no less than seven days prior to the first day of ChicagoFest. In the event City deems said proposed charges to be too high, Permittee, for itself and its concession stand operators, agrees that the charges approved by the City will be the charges imposed upon the public.

8. *Ticketing.*

In order to facilitate certain savings to the City and to create a more efficient distribution and sale of tickets for the Midway, Permittee agrees, at its sole expense, to provide central ticketing in lieu of individual ticket booths. City will assign certain individuals to observe and check on the ticket sellers. Permittee shall supply its own ticket sellers in sufficient number as designated by City for the sale and distribution of tickets. Tickets will be ordered by ChicagoFest and delivered to ChicagoFest office. CCM will pay for said tickets.

9. *Passes.*

Permittee shall furnish to City a reasonable number of passes to its Rides, Shows, and concession stands, as mutually agreed upon, for the purpose of inspection and review by City's representative to secure desired publicity.

10. *Payment.*

In consideration for being allowed to participate in ChicagoFest in accordance with the terms of this agreement, Permittee shall pay to the City a portion of the gross revenues derived from operation of the Midway, as follows:

(a) *twenty-five* (25%) percent of the gross revenue from the first One Hundred Thousand ($100,000) Dollars of such revenue;

(b) *thirty* (30%) percent of the second One Hundred Thousand ($100,000) Dollars of revenue; and

(c) *thirty-five* (35%) percent of all revenue in excess of Two Hundred Thousand ($200,000) Dollars.

An accounting and payment for each days operations shall be made by Permittee to City's representative not later than 12:00 Noon on the following day.

11. *Gross Revenue.*

For the purpose of Paragraph 10, above, Gross Revenue shall include all receipts derived by Permittee from the operation of the Midway at ChicagoFest, including any receipts from concession stands in excess of those required to be paid to the City in Paragraph 6 above.

12. *Indemnity and Insurance.*

Permittee agrees to indemnify, hold harmless and defend City, the Public Building Commission of Chicago, Festivals, Inc., their officers, employees and agents, of and from all claims or liabilities that may arise from death or injury to either employees, participants or spectators at the Midway or any concession stand thereat, and will carry Workman's Compensation Insurance as required by Illinois statutes with a minimum coverage under Employers Liability of $100,000. Permittee shall also, prior to the erection of the Midway, deliver to the representative of the City evidence of insurance coverage issued by an insurance company licensed to do business in the State of Illinois and acceptable to City, against death or injuries to persons or damage to property which may result as a consequence of the erection and/or operation of the Midway or concession stands, either directly or indirectly, whether through negligence or otherwise, which policy of insurance, or a certificate by the issuer of said policy, shall name the City, the Public Building Commission of Chicago, Festivals, Inc., and their officers, employees and agents as additional assureds, such policy to include liability coverage of not less than One Million Five Hundred Thousand ($1,500,000) Dollars for any one accident, and One Hundred Thousand ($100,000) Dollars property damage. Said policy of insurance or Certificate of Insurance shall be delivered to City at least thirty (30) days prior to the first day of ChicagoFest.

13. *Promotion.*

City agrees to promote the Midway as part of its ChicagoFest program by inclusion thereof in its advertising programs and Permittee agrees to do a reasonable and mutually agreed upon amount of advertising in the Chicago and general Illinois area relating to its operation during ChicagoFest.

14. *Independent Contractors.*

The parties hereto agree that nothing in this agreement is intended to nor shall anything herein be construed or interpreted as creating a partnership between Permittee and City, both parties being solely responsible for their separate debts, obligations and other liabilities.

15. *Termination for Default.*

If Permittee is in default under any section of this agreement or fails to adhere to the standards of supervisory directions established by City, City shall notify Permittee of such default or failure and Permittee shall have twenty-four (24) hours to remedy such default or failure. In the event that Permittee does not remedy such default or failure within such time, City may terminate this Agreement immediately, expel Permittee and attempt to obtain another Permittee for the Midway. In the event this agreement is terminated under this paragraph, City shall have no liability or obligation to Permittee.

16. *Non-Discrimination.*

Permittee in performing under this agreement, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Permittee will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin.

Attention is called to pertinent Executive Orders of the President of the United States, the Civil Rights Act of 1964 and the statutes and ordinances of the State of Illinois and City of Chicago.

18. *Severability of Provisions.*

If any provisions hereof are declared by a court of competent jurisdiction to be illegal, invalid or unenforceable, they shall be deemed deleted herefrom without affecting the legality, validity, or enforceability of the remaining provisions hereof.

19. *Governing Law.*

The Laws of the State of Illinois shall apply and bind the parties in any and all questions arising hereunder, regardless of the jurisdiction in which any action or proceeding may be initiated or maintained.

In Witness Whereof, the parties hereto have caused this agreement to be executed as of the date and year first above written.

The following is said resolution as adopted:

WHEREAS, Senior citizens in Chicago are dependent upon public transportation to travel to medical centers, banks, shopping centers, and other destinations; and,

WHEREAS, Much of their travelling occurs during non-peak hours, when fewer CTA vehicles operate on City routes; and,

WHEREAS, Seniors often travel between City neighborhoods, thus necessitating frequent transfers; and,

WHEREAS, CTA service in many areas is uneven during non-peak hours; and,

WHEREAS, It is often difficult for seniors to meet the time constraints of a one-hour transfer; and,

WHEREAS, It is an unfair burden on senior citizens, many of whom are on fixed incomes, to require the payment of an additional fare upon expiration of the one-hour transfer time; now, therefore,

Be It Resolved, That the Mayor and the City Council of the City of Chicago do hereby memorialize the Chicago Transit Authority to establish a two-hour transfer to be issued, in lieu of the present one-hour transfer, to those riders who pay a senior citizen fare and request a CTA transfer; and,

Be It Further Resolved, That a suitable copy of this resolution be presented to the Chicago Transit Authority.

Agreement attached to the foregoing ordinance reads as follows:

This Agreement, entered into as of the .... day of .... by and between the City of Chicago, a municipal corporation of the State of Illinois (hereinafter referred to as the "City") and the .... (hereinafter referred to as the "Agency").

WITNESSETH THAT:

Whereas, the Policy Committee of the Chicago Area Transportation Study, the Metropolitan Planning Organization for northeastern Illinois, has requested the City to act on its behalf in administering the funds received from the Urban Mass Transportation Administration (UMTA) of the U.S. Department of Transportation for the purpose of conducting technical transportation studies; and

Whereas, the City, through its representatives on the Policy Committee, has agreed to serve as the administrator of the UMTA budget; and

Whereas, the UMTA funds are to be used for planning and programming activities; and

Whereas, the Unified Work Program for Fiscal Year 1980, which clearly states the Agency's transportation planning and programming responsibilities, has been approved by UMTA; and

Whereas, the Agency may have carry-over monies for work elements from the Unified Work Programs of previous fiscal years which are contained in the Fiscal Year 1980 Unified Work Program.

Now, Therefore, the parties hereto do mutually agree as follows:

1. *Scope of Services.* The Agency shall, in a satisfactory manner, perform all activities called for in accordance with the Unified Work Program, including carry-over program activities, as approved by the MPO. Changes in the scope of services and work component budgets for FY 80 and for work elements carried over from previous fiscal years, are not to occur unless revisions in the UWP are approved by both the MPO and UMTA.

2. *Time of Services.* The activities described in the Unified Work Program for Fiscal Year 1980, including carry-over program activities, shall be carried out to completion beginning July 1, 1979, and ending June 30, 1980, unless carryover of funds is requested by the Agency and approved by UMTA.

3. *Reports.* The City shall be provided monthly accounting reports by the Agency. Narrative progress reports shall be submitted to the Chicago Area Transportation Study, which shall use them to produce a quarterly UWP progress report, which is reviewed by the UWP Committee of CATS, and then forwarded to the City for inclusion in its quarterly report to UMTA.

4. *Subcontracts.* Assignment of any portion of work by subcontract must be part of the Unified Work Program as approved by UMTA. All contracts in excess of $2,500 shall contain suitable provisions for termination by the Agency, including the manner by which it will be effectuated and the basis for settlement.

5. *Prohibited Interest.* No member, officer, or employee of the Public Body or of a local public body during his tenure or one year thereafter shall have any interest, direct or indirect, in this subcontract or the proceeds thereof.

6. *Termination for Default.* If, through any cause, the Agency shall default in performance of this Contract in accordance with its terms and has failed to cure such default within thirty (30) days after receipt of a notice specifying such default, the City may terminate this Contract.

7. *Termination for Convenience.* The City may terminate this Contract, or any portion of service to be performed herein provided that thirty (30) days notice in writing has been given to the MPO and the Agency. Payment for the work performed before the effective date of such termination shall be based upon an estimate of the services actually performed by the Agency to the date of termination. Such estimate shall be approved by the MPO and UMTA. Payment made to the Agency shall be in full settlement for services rendered under this Contract. If this Contract is terminated due to the fault of the Agency, the previous section hereto relative to termination shall apply.

8. *Method of Payment.* The City will make payments to the Agency pursuant to billings submitted and approved setting forth the services performed during said billing period and attaching thereto copies of any expenses incurred. If, due to inappropriate action taken by the Agency, UMTA refuses to reimburse the City for any billing already paid to the Agency by the City, the Agency shall return the payment to the City upon request. It is understood that the quarterly progress reports compiled by CATS (see Paragraph 3, above) are to be used to satisfy UMTA reporting requirements. Additional reports may be submitted at the discretion of the Agency.

9. *Records.* Records must be maintained to show actual time devoted and costs incurred.

10. *Compensation.* The Agency shall receive reimbursement for actual cost to the extent they are eligible and in compliance with Federal Procurement Regulations, Subparts 15.1 and 15.7 and the UMTA External Operating Manual, subject to an upper limit . . . .

11. *Audit and Inspection of Records.* The Agency shall permit the authorized representatives of the City, the U.S. Department of Transportation and the Comptroller General of the United States to inspect and audit all data and records of the Agency relating to its performance under the contract. In the event that an audit reveals that a return of funds to UMTA is necessary, due to inappropriate action taken by the Agency, the Agency shall remit such funds to the City for repayment.

12. *Interest of Members of or Delegates to Congress.* No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract or to any benefit arising therefrom.

13. *Equal Employment Opportunity and Minority Business Enterprise.* The Agency shall continue to abide by all the rules and regulations of UMTA relative to EEO, MBE and other provisions of Title VI of the Civil Rights Act of 1964 as outlined in the UWP as approved by UMTA. If for any reason the Agency loses its UMTA certification for any of the Title VI provisions, the City may withhold payment until UMTA's ruling on the eligibility of the Agency to continue to receive funds is made or until payment for the work undertaken by the Agency is made by UMTA.

14. *Terms and Conditions.* The terms, conditions and requirements imposed upon the City as grantee by virtue of the aforesaid Grant Contract from UMTA are incorporated into this Agreement and are herewith imposed upon the Agency.

15. *Notice.* All notices and communications hereunder between the parties are to be directed to the City, addressed to Jerome R. Butler, Commissioner, Department of Public Works, Room 406, City Hall, Chicago, Illinois 60602, and to the Agency, addressed to: . . . .

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Mayor of the City of Chicago is authorized to execute this Application for a grant of federal funds including all understandings and assurances contained herein, pursuant to the provisions of the Federal Housing and Community Development Act of 1974 and the regulations promulgated in connection with said Act.

SECTION 4. This ordinance shall be effective, immediately upon its passage.

Annex No. 1 attached to the foregoing ordinance reads as follows:

ANNEX NO. 1.

The Urban Development Action Grant Applications can be described as follows:

1. *Abbott Products Industrial Expansion Project:* The proposed project involves the relocation of Abbott Products from its present site at 3307 South Lawndale to a largely vacant facility at 3150 West 36th Place. Relocation of Abbott Products will allow Abbott Pipe and Supply to expand into the Lawndale location. UDAG funds will be used toward the purchase of both land and building at 36th and Kedzie, building renovation, capital equipment and the relocation and installation of existing equipment. Upon completion of the proposed acquisition and renovation, it is anticipated that a minimum of 118 jobs will be created as a result of this project. UDAG funds in the amount of $509,000 will leverage $1,720,150 in direct private investment.
2. *Borland Buildings/Printers' Square Project:* This project involves the acquisition of an entire block of buildings on the west side of Federal Street between Polk and Harrison Streets. Rehabilitation and revitalization of these buildings will result in 356 multi-family residential units, 66,000 square feet of commercial space, 96,000 square feet of office space, a 190 car parking garage and the construction of a five-story atrium-type annex building to provide an entryway from the north. UDAG funds will be used to supplement both the interim and permanent financing. It is anticipated that UDAG funds in the amount of $7,050,000 will leverage $24,221,200 in direct private investment.
3. *Kedzie Plaza/East Side Plaza Neighborhood Commercial Project:* This neighborhood commercial project involves two separate transactions in separate areas of the City. Kedzie Plaza will be located at the southeast and southwest corners of 47th and Kedzie. East Side Plaza will be located on 15 acres of vacant land at 118th and Avenue O. Both proposals involve the development of small shopping centers. Leases are already in place for a Dominicks and Walgreens at both sites, and further tenanting is in the process of negotiation. The City of Chicago will use UDAG funds for injection into the project as a second mortgage. It is anticipated that $2,847,830 in UDAG funds will leverage $13,785,612 in direct private investment.
4. *River City Phase I Development Project:* River City is a new community to be built on 12 acres of the east bank of the Chicago River between Polk Street and Roosevelt Road. Completion of Phase I of the four phase project will result in 400 dwelling units, retail, office and hi-tech space, a 900 car garage, a marina, increased public access, and other social amenities including a health club and swimming pool, security system, a computerized educational system and health care program. UDAG funds will be used to supplement both the interim and permanent financing. It is expected that UDAG funds in the amount of $7,140,000 will be used to leverage $45,216,000 in direct private investment.

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Placed on File—MAYOR'S COMMUNICATION CONCERNING AMENDMENT OF CHAPTER 25, SECTION 25-30 OF MUNICIPAL CODE.

Honorable Jane M. Byrne, Mayor, submitted the following communication which was *Placed on File.*

OFFICE OF THE MAYOR
CITY OF CHICAGO

September 10, 1980.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN—I wish to advise the City Council of my reasons for declining to sign the ordinance passed by the Council on July 8, 1980 amending Chapter 25, paragraph 25-30 of the Municipal Code. The amendment purports to make the City of Chicago's employee residency law applicable to employees of the Board of Education of the City of Chicago. I will permit the ordinance to become law, but without my signature. I do this because, although I agree wholeheartedly with the spirit and the purpose of the amendment, I also believe that the City of Chicago has no authority to regulate employment within the Board of Education.

The goal of the amendment is an admirable one. While the Board of Education of the City of Chicago is a separate and independent unit of government, it is located in this City and serves the City's citizens. Its employees should be subject to the same residency rules as the employees of the City of Chicago.

Chicago has long required its employees to live within the boundaries of the City. This law is embodied in Chapter 25, ¶25-30 of the Municipal Code. I believe that persons who make their livelihood as public employees of this City should also contribute to the City's strength by living and bringing up their families here. The same is also true for teachers, principals and education administrators. And in addition, it is essential that educators, in whose hands we entrust our children every day, understand and participate in the community life of this City.

For those reasons, I sympathize with the goals that prompted the council to pass the amendment. Nevertheless, matters pertaining to education and the teachers are, by law, entrusted to the Board of Education of the City of Chicago as an independent unit of government. Therefore, the City Council is without authority to pass laws regulating such matters.

The Illinois Constitution of 1970 gives the State of Illinois sole authority over educational matters. Article 10, ¶1 of the Constitution says: "The State shall provide . . . for public education." The General Assembly has enacted legislation granting exclusive authority over City schools in the Board of Education of the City of Chicago. Section 34-17 of The School Code (Ill. Rev. Stat. 1977, Ch. 1977, par. 34-17), expressly prohibits such city regulation of those matters entrusted to the Board of Education: "No power vested in the board . . . shall be exercised by the City Council." The courts have found invalid attempts of municipal governments to regulate the schools. *City of Chicago v. Riley,* 16 Ill.2d 257 (1959).

The amendment is also the subject of litigation in the Circuit Court of Cook County challenging the authority of the City Council to regulate teacher's residency.

At the same time, I fully endorse the resolution of the City Council adopted July 8, 1980 calling upon the Board of Education of the City of Chicago to enact its own residency requirement. For the reasons I have already stated, such a law is in the best interest of the City and its school children.

Very truly yours,
(Signed) JANE M. BYRNE,
Mayor.

Such request shall be effective upon receipt and shall be delivered to the Agent and each Bank at their respective addresses as provided in the Agreement. Unless a Bank shall have delivered to the City a written rejection of any request for an extension of maturity not later than 5:00 p.m. of the second business day after the delivery to the Banks of such request, the maturity of any issue of Notes which shall have been the subject of such request shall be automatically extended, 30% of the outstanding principal amount of any such issue on December 1, 1980 to be due together with accrued interest thereon on April 15, 1981 and the balance of such outstanding principal amount to be due on November 1, 1981.

Each issue of Notes may be prepaid at any time, in whole or in part, without premium or penalty, at the option of the City, upon one day's prior notice to the Agent, as provided in the Agreement; provided, however, that on or prior to the date of any such prepayment the City Comptroller and City Treasurer shall have signed and filed in the office of the City Clerk and the office of the Committee on Finance of the City Council a certificate setting forth the amount of such prepayment, together with accrued interest thereon, and stating that such amount is no longer required to meet and defray the expenses and liabilities of the fund of the City for which the borrowing evidenced by such issue of Notes was made.

All the Notes shall be subject to mandatory prepayment, in whole but not in part, immediately after there shall have been deposited into each of the Escrow Accounts established pursuant to Section 10 of this Ordinance and into any similar escrow account required to be established pursuant to the Agreement in the event the maturity of any issue of Notes is extended, an amount sufficient to prepay in full the Notes related to and secured by such Escrow Account and any such similar escrow account, together with accrued interest thereon to the date of such prepayment, all as provided in the Agreement. In case any officer of the City whose signature or facsimile signature shall appear on a Note shall cease to be such officer before the delivery of such Note, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer shall have remained in office until delivery. The Mayor and City Comptroller shall file or have filed with the Secretary of State of Illinois their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended, and the use of the facsimile signatures of such persons to execute the Notes is authorized pursuant to such filing.

SECTION 5. Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Note shall be payable (both as to principal and interest to the date of payment) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, including but not limited to the Pledged Taxes (as defined in Section 11 hereof) which were levied for the fund to which the proceeds of such Note shall have been credited. The City covenants and agrees that in the event any Note shall not have been paid at its stated maturity or the stated maturity of any Note shall have been extended in accordance with Section 3 hereof and such Note shall not have therefore been paid or prepaid in full, the City shall, on or before December 31, 1980, adopt an ordinance providing for the appropriation of monies and a levy, for the year 1980, of ad valorem taxes without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and unpaid interest on all such Notes, in which event such Notes shall be payable from the proceeds of such taxes in addition to the other sources identified in this Section 5.

SECTION 6. Any taxes levied pursuant to the covenant contained in Section 5 hereof shall be sufficient to provide funds for payment of principal of and unpaid interest on the Notes with respect to which such taxes are levied on the basis of the following assumptions: (i) the applicable rate of interest payable on such Notes will be 11% per annum from and after the date such taxes are levied and so long as such Notes are thereafter outstanding; and (ii) no prepayments of Notes will be made subsequent to the date such taxes are levied. In the event the Notes with respect to which such taxes have been levied are prepaid in whole or in part prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and DuPage Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Notes and shall indicate the amount of principal and interest thereon which, by reason of such prepayment, will not be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said respective County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other monies, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 7. The appropriate officers of the City are hereby authorized to pay principal of and interest on the Notes as provided herein and in the Agreement, without any further action on the part of the City Council.

SECTION 8. As a condition precedent to the borrowings authorized under this Ordinance, the appropriate officers of the City shall cause the reimbursement by the Corporate Purposes Fund of the sum of $32,008,240 to the Working Cash Fund, said sum having been previously transferred to the Corporate Purposes Fund from the Working Cash Fund in anticipation of taxes levied for the Corporate Purposes Fund for the year 1979, such reimbursement to be made from any funds legally available to the Corporate Purposes Fund.

SECTION 9. As a condition precedent to the borrowings authorized in this Ordinance, the appropriate officers of the City shall cause to be deposited into the Special Escrow for the Payment of Tax Anticipation Notes, Series of January, 1979, established pursuant to the Escrow Agreement (General Obligation Tax Anticipation Notes) (Series of January, 1979) dated as of March 4, 1980 between the City and Continental Illinois National Bank and Trust Company of Chicago, as escrow agent (the "1979 Note Escrow Agreement") an amount of money which, together with other monies theretofore deposited, shall be sufficient to provide for timely payment of the principal of and interest on all of the outstanding 1979 Notes. Effective upon such deposit, all "Pledged Taxes", as defined in Section 2.03 of the 1979 Note Escrow Agreement levied for the three funds relating to the Notes authorized hereunder and all proceeds thereof not previously received and deposited under the 1979 Note Escrow Agreement shall no longer constitute "Pledged Taxes", as defined in said Section 2.03 of the 1979 Note Escrow Agreement.

SECTION 10. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, for each of the three issues of Notes authorized pursuant to Section 2 hereof to be designated "Special Escrow for City of Chicago General Obligation Tax Anticipation Notes, (........... Fund) Series of September, 1980", said accounts (the "Escrow Accounts") to be maintained with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled Escrow Agreement (General Obligation Tax Anticipation Notes, Series of September, 1980) (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

SECTION 11. The City Treasurer is hereby ordered and directed to deposit Pledged Taxes (as hereinafter defined) and other moneys into the Escrow Accounts in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Accounts shall be invested in accordance with the Escrow Agreement. The term "Pledged Taxes" shall mean in respect of any issue of Notes the direct, annual taxes levied by the City for the year 1979 for the purposes of (i) meeting and defraying the expeditures and liabilities of the fund of the City to which such issue of Notes pertains; (ii) providing the funds required to pay the principal of and interest on the issue of the 1979 Notes pertaining to such fund of the City; and (iii) providing the funds required to reimburse the Working Cash Fund of the City; provided, however, that "Pledged Taxes" shall not include any of such taxes the proceeds of which have been received by the City prior to the close of business on the day preceding the City's borrowing hereunder.

SECTION 12. Moneys deposited in the Escrow Accounts shall be used solely and only for the purpose of paying the principal of and interest on the related issues of Notes. The City hereby pledges, as security for each issue of Notes, all present and future proceeds of the Pledged Taxes pertaining to such issue for the sole benefit of the holders of such issue and said holders shall have a claim against the levy therefor and a first and prior lien upon all present and future proceeds of such levy but only after such proceeds are deposited in the related Escrow Account and only until such issue of Notes is paid in full or until such proceeds are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On any principal or interest payment or prepayment date, moneys in such Escrow Accounts shall be transferred in accordance with the Escrow Agreement.

SECTION 13. The Escrow Agreement in substantially the form attached to this Ordinance as Exhibit B, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller and shall be attested by the City Clerk and the corporate seal of the City shall be affixed thereto.

SECTION 14. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consumate the transactions contemplated by the Ordinance, the Agreement and the Escrow Agreement. All references in this Ordinance, the Agreement and the Escrow Agreement to any officer of the City who is appointed by the Mayor shall be deemed for all purposes to refer to such officer or to any temporary successor to such officer who shall have been appointed by the Mayor and shall then be acting as such successor.

SECTION 15. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Agreement, the Escrow Agreement, the Notes and any other instruments, certificate or document required to be signed by the Mayor or City Comptroller pursuant to this Ordinance or the Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, Certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the City Comptroller's signature is so affixed to an instrument, certificate or document at the City Comptroller's direction, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

SECTION 16. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its adoption, approval by the Mayor and publication as provided by law.

This Agreement, dated as of September 1, 1980, is entered into among the City of Chicago in the State of Illinois, a home rule unit and a body politic and corporate (the "City"), the banks named on the signature pages hereof (the "Banks") and Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as Agent of the Banks (the "Agent");

WITNESSETH:

Whereas, the City is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the Constitution of the State of Illinois; and

Whereas, as a result of certain litigation relating to the assessment of ad valorem taxes in Cook County, Illinois, the due date for payment of the second installment of ad valorem taxes levied by the City for the year 1979 was delayed to September 25, 1980; and

Whereas, the City has determined that it is desirable and in the public interest for it to borrow money from the banks in anticipation of the receipt of ad valorem taxes levied for the year 1979 in order to finance the City's short-term cash flow needs, and in evidence of its obligation to repay such loans to issue its general obligation tax anticipation notes (the Notes to be issued under this Agreement are referred to herein as the "Notes") in the aggregate principal amount of $50,000,000; and

Whereas, the Notes will be issued pursuant to this Agreement and an Ordinance (the "Ordinance") adopted by the City Council of the City (the "Council"), on September 10, 1980, which Ordinance authorizes the execution and delivery of this Agreement and the issuance, execution and delivery of the Notes upon the terms and conditions set forth in the Ordinance and this Agreement; and

Whereas, the Notes issued pursuant to this Agreement shall mature on November 30, 1980, unless extended as provided in this Agreement, and shall bear interest at a rate equal to 60% of the Prime Rate of the Agent as announced from time to time, and as further provided in this Agreement; and

Whereas, the taxes pledged to the payment of the Notes pursuant to the Ordinance and this Agreement will be deposited in escrow pursuant to an Escrow Agreement (General Obligation Tax Anticipation Notes, Series of September, 1980) dated as of September 1, 1980 (the "Escrow Agreement") entered into between the City and Continental Illinois National Bank and Trust Company of Chicago as escrow agent; and

Whereas, the Banks are willing to make loans to the City in the aggregate principal amount of $50,000,000 for such purposes on the basis of the terms and conditions set forth and the security provided for in this Agreement, the Ordinance and the Escrow Agreement, and to accept the Notes as evidence of such loans; and

Whereas, the City has determined that the representations, agreements and covenants made or to be made by it in this Agreement, the Ordinance and the Notes are proper, desirable and necessary to obtain and secure payment of the loans under the Agreement and the Ordinance, to issue and sell the Notes and to carry out the City's obligations, powers and purposes under the Ordinance;

Now, Therefore, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. *Representations and Warranties*. To induce the Banks to accept the Notes provided for herein, the City represents and warrants that:

(a) Authority of the City. The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6 of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement and the Escrow Agreement, (iv) to borrow money from the Banks for the purposes set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowings as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement, the Notes and the Escrow Agreement, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement and the Notes, and (vii) to perform its other obligations contemplated under the Ordinance, this Agreement, the Notes and the Escrow Agreement. The City has, with respect to the issuance of the Notes, complied with all applicable provisions of law, including the Ordinance, in all matters relating to the transactions contemplated hereby.

(b) Validity of Ordinance, Agreement, Notes and Escrow Agreement. The Ordinance has been duly adopted by the City at a meeting of the City Council of the City which was duly called, noticed and held, and the Ordinance has not been altered or amended and is in full force and effect. The City has duly authorized (i) the execution, delivery and performance of this Agreement and the Escrow Agreement (ii) the issuance, execution, sale, delivery and due performance of the Notes, and (iii) the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consumate the transactions contemplated by the Ordinance, the Notes, this Agreement and the Escrow Agreement. When duly executed and delivered by the City, this Agreement, the Notes and the Escrow Agreement will constitute legal, valid and binding obligations of the City enforceable in accordance with their respective terms and the Banks will be entitled to the benefits and security of the Ordinance, the Notes, this Agreement and the Escrow Agreement.

(c) Litigation. Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 1(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the Notes or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes, or which in any way would materially and adversely affect the validity or enforceability of the Notes, the Agreement or the Escrow Agreement (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this Agreement) or the exemption of the interest on the Notes from Federal income taxation.

(d) Legislation. Except as stated in a certificate of the City Comptroller furnished to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and awaiting action by the Governor) or the Congress of the United States or ordinance pending before the City Council which would affect or limit the right, power or authority of the City to enter into this Agreement or the Escrow Agreement, to issue the Notes or to perform its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement or which in any way would materially and adversely affect the validity of the Ordinance, the Notes, this Agreement or the Escrow Agreement (or any instrument required or contemplated for use in consummating the transactions contemplated hereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the City Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(e) Permits and Approvals. No approval, permit, consent, or authorization of, or registration or filing with, any governmental or public agency, authority or body not already obtained or made is required on the part of the City in connection with the issuance and sale of the Notes or the execution and delivery by the City of this Agreement, the Notes and the Escrow Agreement or, except as contemplated herein, the performance of its obligations under the Ordinance, this Agreement, the Notes and the Escrow Agreement.

(f) No Conflicts. The adoption of the Ordinance, the execution and delivery by the City of this Agreement, the Notes and the Escrow Agreement, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provisions of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(g) No Defaults. The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(h) Financial Statements. The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1978, audited by Bansley and Kiener, independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City of Chicago dated February 1, 1980 (the "Official Statement"). Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operations and changes in financial position for the periods covered thereby. Except as stated in a certificate previously provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1978. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended March 31, 1980 including statements of actual cash flow through April 30, 1980 and projected cash flow through December 31, 1980. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cashflow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(i) Official Statement. Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement, a copy of which has previously been provided to the Banks did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(j) Information Regarding Taxes. The City has also provided the Banks with certain information regarding the taxes levied by the City for the year 1979 as set forth in the Certificate of the City Comptroller furnished to the Banks pursuant to Section 3(a)(ix) hereof. Such information is true, complete and correct in all material respects.

2. *General Conditions Concerning Loans and Notes.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend to the City, and the City agrees to borrow from each such Bank, the amount set forth opposite such Bank's name on the signature pages hereof, on such Business Day on or before September 12, 1980 as the City may designate on at least two business days prior written notice to the Agent. On or before 11:00 A.M., Chicago Time, on such Business Day so designated, each Bank shall, upon fulfillment of the conditions described in Section 3 of this Agreement and delivery to the Agent of the Notes as provided in Section 4 of this Agreement, pay to the Agent funds equal to the amount of such Bank's loan, and the Agent shall thereupon pay or cause to be paid to the City the sum so to be borrowed, but, with respect to any Bank other than the Agent, the Agent shall be so obligated only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making of loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the loans and the issuance of the Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loans:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An executed copy of the Escrow Agreement;

(iii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iv) The opinion of the Corporation Counsel of the City, substantially the form of Exhibit B to this Agreement;

(v) A certificate or certificates of the Mayor of the City and the Comptroller of the City; (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement, the Escrow Agreement or any certificate or other document required to be delivered pursuant to this Agreement; and (C) stating that no event of default, as defined in Section 10 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing;

(vi) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel;

(vii) A certificate signed by the Escrow Agent under the Escrow Agreement (General Obligation Tax Anticipation Notes) (Series of January, 1979) dated as of March 4, 1980, relating to the $49,900,000 General Obligation Tax Anticipation Notes, Series of January, 1979 of the City (the "January, 1979 Notes") certifying the City has deposited into the Escrow Accounts established pursuant to such Escrow Agreement sufficient funds to provide for the payment of all principal of and interest on the outstanding January, 1979 Notes when due;

(viii) A certificate signed by the City Treasurer certifying that the City's Working Cash Fund has been reimbursed in full for the outstanding transfer of the principal amount of $32,008,240 from the Working Cash Fund to the City's Corporate Purposes Fund; and

(ix) A certificate signed by the City Comptroller setting forth for each fund of the City for which Notes are issued (1) the amount of taxes levied for the year 1979, (2) the amount of such taxes received as of the date prior to the borrowing, and (3) the amount of taxes estimated to be received prior to November 30, 1980.

(b) Notwithstanding any other provision of this Agreement, no loan or extension of a loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan or extension of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 10 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) The borrowing under this Agreement by the City shall be evidenced by the Notes of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the borrowing. The Notes shall be payable to the order of each Bank, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. The Notes shall mature on November 30, 1980, provided, however, that in certain circumstances the maturity of such Notes may be extended as provided in Section 9(b) hereof. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) The Notes shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signatures, shall be attested by the manual signature of the City Clerk or Deputy Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from proceeds of ad valorem taxes levied by the City for the year 1979; (ii) from any moneys, revenue, receipts, income, assets or funds of the City legally available for such purpose; and (iii) in the event of an extension of maturity pursuant to Section 9(b) hereof, from the proceeds of ad valorem taxes to be levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes.

(d) Upon payment in full of principal of and interest on the Notes, the Notes shall be cancelled and surrendered to the City.

5. *Interest.*

(a) Each Note shall bear interest from its date until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on all the Notes shall be equal at all times until November 30, 1980 to 60% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes), and the interest rate on any Note, the maturity of which has been extended pursuant to Section 9(b) hereof, from its date of stated maturity until paid shall be equal to 70% of the Agent's Prime Rate from time to time in effect (and changing when the Agent's Prime Rate changes); provided, however, that the interest rate on the Notes shall not at any time be greater than 11% per annum. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at the rates specified in this Agreement as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum announced by the Agent for 90-day unsecured commercial loans made at its banking house in Chicago, Illinois, to large corporate customers of the highest credit standing.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid with respect to any Note held by any Bank shall be at a rate equal at all times to 11% for any period during which interest on such Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on the Note for the benefit of the Bank in respect of the period during which such interest is required to be including in the gross income of the Bank for Federal income tax purposes and (ii) interest on the Note for the benefit of the Bank in respect of such period at the rate equal to 11%.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on the Notes shall be payable at maturity. Interest on any Note extended pursuant to Section 9(b) hereof shall be payable after the stated maturity date on each subsequent January 1, April 1, July 1 and October 1 during the period such Note is outstanding and at the final maturity date as extended. Interest on each Note shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of such Note from time to time outstanding and unpaid.

6. *City's Right To Prepay Notes.*

(a) Optional Prepayment. The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks without premium or penalty, and from any funds available to it prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of any Note shall be evidenced by notation on the back, thereof by the Bank to indicate the date of such prepayment and the amount thereof.

(b) Mandatory Prepayment. At such time as there has been deposited in the Escrow Accounts established pursuant to the Escrow Agreement (and any escrow agreement established in connection with the extension of any note) sufficient funds to pay all unpaid principal of and accrued interest on all the Notes, the City shall immediately prepay the Notes in full. In the event the maturity of any Notes shall have been extended pursuant to Section 9(b) hereof, the City shall prepay the Notes on November 30, 1980 from and to the extent of the moneys then on deposit in such Escrow Accounts.

7. *Application of Payments.*

(a) Prepayment of less than all of any Note shall be applied first to accrued interest on the principal amount being prepaid and then to the principal of that Note. Prepayments of principal on any extended note shall be applied first to principal installments due in inverse order of maturity. All prepayments shall be applied pro rata to all issues of Notes.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Pledge of Taxes; Escrow Account.*

(a) To further secure payment of the principal of and interest on the Notes, the City hereby pledges as security for each issue of Notes, for the sole benefit of the holders of such issue of Notes, all present and future proceeds of the direct annual taxes levied by the City for the year 1979 for the purposes of (i) meeting and defraying the expenditures and liabilities of the fund of the City to which such issue of Note pertains, (ii) providing the funds required to pay the principal of and interest on the issue of the City's January, 1979 Notes pertaining to such fund of the City; and (iii) providing the funds required to reimburse the Working Cash Fund of the City (together, the "Pledged Taxes"), and the City grants to the holders of each such issue of Notes a claim against the related levies, and a first and prior lien upon all present and future proceeds of such levies but only after such proceeds are deposited in the related Escrow Account and only until the principal of and interest on the Notes are paid in full or until such proceeds are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. Provided, however that "Pledged Taxes" shall not include any of such taxes the proceeds of which have been received by the City prior to the close of business on the day preceding the City's borrowing hereunder.

(b) The Pledged Taxes shall be deposited in escrow with Continental Illinois National Bank and Trust Company of Chicago as escrow agent (the "Escrow Agent"), in special accounts separate and segregated from all other funds and accounts of the City, to be designated as "Special Escrow for City of Chicago General Obligation Tax Anticipation Notes, Series of September, 1980" (the "Escrow Accounts"), and shall be faithfully applied to the payment of principal of and interest on the Notes. The Escrow Accounts shall be established pursuant to the Ordinance and the Escrow Agreement substantially in the form attached hereto as Exhibit C. The Pledged Taxes shall be deposited by the City Treasurer in the Escrow Accounts in accordance with the terms of the Escrow Agreement.

In the event that sufficient moneys are not deposited in the Escrow Accounts to meet in a timely manner the required principal and interest payments on the Notes, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof.

Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes and shall not be used for any other purpose so long as the Notes remain outstanding. Pending the need for the use of the moneys so deposited, the Escrow Agent shall invest the moneys so deposited in accordance with the provisions of the Escrow Agreement.

9. *Covenants.* The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4(c) hereof at the dates set forth in this Agreement and the Notes and in accordance with the terms and conditions of the Escrow Agreement entered into pursuant to Section 8 hereof. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that in the event that the Notes are not paid on or before the stated maturity date thereof and remain outstanding, the City shall levy and collect ad valorem taxes for the year 1980, without limitation as to rate or amount, against all taxable property situated within the City sufficient to pay when due the principal of and accrued interest on the Notes. A tax levy ordinance shall not be adopted later than December 31, 1980. If the Notes are thereafter paid from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 6 of the Ordinance. The maturity of the Notes may be extended at the option of the Banks to November 1, 1981 pursuant to a written instrument executed by the Mayor and City Comptroller and delivered to each Bank at least two business days prior to the stated maturity of the Notes. Such request shall be effective upon receipt and shall be delivered to Agent and each Bank at the address set forth in Section 12(i) hereof or at such other address as any Bank shall have notified the Agent and the City in writing. If none of Banks reject the City's request for an extension by 5:00 p.m. of the second business day following receipt of such request by the Banks, the Notes shall be deemed extended as provided for in this Section. Thirty percent (30%) of the principal of the Notes outstanding on December 1, 1980 and accrued interest thereon shall be payable on April 15, 1981, and the remaining principal shall be payable on November 1, 1981. In the event any Notes are extended and taxes are levied for the payment of principal and interest thereon, the City will establish escrow accounts pursuant to an escrow agreement substantially similar to the Escrow Agreement, into which such taxes will be deposited.

(c) In the event the Notes are not paid on or before November 30, 1980 and remain outstanding the City shall, not later than December 31, 1980, appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest.

(d) The levy of taxes for the Notes pursuant to Section 9(b) hereof shall be for the sole benefit of the holders of the Notes and the holders of the Notes shall have a claim against such levy and the future proceeds of such levy to the extent of the indebtedness outstanding under this Agreement.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Banks with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the Chairman of the Committee on Finance of the City Council shall provide to the Banks a statement as to whether the Committee on Finance has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year, except that such statement for the City's fiscal year 1979 shall be furnished to the Banks within 300 days after December 31, 1979.

(f) The City will prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparision of actual and projected cash flow to the projections for the fiscal year 1980 provided to the Banks at the time of the loan hereunder, or with similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1981 for the calendar year 1981, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) Prior to the issuance or the extension of any Notes, the City will also prepare and furnish to the Banks a statement summarizing the receipts and disbursements for the Corporate Fund and the opening and closing balances for each month ending more than 30 days prior to the date of such report and comparing them with the cash flow projections provided to the Banks at the time of the loan hereunder for the calendar year 1980.

(h) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Banks for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(i) The City agrees to make available to the public upon request at the office of the City Clerk any financial report furnished to the Banks pursuant to Sections 9(e), (f) and (g) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any disclosure.

(j) The City agrees that no future transfer to the Corporate Purposes Fund from the Working Cash Fund of the City will be effected in such a way as to impair the first and prior lien of the holders of the Notes against the proceeds of "Pledged Taxes" or proceeds of taxes levied to pay principal of and interest on any extended Notes.

10. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, the Notes when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) The failure by the City to observe or perform in any material respect any term, covenant or agreement contained in the Escrow Agreement;

(iv) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 9(e), (f) and (g) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(v) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, the Notes, this Agreement or the Escrow Agreement or limits or modifies the powers of the City in any way which materially and adversely affects the ability of the City to pay any of its general obligation indebtedness as the same becomes due or materially and adversely impairs the ability of the City to perform its obligations under the Ordinance, this Agreement, the Notes or the Escrow Agreement, or the Ordinance shall be modified or amended except as permitted by this Agreement;

(vi) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 10(a) and continuance of such defualt for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vii) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the winding-up or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(viii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debtes generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then the Agent, upon the request of any two or more Banks (which may include the Agent) holding in the aggregate 50% or more of the unpaid principal amount of the Notes, shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance, this Agreement or the Escrow Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vii) or (viii), the Notes shall become due and payable forthwith without the requirement of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement, the Notes or the Escrow Agreement, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement, the Notes or the Escrow Agreement or in aid of the execution of any power granted in this Agreement, the Ordinance of the Escrow Agreement.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City against such Bank in its governmental capacity as to which taxes, assessments or charge there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 10(a) (i), (ii), (vii) or (viii) hereof, shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

11. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect to this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys' fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligations of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's *pro rata* share of all payments actually received by the Agent with respect to the Notes. The Agent shall conclusively deem each of the Banks to be the holder of its Notes until such time as the Agent shall have received written notice from such Bank that its Note has been assigned as provided in Section 12(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willfull misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concernng the performance by the City of its obligations. The Agent shall be entitled to rely upon advice of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of a Note pursuant to Section 12(b) of this Agreement shall have with respect to such Note all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

12. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of the Notes or any interest therein. Any Bank may assign its Notes (either in whole or in part) or its interests in this Agreement only to any other national or state bank. The Bank assigning any Note shall promptly notify the City and the Agent and of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any holder of any Note may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification shall be made in this Agreement, the Notes or the Ordinances which in any way affects the obligations of the City with respect to the Notes, this Agreement or the Ordinance without the prior written consent (except as otherwise provided in Section 9(b) of the City and Banks holding in the aggregate more than 50% of the unpaid principal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under Illinois law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Notes or this Agreement shall operate as a waiver of this right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) This Agreement shall terminate upon the payment of all the Notes in full as to both principal and interest, together with all other amounts due under this Agreement.

(h) Each of the Banks severally represents that it is purchasing its Notes for its own account and with no present intention of distributing or reselling its Notes, or any interest therein, but subject, nevertheless, to the disposition of its Notes being at all times within its sole discretion and control.

Exhibit "A"

(Opinion of Bond Counsel)

September 11, 1980.

To Each of the Banks
Named in Schedule A hereto
Dear Sirs:

We have examined a certified copy of the record of proceedings of the City Council of the City of Chicago, Illinois (the "City") pertaining to the issuance by the City of its General Obligation Tax Anticipation Notes, Series of September, 1980, (the "Notes") in the aggregate principal amount of $50,000,000, the Tax Anticipation Note Agreement, dated as of September 1, 1980 (the "Agreement") among the City, the Banks named in Schedule A hereto and Continental Illinois National Bank and Trust Company of Chicago, as agent (the "Agent"), the Escrow Agreement (General Obligation Tax Anticipation Notes, Series of September, 1980) dated as of September 1, 1980 between the City and Continental Illinois National Bank and Trust Company of Chicago, as Escrow Agent (the "Escrow Agreement"), accompanying certificates of the City and an opinion of even date herewith delivered by the Corporation Counsel of the City.

The Notes are issued pursuant to an ordinance adopted by the City on September 10, 1980, (the "Ordinance"). The Notes are dated September 11, 1980, and have stated maturities of November 30, 1980. The Notes bear interest at a rate equal to 60% of the Agent's Prime Rate (as defined in the Agreement) from time to time in effect, except that the interest rate on the Notes may not exceed 11% per annum. The Notes are prepayable as provided in the Ordinance and the Agreement.

Based on the foregoing, we are of the opinion that:

1. The City is a body politic and corporate of the State of Illinois pursuant to the laws of the State of Illinois, and is a home rule unit within the meaning of Section 6(a) of Article VII of the 1970 Constitution of Illinois.

2. The City, acting by its City Council, has the full power and authority and has taken all necessary action to enter into the Agreement and the Escrow Agreement.

3. We have examined the Notes authorized to be issued by the Ordinance which are further described in Schedule A. hereto. The Agreement and the Escrow Agreement have been authorized to be executed and the Notes have been authorized to be issued by valid action taken by the City Council in the adoption of the Ordinance. Such Ordinance, Agreement, Escrow Agreement and Notes are valid and binding obligations of the City and are enforceable in accordance with their terms, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws relating to enforceability of creditors' rights from time to time in effect.

4. The Notes evidence a debt of the City to which the City has pledged its full faith and credit for the payment thereof.

5. The above-described proceedings direct the City Treasurer to deposit the proceeds of Pledged Taxes (as defined in the Ordinance) to pay principal and interest on said Notes in separate and segregated escrow accounts with the Escrow Agent to secure payment of said Notes and such proceedings provide that such proceeds shall be used solely and only for the purpose of paying the principal of and interest on said Notes and shall not be used for any other purpose so long as said Notes remain outstanding. We are of the opinion that the holders of said Notes have a claim against such Pledged Taxes and a first and prior Lien upon all present and future proceeds of such Pledged Taxes, but only after such proceeds are deposited in said escrow accounts and only until said Notes are paid in full or until said proceeds are withdrawn or removed from said escrow accounts, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws relating to enforceability of creditors' rights from time to time in effect.

6. As of the date hereof, the interest payable on the Notes is exempt from Federal income taxes under present laws.

7. The Notes are not arbitrage bonds within the meaning of Section 103(c) of the United States Internal Revenue Code of 1954, as amended.

We express no opinion as to whether mandamus, specific performance or other specific forms of judicial relief would be granted in a particular case.

Schedule A

The $50,000,000 principal amount of General Obligation Tax Anticipation Notes, Series of September, 1980, of the City of Chicago issued pursuant to an Ordinance of the City Council adopted on September 10, 1980 are further described as follows:

Gentlemen:

Re: $50,000,000 City of Chicago, Illinois, General Obligation Tax Anticipation Notes, Series of September, 1980

I am counsel for the City of Chicago, Illinois (the "City"): In connection with issuance today by the City of its General Obligation Tax Anticipation Notes, Series of September, 1980 described in Schedule A attached to this opinion (the "Notes"), I have examined, among other things, the following:

---

* The Notes consist of three separate issue designated according to the fund of the City to which the proceeds are to be credited as follows: "C" refers to an issue of Notes for the Corporate Purposes Fund; "L" refers to an issue of Notes for the Chicago Public Library (Maintenance and Operation) Purposes Fund; and "R" refers to the City Relief (General Assistance) Purposes Fund.

I. Public records, proceedings and documents in connection with the organization and establishment of the City;

II. The proceedings of the City Council of the City pertaining to the adoption of the ordinance on September 10, 1980, (the "Ordinance") authorizing the issuance, sale and delivery of the Notes by the City, and the execution and delivery of a Tax Anticipation Note Agreement, dated as of September 1, 1980 (the "Agreement") among the City, Continental Illinois National Bank and Trust Company of Chicago, as agent (the "Agent") and the banks named therein and an Escrow Agreement (General Obligation Tax Anticipation Notes, Series of September, 1980) dated as of September 1, 1980 between the City and Continental Illinois National Bank and Trust Company of Chicago, as Escrow Agent (the "Escrow Agreement") and authorizing City officers to do all things necessary to implement the terms of the Ordinance and the contracts which are created by the Note, the Agreement, the Escrow Agreement and the Ordinance; and

III. The executed Notes.

Based on the foregoing, it is my opinion that as of the date of this letter:

1. The City is a political subdivision and home rule municipality of the State of Illinois, duly organized and existing as such under the laws of the State of Illinois and pursuant to the provisions of the Constitution and laws of the State of Illinois and the Ordinance, the City is empowered to issue the Notes.

2. The City has full right, power and authority to adopt the Ordinance, and no consents, approvals or authorizations are required by any governmental body for the City to carry out the transactions contemplated by the Notes, the Ordinance, the Agreement and the Escrow Agreement.

3. The Ordinance has been duly adopted by the City Council, has not been amended and repealed and remains in full force and effect.

4. The Notes, the Agreement and the Escrow Agreement have been fully authorized, executed and delivered by the City.

5. The Notes, the Ordinance, the Agreement and the Escrow Agreement constitute valid and binding obligations of the City enforceable in accordance with their respective terms, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or as enforcement thereof may be limited by bankruptcy or other similar laws affecting the enforcement of creditors' rights generally.

6. The execution, delivery and performance by the City of the Notes, the Ordinance, the Agreement and the Escrow Agreement will not conflict with, or result in any breach of any of the provisions of or constitute a default under, any loan agreement, note, bond, resolution, ordinance or other agreement or instrument to which the City is a party or to which it is subject.

7. All proceedings and actions of the City Council of the City relating to the Notes and the Ordinance, and related proceedings comply with all laws, ordinances, rules and regulations applicable to the City Council, and none of the actions taken relating to the authorization, execution and delivery of the Notes, the Agreement and the Escrow Agreement, has been repealed, rescinded or revoked.

8. There is no action, suit, proceeding or investigation before or by any court, public board or body pending or, to my knowledge, threatened in writing, in which the City is a party or participant, wherein an unfavorable decision, ruling or finding would:

i. Affect the creation, organization or existence of the City or the powers of the City to adopt the Ordinance, issue the Notes or perform its obligations under or as contemplated by the Notes, the Ordinance, the Agreement or the Escrow Agreement or the titles of the City's officers to their respective offices, with the following exceptions:

ii. Enjoin or restrain the issuance, sale and delivery of the Notes or the levy or collection of any property taxes which may be levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose;

iii. In any way question or affect any of the rights, powers, duties or obligations of the City with respect to the City taxes which may be levied for the purpose of paying the principal of and interest on the Notes, or the application of the proceeds of such levy for such purpose;

iv. In any way question or affect any authority for the issuance of the Notes or the validity or enforceability of the Notes, the Ordinance, the Agreement or the Escrow Agreement or the transactions contemplated by the Agreement or the Escrow Agreement except for the matters referred to in Section 1(c) of the Agreement;

v. In any way question or affect any loan agreement, note or bond or any resolution ordinance or other agreement or instrument relating to the indebtedness of the City for borrowed money or lease obligations to the Public Building Commission of Chicago, to which the City is a party or to which it is subject.

9. The above-described proceedings direct the City Treasurer to deposit the proceeds of Pledged Taxes (as defined in the Ordinance) to pay principal of and interest on said Notes in separate and segregated escrow accounts with the Escrow Agent to secure payment of said Notes and such proceedings provide that such proceeds shall be used solely and only for the purpose of paying the principal of and interest on said Notes and shall not be used for any other purpose so long as said Notes remain outstanding. I am of the opinion that the holders of said Notes have a claim against such Pledged Taxes and a first and prior lien upon all present and future proceeds of such Pledged Taxes, but only after such proceeds are deposited in said escrow accounts and only until said Notes are paid in full or until said proceeds are withdrawn or removed from said escrow accounts, except as may be limited by Section 552 of the Bankruptcy Reform Act of 1978 or any applicable bankruptcy, insolvency, moratorium or other similar laws relating to enforceability of creditors' rights from time to time in effect.

Nothing contained herein shall be deemed to enlarge or diminish the rights or obligations of the City and its officers under applicable law.

The statements contained herein are made in an official capacity and not personally and no personal responsibility shall derive from them.

Exhibit "C"

The form of Escrow Agreement (General Obligation Tax Anticipation Notes, Series of September, 1980) attached to the Ordinance authorizing said Notes as Exhibit B, is hereby incorporated by reference as Exhibit C to the foregoing form of Tax Anticipation Note Agreement.

2.02. Pledged Taxes and Additional Deposits. Pursuant to the Note Ordinance and for the purpose of providing the funds required to pay the interest on the Notes when and as the same falls due and to pay and discharge the principal thereof at maturity, the Pledged Taxes which have been collected and distributed to the Treasurer shall be segregated and paid to the Escrow Agent for deposit in the Escrow Accounts in accordance with the following procedures:

(A) Pledged Taxes — Concurrently with the execution of this Agreement, the Comptroller shall issue to the Treasurer (with a copy to the Escrow Agent) a Segregation Order specifying the percentage of each distribution of property taxes to be thereafter received by the Treasurer which is attributable to all Pledged Taxes and directing that such percentage of each such distribution be segregated and paid to the Escrow Agent, and promptly upon receipt of each such distribution of property taxes from the County Collector, the Treasurer shall so segregate and pay to the Escrow Agent for deposit in the Escrow Accounts an amount equal to the amount of such distribution multiplied by the percentage specified in the Segregation Order; the Segregation Order shall also specify the percentage of each payment to be made to the Escrow Agent which is attributable to each issue of Notes and the Escrow Agent shall, upon receipt of each payment, deposit into each Escrow Account an amount equal to the amount of the payment multiplied by the percentage specified in the Segregation Order for such issue of Notes; and

(B) Additional Deposits—In the event that sufficient moneys are not on deposit in any Escrow Account to meet in a timely manner any required principal or interest payments on the related issue of Notes, then other moneys of the City shall be so deposited therein (the "Additional Deposits"), not less than one (1) business day before the time such principal or interest is due, in an amount sufficient to provide for timely payment thereof.

Such segregations, payments and deposits shall continue but only until an amount has been so deposited which, together with all monies on deposit, is sufficient to make the payments of principal of and interest on each issue of Notes and thereafter no further deposits shall be required to be made.

Article III. Operation of the Escrow Accounts

3.01. Amounts Held in Escrow Accounts. Moneys deposited in the Escrow Accounts shall be used solely and only for the purpose of paying principal of and interest on the respective issues of Notes and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as the Notes remain outstanding and unpaid. The holders of each issue of Notes shall have a first and prior lien upon (i) all present and future proceeds of the Pledged Taxes pertaining to such issue and (ii) Additional Deposits but only after such proceeds or Additional Deposits are deposited in the related Escrow Account and only until the principal of and interest on such issue are paid in full or until such proceeds or Additional Deposits are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. Any amount remaining on deposit in any Escrow Account subsequent to the payment in full of all principal of and interest on the related issue of Notes when due shall be distributed to the City pursuant to Section 3.03 hereof.

3.02. Payment of the Notes. On each interest payment date, the Escrow Agent shall pay to the Agent identified in the Note Ordinance all principal of and interest on the Notes coming due on such date. On any mandatory prepayment date the Escrow Agent shall pay to such Agent all principal of and interest on the Notes due on such date. Upon the written direction of the City the Escrow Agent shall pay to such Agent from monies on deposit in the Escrow Accounts such amounts as the City may direct for the purpose of prepaying the Notes in accordance with the Ordinance. All transfers of money to the Agent shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Agent shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Accounts in order to make available moneys necessary to make such transfers.

3.03. Investment Moneys in Escrow Accounts. Pending the need for the moneys deposited and to be deposited in the Escrow Accounts to be used for payment of principal of and interest on the Notes, said moneys may be invested by the Escrow Agent only in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to come due to meet maturing principal and interest payments on the Notes in a timely manner.

The Escrow Agent shall report on the status of investment moneys in the Escrow Accounts on a monthly basis, pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that no such payment of net earnings shall be made at a time when total funds in any Escrow Account are not sufficient to make all payments due holders of the related issue of Notes. Net earnings on Permitted Investments shall be used to pay principal and interest on the Notes when due to the extent other funds on deposit in the related Escrow Accounts are insufficient; provided, however, that after all payments due holders of the Notes have been made, any amounts remaining in the Escrow Accounts shall be paid to the City.

3.04. Reports. The Escrow Agent will submit to the Treasurer and the Comptroller on or before the 20th day of each month, commencing in the month of October, 1980, a statement, as of the 10th day of such month, itemizing all moneys by it and all payments made by it under the provisions of this Agreement during the one-month period ending on such 10th day, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller will advise the Escrow Agent at least 10 days prior to any principal or interest payment date of the amount of principal and/or interest due on the Notes on such payment date. If it shall then appear to the Escrow Agent that the total funds in any Escrow Account, including deposits therein, investments, and earnings on investments, will not be sufficient to make any payment due to the holders of the related issue Notes on such payment date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make deposits therein pursuant to Section 2.02 hereof. Any failure by the Escrow Agent to so notify the City shall not relieve the City of its obligation to make deposits pursuant to Section 2.02 hereof.

3.05 Payment of Fees. The fees of the Escrow Agent shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions within the City.

Article IV. Covenants

The City and the Escrow Agent covenant and agree as follows:

401. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization), (b) the performance of or compliance with any covenant, condition, term or provision of the Notes, or the Note Ordinance, and (c) any undertaking or statement of the City hereunder or under the Notes or the Note Ordinance. The Escrow Agent is not a trustee for the Noteholders and has no obligation in its capacity as Escrow Agent to enforce the rights of the holders of the Notes under the Note Ordinance, or this Agreement.

4.02. The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own gross negligence or willful misconduct, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action, or proceeding in which it may be a defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall it be deemed to have failed to take any such action, unless and until it shall have been indemnified to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees, and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery. The Escrow Agent shall notify the City of any such suit, action or proceeding.

4.03. The Escrow Agent, in its separate capacity as a banking institution, may in good faith buy, sell or hold and deal in any of the Notes. The Escrow Agent may also, at the direction of the Comptroller and the Treasurer as provided in Section 3.03, invest for the Escrow Accounts in certificates of deposit issued by itself and in other Permitted Investments purchased from itself; provided, however, that the Escrow Agent shall not have or exercise any right of set-off with respect to the Escrow Accounts against any obligation of the City.

4.04. All payments to be made by, and all acts, and things required to be done by, the Escrow Agent under the terms and provisions of this Agreement, shall be made and done by the Escrow Agent without any further direction or authority of the City except as expressly provided herein.

4.05. The Escrow Agent is authorized, in its sole discretion, to disregard any and all notices or instructions given by the City or any other person, firm or corporation, except (i) only such notices or instructions as are hereinabove specifically provided for and (ii) orders or process of any court having jurisdiction duly entered or issued. If any property subject hereto is at any time attached, garnished, or levied upon under any court order or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part thereof, then, the Escrow Agent shall promptly notify the City thereof and in any of such events the Escrow Agent is authorized, in its discretion, to rely upon and comply with any such order, writ, judgment or decree which it is advised by legal counsel of its own choosing is binding upon it; and if it complies with any such order, writ, judgment or decree it shall not be liable to any of the parties hereto or to any other person, firm or corporation by reason of such compliance even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated.

4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

4.07. The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

4.08. If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the City upon timely notice thereof having been given.

4.09. This Agreement shall be construed, enforced, and administered in accordance with the laws of the State of Illinois, and shall inure to, and binding upon, the respective successors and assigns of the parties hereto.

Article V. Notices to the City and the Escrow Agent.

5.01. All notices and communications to the City shall be addressed in writing to:

The City Treasurer
Room 204
City Hall
Chicago, Illinois 60602

The City Comptroller

Article VI. Resignation of Escrow Agent.

The Escrow Agent may at any time resign as escrow agent under this Agreement by giving thirty days written notice to the City, and such resignation shall take effect upon the appointment of a successor Escrow Agent by the City. The City may select as successor Escrow Agent any financial institution located within the City which is authorized to maintain trust accounts under federal or Illinois law.

Article VII. Alteration and Termination of Agreement.

The City and the Escrow Agent may change and alter the terms of this Agreement for the following purposes:
